Mike Flaherty Charged With Robbery—Commissioners to Give Engineers Excursion Up Canyon.

(Special to the "News.")

Ogden, Aug. 13.—Mrs. Sarah Hobbs was again arrested last night on complaint of Mrs. Wertz, this time on the charge of housebreaking. It is alleged that Mrs. Hobbs entered the house of Mrs. Wertz a few days ago and stole therefrom a diamond brooch and ring. The woman was arrested at the time of the alleged theft on the charge of petty larceny. That charge, however, has been withdrawn and the more serious one substituted.

Joseph Stever entered a plea of guilty in the district court before Judge Rolapp this morning, to the charge of forgery. He was sentenced to one year in the state prison.

CHARGED WITH ROBBERY.

When the victim awoke this morning and discovered what had happened, he at once reported the matter to the police, who went in search of the thief. They soon located him at a gaming table where he had already lost all of his ill gotten gains but \$2.

SCANDINAVIAN REUNION.

Three Thousand Persons Attend Fine Affair at Saltair.

Fully 3,000 persons enjoyed a visit to Saltair yesterday, where the Scandinavians of Salt Lake county held a reunion. The day was made memorable by the fact that Aug. 12 is the anniversary of the first baptism into the Church in Denmark, 53 years ago. One of the first to enter the Church at that time, Mrs. Annie Backstrom Snow, was among the excursionists. When she was presented to the people she was heartily cheered, a good program had been arranged, but an account of death in the family of the leader of one of the choirs, the musical part was somewhat disarranged. Towards evening, however, the Sunday school under the leadership of Mr. Hartvigsen, and the Svea of this city, discoursed beautiful music in the pavilion. Both choirs had good voices, and efficient leaders. They were in complete for a prize, but owing to the bereavement just referred to, they concluded to postpone that feature to some other time.

Some much appreciated addresses were given during the afternoon. Among the speakers were P. F. Hintze, Andrew Jensen, J. M. Sjodahl, Moses Taylor of Summit stake, who joined the excursionists with several hundred from that stake; W. W. Cluff, of Summit stake, and President Anthony H. Lund, in behalf of the First Presidency. Among the prizes distributed were the following: To Hulda Wahlstrom, as the best lady waiter, \$5 in dental work, by Dr. Tordt; Lieutenant C. G. Forslund, best gentleman waiter, choice of a piece of jewelry at J. S. Jensen's; and to Mrs. A. Jensen, a rocking chair, by P. W. Madden. The youngest baby on the ground was thought to be Carlene Larsen, three weeks old, and she was given a silver cup, by J. S. Jensen. The weather was ideal for an outing to the lake, and the railroad handled the crowd very satisfactorily.

SUNDAY SCHOOL WORKER'S DEMISE

Thomas C. Griggs Passes Away in Teton Basin, Idaho.

VICTIM OF BRIGHT'S DISEASE

Body Will Arrive Here Tomorrow Morning—Was a Well Known Musical Man—Funeral on Sunday.

(Special to the "News.")

Rexburg, Ida., Aug. 13.—Thomas C. Griggs of Salt Lake died yesterday afternoon at the residence of his son James in Teton Basin, 35 miles east of here, the cause of death being Bright's disease. The deceased came here some time ago for the benefit of his health, but his condition was such on his arrival that slight hopes were entertained for his recovery. A party left there with the body at 11:30 last night, arriving at Rexburg this morning, where the remains were placed in a casket and made ready for shipment to Salt Lake this afternoon. The party will arrive there tomorrow morning at 9 o'clock. Mrs. Griggs and several members of the family will accompany the body on the sad journey home.

