CORRESPONDENCE.

MISSIONARY LABORS — OPPOSITION — BAPTISMS — HEALINGS, ETC.

West Tennessee Conference.

NEW ERA, Perry County, Tenn., April 19th, 1884.

Editor Deseret News:

I was first assigned to the Hickman County field, where I labored for about three months. From there I went to attend Conference in Wayne County on the 25th, 26th and 27th of May, 1884. I was then with Elder Miner Wilcox, of Paris, Idaho, assigned to this field, which consists of a part of Wayne, Perry and Decatur Counties. Since then we have baptized fourteen members, blessed two children and emigrated upwards of forty Saints from this field. Elder Wilcox being released on account of poor health, started home on the 24th of March. On the 30th, Elder Lyman A. Shepherd, of Beaver, arrived here to fill the vacancy.

I will here say that I have met with many kind friends that I will never forget; and while many have been kind and hospitable, I have met with some persecution. At our Conference on Beech Creek we were threatened by a mob, but still we held our meetings in peace. Notices were posted that all the Elders must leave that field within thirty days, or they would be whipped. We being left here, had all of the persecution to meet, and were notified to leave there immediately or we would leave with sore backs. We did not choose to leave, and the foregoing is the result of our labors.

There are many instances I might mention that would be of interest, but one which has just occurred, I will relate. There was a man attended one of our meetings on the fourth of last November; meeting was at 11 o'clock and we were to have a baptising at 2 p. m. on the same day. This man had been afflicted with chills and fever for two months, and having never heard a "Mormon" Elder preach before or witnessed the ordinance of baptism, he desired to attend, but as it was time for his chill to come on, and it was about two miles to the place where we were going to attend to the ordinance, he was afraid he could not go. I told him that if he would go, he would have no chill that day: he went, and has not had a chill since, according to his own statement. Since then he has attended several of our meetings: and about a month ago, he, and another man applied for baptism. On the following Sunday we went to attend to the ordinance but they did not put in an appearance, as per agreement, and I have not seen either of them since till last Sunday.

On Thursday the 10 inst. Elder Shepherd and I returned and gave out an appointment to preach at 3 p. m. at the residence of Bro. Henson, just before the appointed time arrived, these two men and some others came, the two being under the influence of liquor. They began making a noise, rolling barrels around, and hallooing and they said they had come prepared and would take the lives of Brother Henson, Elder Shepherd and myself before the sun went down; they also talked very abusively and insultingly to Sister Henson and her daughters. Finally they went off and several respectable persons came to hear us preach; those two then returned one of them having a large black snake (alive) in his pocket, which he put around his neck, put his finger in its mouth, and scared some of the ladies with.

We began our meeting at the appointed time, and they began throwing rocks at the house, hallooing, etc. Elder Shepherd arose to address the meeting, and they still kept up their noise outside. They were requested to keep still, but they only made the more noise, breaking up hoes and other property outside; they came in twice and helped themselves to water from the stand, talking aloud, and the last time they took the pitcher out with them. They kept up the disturbance till we closed the meeting, they then went off and thus ended the disgraceful occurrence.

I now wish to relate another circumstance, a case of healing the sick by obedience to the laws of God. Sister Catherine, wife of Samuel Inman, had been prostrate for about eight months: she desired to be baptized, and had faith that she would be healed. Accordingly on the 18th of January, she was taken to the water (not being able to walk) and I baptized her; the next day Elder Miles and I anointed and administered to her, and she has never felt a pain since. I saw her a few days ago and she then said she had not felt as well for five years as she did at that time.

The work of the Lord is progressing in this field quite favorably; the Saints are all feeling well in the cause of truth, and everything looks prosperous. I will now close praying for the welfare of Zion.

Yours in the Gospel Covenant, JOHN A. HAWKS.

BOX ELDER STAKE CONFERENCE.

This Conference was held in the Tabernacle at Brigham City, Saturday and Sunday, April 26th and 27th, 1884. Apostle L. Snow, the Presidency of the Stake, Bishops, leading Elders and many of the Saints from the Wards of the Stake attended the meetings. Visiting Elders were Apostles F. D. Richards and A. Carrington. Elders C. O. Card and F. S. Richards.

The Bishops reports were very gratifying, uniformly showing a steady increase of faith and good works, and the manifestations of the Holy Spirit on the people; by the general abandonment of the use of tea, coffee and tobacco; in the peace and harmony reigning so universally in the wards and settlements of the Saints; and in their ready and intelligent obedience to the laws and will of God.

