

## MORE FAST HORSES ARE COMING HERE.

Bransford, Crabtree, and Tom  
Mc Coy Ship In Real Live  
Ones.

## TWO CARS OF RUNNERS COME.

Good Chance for a Grand Free-For-All  
Between Half a Dozen Horses With  
Marks Around 210.

If horses keep coming in as they did to-  
day and yesterday, stable room will have  
to be considerably enlarged. Down at  
Agricultural park, and Manager W. B.  
Jones will have several attacks of night-  
mare.

While runners are coming in in  
squad, several fast harness horses are  
here and more are due this afternoon or  
evening. The chances are that more will  
follow tomorrow. The beauty of it is  
that all the horses are live ones, and are  
of the kind that will finish the greatest  
free-for-all ever seen in these parts.

What would be a prettier race than a  
free-for-all between any eight or ten  
horses with marks hovering around the  
210? Here are the names of a few of  
them: Laura Spurr, Alpha W. Robert  
J. Minkie, Crabtree, Cavalier, and  
Tom Carnell. These animals are all pre-  
tently even matched, and would make a  
genial race.

Two cars of fast runners arrived here  
yesterday afternoon, one of the cars being  
in charge of Harry Woodrich, a famous  
harness horseman. He has made ar-  
rangements for placing the animals at  
Agricultural park, and he is confident of  
getting some of the big purses offered for  
the six-day meet. He says the horses will  
be in fine trim by the 24th, the opening  
day.

S. Bransford surprised local horsemen  
when he added to his ownings two  
fast pacers. He has just returned from  
Los Angeles where he secured the pacers  
and shipped them to this city. They  
should arrive here this afternoon or to-  
morrow morning.

C. J. Crabtree, owner of speedy Crab  
Apple, has secured a green pacer and  
had him out on the Haggen's drive.  
The animal shows up splendidly and Mr.  
Crabtree will be surprised if he does not  
get outside the money with the horse.  
"Ringtail" is the name horsemen here-  
abouts have conferred on a pacer pur-  
chased recently by Tom McCoy. Pacer  
climbs to say where he got the horse, but  
with this one and Cavalier which he got  
from Los Angeles some time ago, Tom  
expects to be a little more than in the  
running.

No, judging from the number of horses  
and horsemen loaded this way, and the  
amount of interest taken in the coming  
meet, it will surely be one long to be  
remembered. Managers and horsemen are  
engaged in finishing up things down  
at the park, getting more stable room,  
improving the track and answering a  
thousand and one questions.

## BALL FANS GET READY

For the Greatest Game in the History of  
The National Pastime.

The greatest game in the history of the  
national pastime will be played to-  
day. The police and firemen are to be  
believed that in what their ball game will  
be. It is scheduled to take place next  
Wednesday afternoon at Walker's ball  
park. The fix is a guarantee that the game  
will be bitterly contested, and full of thrills  
from start to finish.

The game will go to  
Mrs. George Edgar, widow of the fire-  
man killed on the Park City train some  
days ago. The money taken in will be  
turned over to Mrs. Edgar, and the  
police and firemen expect to take in a good  
sum, as they will all work hard in  
selling tickets.

The great teams will line up as follows:

The St. Anthony ball team, formerly  
the Ogden Lobsters, was beaten to a

The Lobsters had been in the presence of  
about 500 happy fans. The game ended  
with a score of 5 to 4.

## DICK HYLAND LEAVES.

With Manager Sammy McClinton He  
Goes to San Francisco.

"Fighting Dick" Hyland, and his man-  
ager, Sammy McClinton, left last night  
for San Francisco where they will try to  
get on a match.  
McClinton and Hyland both became dis-  
satisfied with the situation here, and a-  
gain realized that there was no chance  
to do anything in the battle line here until  
the fall, and then they were not sure  
wanted a match.

It is understood that some time in Sep-  
tember Willard Hyland will try to get  
Young Corbett here for a bout with Hy-  
land, and if he can not secure the same  
sides of Corbett he will try to get Eddie  
Stanton.

## STOMACHS ON STILTS.

The man who puts on stilts does not in-  
crease his actual strength. He only feels  
taller. Stipulators are the stilt of the  
stomach. They make a man feel better  
for the time being, but he feels a great deal  
worse for them after-  
ward.

The need of the man  
whose stomach is  
"weak" is not stimu-  
lation but strength.  
Dr. Pierce's Golden  
Medical Discovery  
perfectly answers that  
need. It contains no  
alcohol or whiskey.  
It cures the weak, foul  
stomach with its at-  
tendant bad smelling  
breath, coated tongue,  
bad taste, poor ap-  
petite and kindred sym-  
ptoms.

In the year 1880 I had  
an attack of indigestion  
and got so bad that my  
home doctor said I was  
not to do any more  
work. I wrote to you  
and you advised me to  
use Dr. Pierce's Golden  
Medical Discovery, so I  
bought a bottle, and us-  
ing it I was so weak  
about my house. It  
was the time I had used one  
bottle my stomach and  
bowels commenced to  
feel better. There were  
kinds of food I could  
eat which I had not been  
able to eat before. I had  
a good deal of misery in  
my stomach, and also in the  
rectum. I could not eat  
anything without hav-  
ing much distress afterward, but by the  
time I had taken eight bottles of the Golden  
Medical Discovery I was sound and well,  
and could eat anything I pleased without  
suffering in the least. Could also do as much  
work in a day as I ever could. I have not  
suffered from the trouble since, and it was  
four years that I was so sick.

The sole motive for substitution is to  
profit the dealer to make a little more  
profit. He gains; you lose. Accept no sub-  
stitute for "Golden Medical Discovery."  
Constipation causes and aggravates  
many serious diseases. It is thoroughly  
cured by Dr. Pierce's Pleasant Pellets.

## Caddis Plays Golf.

New York, July 13.—For the first time  
in the history of golf in the United  
States a professional tournament was  
begun today on a public links. Fifty-two  
of the most prominent professional golf-

for a double journey of the entire course.  
When play began in the morning there  
was a fully large crowd of spectators  
but the course, for a heavy rainstorm soon  
dispersed the gallery. The links were  
deluged and made so soggy that low  
scores were looked for. The first stage  
of the morning round was the excellent  
work done by Martin O'Loughlin, a 12-  
year-old boy who learned the game as a  
caddy at Plandome, N. J. He regu-  
lated the course in seventy-eight strokes,  
and during his tour a heavy rainstorm  
was evident. The boy knocked into his  
pace, however, in the afternoon. The  
tournament will be completed tomorrow.
