#### EASTERN.

**More Beecher-Tilton.**

NEW YORK, 2.—Notwithstanding the fact that all the jurors stated that they had taken a solemn oath never to reveal the secrets of the jury room, the following has been ascertained by interviewers: one of the jurors said we stand today precisely as we did when we went upstairs in the jury room to deliberate, eight days ago. Another states that at one time the jury stood eleven to one, again nine to three, and still later five to seven. There was an irreconcilable difference in opinion as to the credibility of the witnesses on each side. Juror Hall said that at one time the discussions were very animated. When they retired a week ago there was a small majority for the defendant, but after the evidence was received from the judge the result was to throw the benefit of certain doubts in favor of the defendant. Still another juror said that at one time the tide in favor of Tilton was pretty low, it was even less than three; at another the jurors stood six to six. A *Union* reporter learned, from a semi-authoritative source, that when the jury retired they stood seven to five, the seven being for Beecher, four for Tilton, and one doubtful, though leaning to Tilton. This doubtful one afterwards came over to Beecher, and on the second ballot they stood eight to four, eight for Beecher and four for Tilton. When the evidence was requested and sent upone of the four, after its examination, went over to the Beecher side, and on the final ballot they stood nine to three, nine for Beecher and three for Tilton. The *Eagle* says that on Saturday a few of the Beecher men, who had been using gigantic efforts to convert Jeffrey, Davis, and Flote to their side, had so far succeeded that these men at last consented to bring in a verdict for Beecher, and had the jury then been called to the court room Beecher would have gone forth with a declaration of innocence by twelve men sworn to decide on the charge against him by the evidence submitted, and allowed by the court during the trial. Some were in favor of going into court at once, but unfortunately for Beecher it was decided not to do so until 8 o'clock that evening, when they would hand the presiding Judge the verdict. At this moment of importance one of the Beecher men made an indiscreet remark, which, though not affecting the evidence, caused undue excitement, and had the effect of alienating some, and thus the work of many hours of tedious and conscientious argument was cheated of its result, and gloom was thrown over the future deliberations of the jury, which could not be dispelled. Persistent efforts were made to counteract the result of this indiscretion, but the minority, Jeffrey, Flate and Davis, emphatically declined to hold any further argument on the case, they were determined to stand by Tilton. On Sunday there was no balloting, as many of the jurors had religious scruples, and declined to do so. A ballot, however, on Monday, showed that they had returned to Tilton, as the vote stood nine for Beecher and three for Tilton, and from this count there was no variation, for when discharged they stood the same. Lawyer Shearman said, to-day, that the councillor for the defendant had been visited several times by a friend of one man of the jury, who intimated tha this verdict could be purchased. Shearman declined to state whether they would move for a new trial, but the rumor is that plaintiff's counsel will move for a new trial at once, by placing the case on the Circuit calendar, and that as soon as it is called a motion will be made for a change of venue.

**The Tweed Case.**

This p. m. the Judge handed in an opinion conveying the decision on D. D. Field's motion to quash the indictments against Wm. M. Tweed. He denies the motion, except as regards two of them, which it was conceded in the argument are superseded, and says the objections raised should be made on a plea and not a motion to quash, if made at all.

**$100,000 Fire—The Next Move of Tilton.**

A fire late to-night, in the Lee Box and Lumber Co. premises, at the corner of 11th Avenue and 21st St., destroyed a stable and six horses, and a valuable stock of lumber, loss $100,000, insured $75,000.

The *Times*, to-morrow, publishes the following—"A *Times* reporter has ascertained from the most reliable authority that the next move of Tilton will be to indict General Tracy for perjury, on the grounds that Tilton, Moulton and Woodruff distinctly stated to him that the charge against Beecher was adultery, while he swore on the witness stand to the contrary. It is believed that proceedings will be taken without delay.

**Bank Suspended.**

CHARLESTON, S. C., 2.—The suspension of the South Carolina Bank and Trust Company of Columbia, is announced. Harty Solmonon, the president, attributes this to a heavy run of the depositors, together with the impossibility to collect the loans due the bank.

**Great Damage by Rain.**

**The Boy Murderer to be Hanged.**

**Decision Affirmed.**

WASHINGTON, 2.—The Secretary of the Interior has affirmed the decision of the Land Office in the case of the Daney Gold and Silver Mining Co. *vs.* the Sapphire Mining Co., and has decided that the Sapphire Co. is entitled to a patent for the Dios Senor or Mount Hope lode, near Virginia, Nevada.

**Refused to Carry the Mails—Bonds Redeemed.**

The Post Office department was advised to-day, that the Marietta, Pittsburg and Cleveland Railroad Company had refused to carry the mails over its line from Marietta to Canal River, Ohio, because the Postmaster General would not increase the pay for the service beyond what the law allows.

The bonds issued by the District of Columbia, amounting to $160,000, to aid the people of Chicago after the great fire, have been redeemed by the sinking fund commission.

#### WESTERN.

**Political.**

SAN FRANCISCO, 2.—The democratic State convention adjourned this afternoon.

The congressional convention in the fourth district, to-day, nominated P. D. Wiggington for Congress. The State ticket is received throughout the State with a fair degree of satisfaction, but with little enthusiasm. The *Bulletin*, today, says the Central Pacific ran the convention.

**More Excellent Shooting.**

DUBLIN, 2.—The official score of the international rifle match on Tuesday, which is published today, gives Dakin 52 instead of 51 at 1,000 yards, and makes the number of points by which the Americans beat the Irish 39 instead of 38. The contest for the Abercorn cup, at Dollymount, ended to-day. Ed. Johnson, of the Irish team, won by a score of 333. Rigby and Pollock made higher scores, but as they had been winners before the cup was awarded to Johnson. Of the Americans the best scores were Fulton 371, Gildersleeve 369, Boderit 364, Coleman 360. The Americans won several Allcomer's prizes to-day. The Dublin journals, referring to Major Leech's retirement from the captaincy of the Irish team, concur in saying that Ireland is indebted to him for long range shooting, which he established under great difficulties.