Elder C. O. Card made some observations on the work and the amount expended in the erection of the Logan Temple. The continuous protection God has so graciously maintained over his peculiar people, and that through the observance of His laws, the obligations He is under to fight their battles.

President L. G. Snow made a few appropriate remarks, and read the donation list to the Logan Temple, the names of brethren who are moving to Arizona, and a telegram from Logan that President Taylor had adjourned Cache Stake Conference to May 16th, 17th and 18th; that the Logan Temple would be dedicated on Saturday the 17th. Authorities of the Church and Stake were presented and sustained.

Elder M. W. Dalton, returning missionary, gave a synopsis of his labors in the missionary field, with a description of national traits of character, the manners and customs of the people whom he had labored among.

Apostle A. Carrington spoke to the great edification of the Saints, on their duty to God and to one another, their entire dependence on God and the care He is constantly bestowing upon them.

Elder F. S. Richards spoke on the object and design of God in revealing such wonderful principles in art and science in this generation.

Apostle F. D. Richards remarked that God, in His infinite wisdom, permits trials and afflictions to come, and also, in His goodness, causes the dark clouds to pass and the sunshine of peace and prosperity to rest upon His people. We should overcome evil with good.

Apostle L. Snow thought we did not take that interest we ought to learn our relationship to God, and of the nature of our faith. Jacob received revelation how to increase his flocks and herds and obtain means to support his numerous family. This privilege belongs also to every Elder. Israel was told at the red sea to stand still, but the Lord said, tell Israel to move on. The Saints need the inspiration of the Holy Spirit to guide them.

Counselor E. A. Box read the amounts he had received and disbursed of Logan Temple funds.

The choir sang the anthem, "Hosanna."

Benediction by Patriarch William Box. JAMES BYWATER, Clerk.

BELIEF IN THE MAHDI.

A young prisoner taken on the day after El Teb was examined recently at Suakim. He is, the London *Standard's* correspondent says, better acquainted with affairs than most of the prisoners, as his sister is married to the Sheik Taher, Osman Digma's principal supporter. He was one of the reinforcements sent to Teb by Osman. He said that when he left the camp Osman's followers were ready to fight the English even if they came in numbers as the sand of the sea shore, so confident were they of victory. In reply to a question by the Sheik Mogharani, the lad said that the people believed so thoroughly in the Mahdi that they would sooner fight to the death now than admit their error, as they would never submit to the taunts that they would meet with from the other Moslem tribes. The balance of all the evidence was strongly in favor of the theory that Osman Digma will risk many battles before acknowledging defeat. According to the Suakim *Daily News*, Osman Digma, in his dispatch to Mogharani, writes that the latter, if he were loyal and wise, should rather endeavor to convert his friends to the Mahommedan faith; that he and his followers hope to drink the blood of the Egyptians and their aiders and abettors, and that the present, being a time of great depression in religious faith throughout Islam, is the very time in which the Mahdi is destined to appear. The letter is signed by fifteen sheiks besides Osman Digma.

WHAT A SMALL BOY COULD DO.

A lad in Boston, rather small for his age, works in an office as errand boy for four gentlemen who do business there. One day the gentlemen were chaffing him a little about being so small, and said to him.

"You will never amount to much; you never can do much; you are too small."

"Well," said he, "as small as I am, I can do something that neither of you can do."

"Ah, what is that?" said they. "I don't know as I ought to tell you," he replied. But they were anxious to know, and urged him to tell what he could do that neither of them were able to do.

"I can keep from swearing," said the little fellow.

There were some blushes on four faces, and there seemed to be no anxiety for further information.

Philadelphia, 30. — The Orphan's Court decided a number of bequests in the will of Dr. Lehman Wells were void, because the will had not been made at least thirty days before death, in accordance with the law bearing on bequests.

TUTT'S PILLS

TORPID BOWELS and DISORDERED LIVER.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver.

As a Liver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work, and are a perfect

PRICKLY ASH BITTERS

The majority of the ills of the human body arise from a derangement of the Liver, effecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and sluggish action of the Bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.

Prickly Ash Bitters are specially compounded for this purpose. They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. As a Blood Purifier they are superior to any other medicine; cleansing the system thoroughly, and imparting new life and energy to the invalid. It is a medicine and not an intoxicating beverage.

ASK YOUR DRUGGIST FOR PRICKLY ASH BITTERS, and take no other. PRICE, $1.00 per Bottle.