Thomas C. Griggs was perhaps one of the best known residents of Salt Lake, and was born June 19, 1845, in Dover, County of Kent, England, where he joined the Church of Jesus Christ of Latter-day Saints May 15, 1868, being baptized in the Straits of Dover by Elder Thomas Lee. With his widowed mother, who was also a member of the Church, he emigrated to America in 1858, arriving in Boston July 12 of that year. Here he and his mother remained for some years. Thomas meanwhile taking advantage of his opportunity to study music. He became identified with a brass band organized by members of the Church and took a leading part until the breaking out of the Civil war, when he and his mother started for Utah, reaching Salt Lake City Sept. 13, 1861. Here he became quite prominent in music circles and lent his aid to the Tabernacle choir, of which he has been a member since the winter of 1866-7. In April, 1880, while filling a mission in Great Britain, he was appointed leader of this organization, succeeding Prof. Ebenezer Beasley as assistant. The latter took charge of the choir during Elder Griggs' absence and continued in charge after his return home. Elder Griggs preferring to take the place of assistant rather than interfere with the good work of Prof. Beasley. He was also leader of the Fifteenth ward choir for many years, and was an ardent Sunday school worker, rising from the ranks to one of the senior members of the Deseret Sunday School Union board, of which he was business manager at the time of his death. For a number of years he was superintendent of Sunday schools in the Salt Lake Stake and held other positions in the Church, which he held quite prominently throughout the state. He was the author of a great many Sunday school and other hymns and was one of the presidents of the Second quorum of Seventy when death claimed him. The funeral has not been arranged, but will likely be held in this city on Sunday.

AMUSEMENTS.

The members of the Jose Minstrels all marched in the Elks' parade last night with the result that the curtain did not rise till after 9 o'clock. The audience was only fair in size, but it did not lack in appreciation. The Jose company is very strong from the musical standpoint, and Jose himself, whose wonderful contra-tenor voice is as sweet and pure as ever, and Mr. MacDonald, the old-time leader of the Minstrels, are towers of musical strength. Both were immensely applauded, and Jose especially so. The chorus sang in ringing style and the orchestra gave them good support. The principal endmen are Mr. Mack and Mr. Cushman, who found decided favor with the audience. The strength of the company lies in the first quartet, the features of which being somewhat limited. The humorous facile insouciousness of Jose, was quite laughable.

The whole show left a pleasant impression and the business will doubtless improve this evening.

The advance sale for the opening of the season at the Lyceum next Monday night began at the box office tomorrow.

FLED ON NIGHT OF MURDER.

Pullman Conductor and Porter Positively Identify Mrs. Hodge As Hatless and Excited Woman Who Went to Butte the Night Ryan Was Killed—Had Much Money.

By far the most incriminating evidence yet discovered against Mrs. Aurora Hodge, the confessed slayer of William X. Ryan, was brought to light this morning when N. P. Gray, Jr., a Pullman conductor on the Short Line, and E. W. Jarrett, the porter on Mr. Gray's car, identified Mrs. Hodge as the woman who rode in their car from Salt Lake to Butte on Sunday, July 12. The train left this city at 12:30 a. m. on the morning of the 12th, and the conductor states that Mrs. Hodge came to his train just a minute or so before it pulled out. She had no hat and appeared to be excited. She had no Pullman ticket, but purchased one from Conductor Gray, giving him a \$20 gold piece in payment for the same.

She evidently had plenty of money as the lining of her jacket and the pockets were filled with loose coin supposed to have been either silver dollars or \$20 gold pieces. She was very reserved during the journey and talked to no one. Her action displayed nervousness. When she left the train at Butte she still had no hat. From this evidence it is now certain that she left the scene of her crime immediately after killing Ryan on Saturday night, July 11, and came to this city. She hastened to the depot and arrived in time to catch the north bound train. After arriving at Butte she evidently went from there to her home at Denison, Iowa.

Mr. Gray and the porter in company with Sheriff Emery and County Attorney Westervelt called upon Mrs. Hodge this morning, when both positively identified her as the woman who rode with them. In speaking of the matter to a "News" representative today Mr. Gray said:

"Mrs. Hodge had a local ticket from Salt Lake to Butte. She reached the train just a minute or two before it pulled out and was bareheaded. She came directly to my car. When I went through the car collecting tickets, she said that she wanted a berth. I called the porter and told him to direct her to a berth. She offered me a \$20 gold piece to pay for her berth and I gave her \$17 in change the next morning, not being able to make the change that night. When the porter showed her the berth she retired immediately. The next morning, when the porter was making up her berth, he had occasion to lift her jacket and found that it was very heavy and that it contained some loose money in the pockets and in the lining. The coin felt as if it was either in silver dollars or \$20 gold pieces."

