NEWSBOYS' THANKSGIVING

How the Youngsters Will Be Entertained on Thursday.

They Will Gather, Here on Friday, and Spend the Day on the Street, and Eat of What They Can Get.

The program for the newsboys on Thanksgiving day is as follows:

First—Back in the Thanksgiving, given by Householders. Second—A grand turkey dinner will be given at 12 o'clock, by the householder. Third—The boys will be given around the city in the Utah coach at the expense of the Deseret News. Fourth—All the boys will be given a treat to the Theater at the expense of the Tribune. As the manager of the Herald is not in town, the boys can't know what they will get from that journal. It will probably be given to the boys after they get out of the show.

of police and fire chief of the fire department, who have three members of the board of police and fire commissioners.

Such a procedure, of itself, would not be very remarkable, as it is generally understood that the Mayor has a right to take care of his friends. But there is something connected with this matter that is worthy of serious consideration.

I have been an active participant in the Utah politics during the past four or five years and have never in my life seen a Mayor who has been so active in the politics of the city.

I have seen many a Mayor who has been so active in the politics of the city, but I have never seen a Mayor who has been so active in the politics of the city.

The attendance is increasing, but owing to the fact that many of the men have to work on Sunday, and the hours of labor being somewhat irregular, the made attendance is not so large as it might be.
