THE CONFERENCE.

THE Conference which closed on julness. Sunday afternoon was a memorable one. It was attended by representative Latter-day Saints from all parts of Utah and from adjacent Territories, and on several occasions the Large Tabernack was crowded in every part. The instructions were of a practical nature, tending to in-form the mind in relation to those duties which are required of the several officers of the Church, as well as of its members, and to humility, reliance upon God, and also personal rectitude, chastity, honesty and integrity.