"The train left here at 12:30 a. m. Sunday morning, July 12, and arrived at Butte 6:40 p. m. of the same day. When Mrs. Hodge left the train at Butte the porter and I both noticed that she was still without a hat. She ate breakfast and lunch on the dining car. She acted rather nervous all day and did not talk with any of the passengers or myself or the porter. On Monday afternoon Mr. C. W. Miller, train agent for the Short Line, asked me if I remembered having a passenger answering the description of Mrs. Hodge on that night. I told him about the woman and he told me to go to the jail and see if I could identify her."

"The porter and I went to the jail this morning and saw her and there is no doubt in my mind but that she is the woman who rode to Butte in my car on July 12. She appeared to recognize the porter this morning, for when she saw him at the cell door she started as if shocked by his presence."

NEW RUSSIAN VICEROYALTY.

St. Petersburg, Aug. 13.—A new viceroyalty, comprising the Amur district and the Kuan Tung provinces created in August, 1899, has been established. Heretofore the Amur district has been controlled by a governor-general. Articles signed by the czar and promulgated Aug. 12 appoint Vice Admiral Alexieff, aide de camp general to the czar, as viceroy of this far eastern territory. He will be vested with supreme authority in all the branches of the civil administration, the direction of which will no longer be in the hands of the ministry. It will be the viceroy's duty to maintain order and insure safety in the district traversed by the eastern Chinese railway, as well as to watch over the needs of the Russian inhabitants, both within and without Russian possessions bordering on the territory under his jurisdiction.

Diplomatic negotiations with neighboring states regarding the affairs of this territory will be in the hands of the viceroy, who will also be entrusted with the command of the Russian fleet in the Pacific and the troops in the new viceroyalty. Until a law embodying the duties of the viceroy is issued the regulations drawn up by the czar for the administration of the territory occupied by the far eastern country and Caucasian territory will remain in force.

A respected officer of the czar, who will see that the actions of the viceroy are in harmony with the general policy of the czar, is the daughter of Alexieff has been instructed to submit to the czar for his approval proposals for the administration of the territory which he is about to assume jurisdiction.

Walker, delegate at large, department Illinois.

Members of the Illinois party state emphatically that Gen. Miles is not and will not be a candidate against the men of Illinois and that the election of Gen. Black is a foregone conclusion. The Illinois people scattered as soon as their special pulled in, as it is due to some anxiety in the town as to the coming of the train, and all wanted to see as much of the town as possible.

A party from St. Louis arrived just before noon, as people representing the Rams and Harling posts, and they too are looking over the town on their way to the big day tomorrow, when the big Atlantic coast delegations arrive, and the town will be full of them.

AT THE RESORTS.

Butcher's day at Calder's yesterday brought out a crowd of fully 4,000. Despite this large number of people the park presented a very happy and orderly appearance and throughout the day and evening the picnic was not marred by a single unhappy incident. Everybody was entertained. The butchers with their usual forethought provided all with as much cold meat and sandwiches as they could eat. In all 5,000 pounds of assorted cold meats and as many loaves were cut up and consumed. After lunch the employees of the association indulged in some good natured racing, but the baseball game was not an unqualified success owing to the huge total of errors that materialized early in the game. There were some good horse races, however, which were enjoyed by the two best races pulled off were a free-for-all trotting and a pacing race and a named trotting and pacing race. Sarah Green captured the three-out of five heats, the winning time being 2:24. The second and third heats were won by Towner. Kan-garoo was whitewashed. The second event necessitated four heats before it was demonstrated that George M. was the best horse. His fastest time was 2:22.

Granite stake will migrate to Saltair tomorrow in force when it is anticipated that there will be a big crowd. Among other features will be the entertaining of the old folks who are transported toward from the resort free of charge and will be entertained at 1 p. m. with a bonanza luncheon. A special train will be run at noon to accommodate the crowd. An excellent program has been prepared for the occasion and among the numbers will be a short address by President Joseph F. Smith.

The program subject to enlargement is as follows:

WANTED IN ALABAMA.

