LOCAL AND OTHER MATTERS.

MEETING at the Tabernacle to-morrow at eleven and two o'clock, and in the various Ward meeting-houses in the evening.

ANOTHER delightful day. Verily we are highly favored atmospherically this winter.

THEATRE.—Last evening the performance consisted of the Irish sensational drama of Light after Darkness. If a good Irish play is not well saturated with rollicking Irish fun, Irish wit, and Irish bulls, then somebody is at fault. Light after Darkness affords ample scope for all these. It is a play that may be made worthy of running a week in this city, though the population does not number hundreds of thousands. During that time, with thorough rehearsal, each public presentation may be manifestly superior to the preceding, an improvement in many ways—there is so much to do in the play, and so much that is worthy of being done well. Last night there was one tremendous "wine and winegar" hitch—perhaps the gentleman was hunting up a fresh supply of aspirates, or endeavoring to negotiate a loan to purchase the wedding gift farm. If either, it is presumed he will have succeeded by the proper time to-night, so that then and all the time "things will go off with a snap."

Few things on the stage are more attractive, or have a greater and more pleasing hold on the audience, than a country dance, but it should be executed with vigor, heartiness, ease, precision, and decorous abandon. A good dance, concerted or solus, but especially concerted, is a very valuable dramatic resource, and may be made much of with skilful, energetic, and judicious direction and thorough drill.

The dream scene was exceeding interesting and effective, and the "haymaking season" scene, including the "butter-milk for the girls," and the defeat of the red jackets, was of a kind to take the house captive.

Of the principal characters, by Miss Evans, Miss Couldock, Miss Adams, and Mr. Blumenthal, we have not space now to speak. Suffice it to say, they were all carefully and effectively rendered. Mr. Harris did very well, but Mick Muldoon is a character which would justify a great amount of study and elaboration.

Altogether, Light after Darkness is a play that will please our theatre-goers. It will be repeated to-night, and those who want two or three hours amusement and fun will not miss the mark if they visit the Theatre this evening. We should not be afraid to prophesy a good house.

The farce of the Highwayman's Holiday follows the play.

GRAND TESTIMONIAL BENEFIT.—Before us lies a complimentary to the Grand Testimonial benefit to Chas. A. Gould, Esq., by F. A. Weldon and others, at the New Skating Rink, Faust's Hall, Jan. 18, when we have no doubt an agreeable evening will be spent.

MUNROE SETTLEMENT.—Brother S. Simmonson, of Munroe settlement, Sevier co., called this morning. He informs us that Munroe was resettled last Spring. There is a prosperous Co-operative store in operation, a new saw mill commenced to run a few days since and the building of a grist mill will be commenced shortly. The President of the settlement, Elder Moses Gifford, and other brethren started out a few days ago to commence the work of taking water from the Sevier to Munroe. The ditch will be seven miles long. One night each week is devoted to the delivering of lectures on instructive and entertaining subjects. Brother Simmonson says there is plenty of room yet for new settlers. A gardener's club was recently organized there.

A LAW-ABIDING CITIZEN.—Mr. Ed. Gilman addresses a note to us, informing us that he is "a law-abiding citizen and will not stand a false report from any one; don't wish to abuse any man, neither to be abused." He furnishes us with this certificate of character, in consequence of a local article, published last evening, in which his name appears, and which he says is erroneous. We are glad to hear that he is so virtuous and good a man, and we hope, for his sake, that all he says about himself is true. We can assure him that it will afford us infinitely greater pleasure to chronicle his good deeds than to publish his name associated with any thing improper. It is always a hopeful sign when a man evinces a dislike to have his name mixed up with disreputable transactions. We understand that Mr. Gilman asserts that he is not a deputy marshal, and, therefore, was under no obligation to interfere in the row.

RAILROAD BULLETIN.—The Deseret Telegraph Bulletin shows the following:

"OGDEN, Jan. 13.

The Union Pacific trains are still at Lookout, and are not moving. The Central Pacific train has passed the break and will be in some time this evening. There is no passenger train eastward to-day."

ATTEMPTED HOUSE-BREAKING.—Between nine and ten, last night, a man attempted to gain forcible entrance to the house of Mr. David Candland, situated on the north-west corner of the 9th Ward. He tried three doors, but failed to get in. He was supposed, by the inmates, to be the worse for liquor, as he cursed and swore very badly, and, this morning, his watch, on which the initials N. S. are inscribed, was found outside near the house.

