

LOCAL AND OTHER MATTERS.

STOCK AND BEE ASSOCIATION.—A meeting of those interested in the importation of Bees and of pure breeds of stock, will be held in the City Hall this evening at half past six o'clock. Those wishing to order through the Association will please make their arrangements immediately, as W. C. Rydahl, stock purchasing Agent, will leave for the East to-morrow morning and W. D. Roberts, Agent for the purchase of Bees, will leave in a few days. The meeting this evening will be open to the general public.

SALT LAKE EXCHANGE AND READING ROOMS.—A well attended meeting for the purpose of adopting a set of by-laws, and forming a permanent organization to carry on the above institution was held in Faust's Hall on Saturday evening.

A. S. Gould Esq., Chairman of the Committee on Constitution and By-Laws, submitted a set of by-laws containing twenty-two articles, which the Secretary read, section by section. Amendments were offered and accepted, and the By-Laws, as amended, were finally adopted as a whole.

Warren Hussey, Esq., Chairman of the Committee on permanent organization, submitted a list of officers to conduct the affairs of the Institution for the first year, who were unanimously elected. Charles Hempstead, Esq., suggested the addition of one more name to the number of Trustees, which was carried.

The following are the names: President, Warren Hussey; Vice President, James F. Woodman; Treasurer, J. Robinson Walker; Secretary, Benham Fabian.

Trustees: Alfred S. Gould, William Jennings, Henry Lawrence, John Cunningham, Thomas Taylor, Samuel Kahn, W. H. Evans, and Judge O. F. Strickland.

THE BIBLE IN COLORADO.—The American Bible Society is meeting with great success in Colorado, and the Bible is being extensively circulated among the people of that Territory by its agency. The Denver Tribune doubts if any State in the Union can show a better record compared with the number of inhabitants. Mr. William McCandlish, one of the agents of the Society, in a letter to the Tribune, says:

"In ten counties of Colorado there are Bible organizations and Bible depositories; eight auxiliary societies and two Bible committees. In all of these counties Bibles are sold at the cost of manufacture in New York. In all, donations are freely given to the poor. In the southern portion of the Territory the scriptures in the Spanish language are circulated to meet the wants of the Mexicans. From nine counties of Colorado, during my recent tour, I have received for the Bible cause \$754.40, \$506.50 being for payment of Bibles received from the Parent Society, and \$152.90 as donations to the American Bible Society. Six auxiliary societies have fully paid the claims of the American Bible Society for books, and the remaining societies are exerting themselves to meet all claims. Holding an appointment from the American Bible Society as agent for Colorado, I have thought it proper to lay the above statement of facts before the public before leaving the Territory."

DEEP CREEK IN UTAH.—The following was among the telegraphic dispatches this morning:

"DEEP CREEK, 12.—The government surveying party decide that the line is three miles west of this place, thus making Deep Creek in Utah. The people here are satisfied, as they had just been assessed for taxes by Nevada, and the change to Utah will make the taxes lighter. Several parties who have herds of stock, intended to move East, as to be in Utah; they couldn't afford to pay Nevada's taxes."

REDUCTION OF FREIGHT ON ORES.—A dispatch, per Deseret Telegraph line, sent this morning, from Ogden, by T. W. Cook, Agent of the U. P. R. R., says that the rate on ores is now reduced to two hundred and forty dollars per car from Ogden to New York, and to two hundred and fifty dollars from Ogden to Boston.

POOR JOHN CHINAMEN!—Dr. Backus, a Minister of the Baptist denomination, who preached in the New Tabernacle in this city a year last summer, and, after being treated with civility and kindness here, went away and indulged in scurrility and vituperation of the "Mormons," has gone to San Francisco to purchase the First Baptist Church for the Chinese Mission. There's hope for the "heathen Chinese!"

DRAWING.—We have been informed by Brother Dan, Wegeland that he purposes shortly opening a drawing school in this city, when he will teach that useful art in all its branches and, from what we know of his abilities in that direction, we are satisfied that he is highly qualified to teach it. It is his intention, in instructing his pupils, to commence with the rudiments or first principles of drawing, beginning with geometrical lines, quadrants, prisms, etc., etc. In the second class the student will be taught the rules of perspective, light and shadow and to copy from all kinds of shaded and unshaded pictures and in the third or last class, to copy natural objects such as flowers, figures, landscapes or ornamental work, according as the taste and talent of the student may lead him. The cultivation of any of the branches of the fine arts has an elevating and refining influence; a taste for such things should, therefore, be fostered and encouraged in the young of our community, and we trust that Brother Wegeland will be supported in his effort to impart his knowledge of the art of drawing to the youth of this city. Those desirous of joining his class can see him at the picture gallery of E. Martin, on East Temple Street.

Died.

At Parowan, Iron County, on Tuesday, Nov. 1st, 1870, Harriet Goodrich, widow of Ezra Thorn ton, aged 79 years, 4 months and 17 days.

Deceased was born at Glastonbury, Conn., June 14th, 1791; embraced the Gospel at Collins, Erie County, N. Y., in 1833, where she was baptized by Elder John P. Green, and then gathered with the Saints at Kirtland. In 1838 the family moved to Missouri, but her husband died the same year near Far West. The deceased with her children passed through all the subsequent drivings and persecutions of the Saints, moving from place to place as they were driven by mobs. They left Nauvoo in 1846, and were residents of Winter Quarters and Kanabville till 1850, when they emigrated to Utah. Of her children—six sons and five daughters—only four survive her; three sons and a daughter, one of the former residing in the States, the others in this Territory.

At Grantsville, Tooele County, on Wednesday evening, Nov. 9th, 1870, of lung disease, Edward Frost, aged forty-seven years.

The deceased was baptized into the Church of Jesus Christ of Latter-day Saints, November 28, 1848, at Bristol, England. Up to 1855, when he emigrated to this Territory, he labored in the ministry as traveling Elder and afterwards as President of a Conference.
