PROCESS OF

Curing Disease by Medicated Vapor

IS ONE THAT IS FAST AND DESERV-
edly becoming popular, as hundreds of
living witnesses can attest. Old chronic
cases of years standing, and where all
other medical aid had failed, are constantly
being cured by it. The scales are falling
from the eyes of an intelligent people, and
the public daily being convinced of the fol-
lies of keeping on in the old beaten track of
purgs, purges, where failures are so univer-
sal. With this process no medicine is given,
or applied, except in the form of vapor,
which is received through the pores of the
skin, and thus through the blood, which
becomes purified by it, and without the
slightest harm to the constitution.

LETTERS PATENT have been
granted me, and any family with ordinary
intelligence, can, by securing a family right
to use the same, save themselves, in the
course of a few years, hundreds of dollars.
Below find a list of some of the diseases
cured by the process:

**RHEUMATISM, NEURALGIA, DROPSY, LIVER
AND KIDNEY AFFECTIONS, DIABETES,
BRONCHITIS, CHILLS, SORE EYES,
EYRISPELAS, SCROFULOUS AFFEC-
TIONS OF EVERY FORM AND CHARAC-
TER, PAINS, CRAMPS, SALT RHEUM,
TETTER, SCURVY, LEPROSY, FEVER-
SORES, WHITE SWELLINGS, &c., &c., &c.**

It removes the effects of all poisonous
matters, Mercury, Lead, Arsenic, &c.,
and restores a healthful circulation
throughout the system.

Family Rights can be obtained of J.
Rees & Brother, at the REES BLOCK, First
South Street, over the Oil Store.

Rooms are being nicely fitted up over their
Store where patients can be received under
treatment and furnished with Rooms and
Board, comfortable as can be found in any
Hotel in the city.

The Best is Always the Cheapest!

THE ESTEY ORGAN

HAS been for nearly thirty years the
leading instrument of the United
States. The Estey Company have seven im-
mense four-story buildings in which they
manufacture their Organs. They employ
five hundred men and turn out ready for
use 900 Organs per month, 225 per week,
over thirty-four per day and one nearly fif-
teen minutes, yet scarcely keep up with the
immense demand for this POPULAR IN-
STRUMENT. This is the largest Organ Fa-
ctory in the World. The labors of the Com-
pany are not in trying to sell but in trying to
manufacture a sufficient number to supply
their 200 Agencies and in making and test-
ing inventions for the general improvement
of their SPLENDID INSTRUMENTS. One
of these is the Wonderful Vox Jublante
which gives to the Estey such a heavenly
tone. This is patented and cannot be ap-
plied to any other Organ.

I confidently recommend the Estey Organ
as the best in use for everything that makes
an Organ desirable.

Sold on installments.