ORATORICAL AND ELOCUTIONARY ORIO.—Dr. D. Virgil Gates, of this city, will give a free lecture—descriptive and delineative of the most celebrated poets and orators of Europe and America, at the Tabernacle, on Monday evening, January 15th 7 p.m.

The ladies and gentlemen of Salt Lake City and vicinity are invited to attend, seats free.

BAD ELEMENT.—It is impossible for the law-abiding people of Utah to shut their eyes to the fact that an element of society dangerous to peace and good order is increasing in this city and vicinity to a serious extent. A prominent government official of this Territory recently made the remark that he anticipated that, before many weeks passed, there would probably be not less than five hundred men here, who would be destitute of any visible means of support. This estimate may overrun the mark to some extent; nevertheless recent robberies, shootings, &c., indicate that this city is no longer the peaceful, orderly place it was a few years since.

Time was, and not very long past either, when man, woman or child could walk the streets, at any hour of the day or night, without fear of molestation, but this is no longer the case.

In this connection it may not be out of place to essay a word of caution and advice to all decent people, to the effect that it would be well to be careful about traversing the streets after dark, and when it is necessary for people to go out of doors at late hours, especially in some localities, they should keep a sharp look out for fellows who might try to take them unawares. We think that in no case should females be abroad at late hours without a protector.

When men are destitute of a means of living, they are necessarily desperate, and besides there are reckless desperadoes in this western region, who are not particular under almost any circumstances about committing personal violence in their drunken freaks.

It is needless to say, as every sensible person understands it, that it is the duty of all who have anything to do with the administration of the laws, to see that they are strictly and faithfully carried out, and that they do not aid the turning loose upon a peaceful community, criminals and malefactors who would sap the peaceful foundations of society here or anywhere. Those (so-called) administrators of law who sometimes take the latter course bring themselves to a level with the most loathsome and contemptible characters, and reduce themselves to the position also of partakers of the crimes of such. It would be a nice line of distinction to discriminate who are really the most reprehensible criminals, those who commit open violations of the law or those who would encourage and foster the same by perversions and maladministrations of law.

WHAT ARE YOU GOING TO DO ABOUT IT?—Is the query put by District Attorney Bates, of Utah, to Senator Trumbull, in the trifling matter of paying fifteen thousand dollars for expenses in the Mormon prosecution.—*N. Y. Herald.*

LECTURE.—The lecture under the auspices of the faculty of the Commercial College, by Hon. Albert Carrington, was listened to by a large and attentive audience last evening, who appeared to highly appreciate the scholarly and erudite manner in which he treated his subject—"Education to be gained in the Great School."

THE TERRITORIAL LEGISLATURE.

Friday, January 12.

COUNCIL.—Council met pursuant to adjournment.

Communications from Hon. Secretary Black were received and read.

Councilor Harrington moved that as business is pressing on the several committees, and none prepared, the Council adjourn till Monday next.

140,000
SINGER SEWING MACHINES
WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.

The Singer Manufacturing Company,
AT THE WORLD'S FAIR
—Constituted by the homes of the people—
Received the Great Award of the Highest Sales and have left all rivals far behind them, for they
Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	127,833	Florence	17,660
Wheeler & Wilson	83,214	Gold Medal	8,912
Howe	75,156	Ætna	5,806
Grover & Baker	57,402	Empire	3,560
Weed	35,023	Pinkie & Lyon	2,420
Wilcox & Gibbs	28,990	Parham	1,760
American Buttonhole & Overseaming	14,573	Wilson	500

And several other companies who sold a few machines.

It will be seen by this table that the popularity of the Singer Machine far exceeds that of all others, their sale being one-half greater than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the Singer Company have lately commenced making, besides their old and well-established manufacturing machine, what is known as their "New Family Machine," which is selling at the rate of nine to one of either of their other styles." Their total sales for 1869 were 81,781 machines against the 127,833 of 1870, showing an increase of one-half in the latter year."—*New York Sun.*

One-half of our Gigantic Sales, now nearly:
THREE-QUARTERS OF A MILLION
Machines Sold,
AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS.

But the greatest increase of our Sales over all other Machines, being within the past year This is incontestible proof that
Our Machines are the Best in the World!

The New Family Singer Sewing Machine,
With Attachments for All Kinds of Work,

Is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This New Family Machine is now capable of a range and variety of work such as was only recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, speedy and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the double-lock-elastic-stitch, alike on both sides of the fabric sewn; the only stitch which is universally approved, as it is adapted to first-class work. Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch, and, in a moment this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the basking of tarletan, or ruffling, or almost any other work—even by a child—whose delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, silk and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF
J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
