battle goes out of the legitimate realm of such a contest and makes all kinds of personal and other statements, however incorrect the assertions may be, the task of refutation becomes interminable and being of that nature, almost if not quite im possible. When such is the case the situation becomes such that the person who feels he is being outraged can scarcely endure the odium with walch his opponent seeks by unjust methods to cover him, and outpursts of indignation from the assaulted party are somewhat excusable.

Purely political discussions should be confined to their own sphere -the hustings. Harangues of that kind are out of harmony in a legislative body. In such august assemblies they are as DESECRATION OF THE SABmuch out of place as a hog in a drawing room. The comparison is all the

more striking when it is considered that the unclean concommitants of the generality of political disputes true religion imposes upon us. As a bear some relation in a polemic capacity to the physical peculiarities of the domestic animal referred to.

In nearly all heated public discus. sions-especially those that relate to longer exists. efficial or political preference, the dead We maintain that a healthy, moral past is made to de service that is much too conspicuous. Way not confine consideration to a greater degree to present issa s as joined to the present status? Way should there be such a detestable | supply that want which those who de-

a d uncuari able inclination to drag vote themselves to pleasure alone are up the goosts of the musty and irreentirely ignoraut of coverable past? Many men act as if In some of the countries of Europe; they did not believe in haman pro- also in Mexico and many of the repuo-