W. W. Fox Arrested Here This Morning, Charged With Murder.

W. W. Fox was arrested in this city this morning by Detectives Raleigh and Norrell, charged with the murder of Tom Stewart of Wilcox county, Alabama. The man offered no resistance when arrested but quietly submitted, confessing the crime and going peacefully to the county jail.

Fox's version of the affair is that on July 4 last, while returning by train from a picnic, he and several others began "shooting craps." While so engaged a dispute arose as to the charging of money. Stewart asserting that Fox had not given him the right change. A wordy war ensued and Fox alleges that Stewart made a move in the direction of his hip pocket, presumably to get a gun. He was not quick enough, however, and the result was that Fox got the drop on him and fired two shots into his body, killing him. He then left the country and wandered out west, coming to this city a month ago. While here he has been working at his trade as a carpenter and was arrested this morning while walking down East Temple street.

Fox says he will go back without a requisition and feels sure he will be able to prove that he committed the act in self-defense. An officer is now on route here for the prisoner.

SALT LAKE MAN WEBS.

BEATEN TO DEATH.

Man Dying From Wounds Received in Saloon Row—Lynch Talk.

(Special to the "News.")

Cheyenne, Wyo., Aug. 12.—Ross Stringer, a printer employed on the Lander, a man who was given a horrible beating yesterday morning by James Dillard, died at 1 o'clock this morning. Frank Bryant, who was shot through the lungs and stomach by Dillard at the Free Silver saloon last night is slowly dying. The feeling at Lander is now fever heat and it is feared the murderer will be lynched. The assault upon Stringer was without provocation and Dillard shot Bryant without cause or warning. It is believed he is insane. An effort will be made to spirit him out of the county but it is doubtful if the case will be successful.

The parade of the Elks this afternoon, made a favorable impression on the streets and the different companies made a fine appearance. Dr. W. F. Bear was grand marshal, with Ben Heywood, M. H. Eureka had 25, Ogden 125 and Salt Lake 150 men, with Hald's and the Jose Minstrel bands, in addition to the Provo band. The general uniform of white and purple was largely worn, some Elks, however, marching in tall black hats and dusters. Purple and white sashes were carried, and various maces, park city and the pavilion. The line of march was through the principal streets of the city, and ending at the Salt Palace.

ENTERTAINMENT OF TICKET AGENTS

Salt Lakers Propose to Give Them A Good Time.

CITIZENS ARE INVITED.

The Eleventh Annual Convention Here Next Month Will be Open to All.

A letter was received this morning from C. L. Caldwell, secretary of the international Association of Ticket Agents, by General Agent Benton of the passenger department of the Rio Grande in which further details of the eleventh annual convention of the association were set forth.

The convention will be held in the Assembly hall in this city Sept. 14-17. Mr. Caldwell states that while the association does not expect to be entertained lavishly by the citizens of Salt Lake at the same time he is glad to hear that preparations are under way here to give the ticket agents a good time. He goes on to state that the association would appreciate very highly the presence of Salt Lake citizens at the meetings and the convention hall or a hotel headquarters. In this connection Mr. Benton has addressed letters to the members of the First Presidency and other prominent citizens inviting them to be present when the ticket men convene.

The delegates, over 30 strong, will arrive on the evening of the 14th and the Salt Lake citizens at the meetings and the convention hall or a hotel headquarters. In this connection Mr. Benton has addressed letters to the members of the First Presidency and other prominent citizens inviting them to be present when the ticket men convene.

While there will be no subscription list circulated for the entertainment of the visitors several hotel keepers and prominent citizens expressed a desire to write checks to help defray the expenses. In addition the Consolidated Railway & Power company, the management of the Salt Lake car, Saltair, Lagoon Salt Palace and Calder's have all volunteered to take care of the visitors free of charge. The board of governors of the Commercial club also will meet at an early date to discuss the proposition of entertainment.

Everyone recognizes that the ticket agents are good people to entertain. They make several thousand of dollars a year pass through their hands. The man who sells railroad tickets can make or lose a good deal of money. He is, therefore, effectively than any other medium, hence it is that Salt Lake is only too glad to entertain the ticket men at the prospect of visitors.

After the visitors have got through with the business of the convention they will be transported free of charge by the Oregon Short Line and the O. R. & N. to Portland and return in a special train.
