LEGAL NOTICE.

In the Probate Court in and for Salt Lake County, Territory of Utah.

In the matter of the Estate of Robert Dunn, deceased.

Notice for hearing petition for distribution.

ON READING AND FILING THE PETition of Charles Lougson, Executor of the estate of Robert Dunn, deceased, setting forth that he has filed his final account of his administration upon said estate in this Court, that all the debts have been fully paid, and that a portion of said estate remains to be divided among the heirs of said deceased, and praying among other things for an order allowing said final account and of distribution of the residue of said estate among the persons entitled.

It is ordered that all persons interested in the estate of the said Robert Dunn, deceased, be and appear before the Probate Court of the County of Salt Lake, at the Court Room of said Court, in the County Court House on the 21st day of October, 1886, at 11 o'clock a. m., then and there to show cause why an order allowing said final account and of distribution should not be made of the residue of said estate among the heirs and devisees of the said Robert Dunn, deceased, according to law.

It is further ordered that the Clerk cause copies of this order to be posted in three public places in Salt Lake County, and published in the DESERET EVENING NEWS, a newspaper printed and published in Salt Lake County, three weeks successively prior to said 21st day of October, 1886.

CORRESPONDENCE.

THE RAILROADERS' SHEEP INTERESTS.

OASIS, Millard Co., Utah,
Sept. 26, 1886.

Editor Deseret News:

Pursuant to published notice, the shareholders of the Railroad Men's Sheep Company met at their first annual meeting at Oasis yesterday morning. Nearly all the shares were represented, that is, 621 out of 700. The board of directors submitted the annual report, showing the affairs of the company to be in a very favorable condition; besides the natural increase of the herd which brings to par value each share of stock (being equal to a dividend of 25 per cent.,) there is on hand some $475 cash towards defraying expenses during the coming winter.

As many employes of the Utah Central Railway have expressed a desire to become members of the company, and as many were unable at the time of organization to purchase shares, the secretary was instructed to sell 200 shares of stock at the par value of $5 each, the proceeds to go towards purchasing more stock. The corporation was formed for the benefit of railroad employes, and 500 or 600 more sheep can be kept without increasing the expenses of the herd; hence those who wish to join should do so without delay, as the offer is open for a few weeks only.

The following officers were elected for the ensuing term, viz.—James Latimer, president; Charles B. McGregor, vice-president; John H. Hornung, secretary and treasurer; James Garrett, R. M. Scott, James Kelly, Robt. Crosby, Wm. McKellar, Daniel Lockhart and Henry McCardell, directors.

A hearty vote of thanks was given to those officers who so faithfully served the company during the past term, and much regret was felt that Mr. Garrett, who was accidentally injured by the cars some days ago, was unable to be present. A few necessary amendments were made to the articles of incorporation, and a few by-laws passed, when the meeting adjourned.

OBITUARY.

Editor Deseret News:

Permit me through the columns of your paper to give a brief sketch of Aaron Scera, who departed this life on the evening of September 21st, 1886.

The deceased was born in Andover, Hillsborough (now Merrimac) County, New Hampshire, September 7th, 1806. He emigrated to the State of Ohio when a young man, and settled near the town of Urbana, in Champaign County, where he embraced the Gospel, and immediately he began to preach it. He continued to advocate its great and eternal truths unto almost the hour of his death. In the winter of 1871-2 he performed a mission to the States, his field of labor being in the state of Ohio, among his kindred.

In him was the saying fulfilled of leaving wife and children, houses and lands, for the Gospel's sake. When he received the Gospel, his family would not, so he left them in possession of a good home and came to the mountains. He crossed the plains with President Young, in 1848, and moved to Grantsville in 1851 or 52, where he has resided ever since.

He was an honest man, in the fullest sense of the term. He died in full faith of the Gospel. K.

TERRITORIAL ITEMS.

CULLED FROM LATEST EXCHANGES.

—Isaac C. Haight, of Thatcher, Graham Co., A. T., died at his home at that place on the 8th inst. of lung fever.

—At Laramie, a few days ago, a young man named M. A. Montgomery, a clerk in a second hand store and pawnbroker's shop, disappeared with goods worth from $400 to 500. His employer, J. J. Fein, left town for a couple of days, entrusting the business to Montgomery, with the above result.

—A few days ago a man named Baker was getting out treesion Big Hole river, Montana, when a tree fell upon him. His companion, about 100 yards distant, heard him call out twice, and immediately ran toward the spot where Baker had been working, and found him lying on his back in a pool of blood, with a large hole punched in his head. Death was almost instantaneous.

During a circus performance at Paris, Bear Lake County, on Monday last, the house of Robert Gee, at Montpelier, was broken into and several articles of value stolen therefrom. Several suspicious characters were arrested and taken to Paris, but all but one were finally let go, no evidence being forthcoming to establish their guilt. The guilty one, John Livingstone, was sentenced by Judge Smedley to two months in the county jail, and pay a fine of fifty dollars.

—At Evanston, Wyoming, on the 23d inst., at the Reipen House, Andrew Thompson, a section hand, was fatally wounded in resisting arrest by Sheriff LeCain and his deputy, J. H. Newell. It appears Thompson had been drinking, flourishing his pistol about and threatening the lives of Justice Carter and others. The sheriff was sent for, and on his arrival Thompson said: "You want a shooting scrape, you son of a b——." The sheriff commanded him to give up his gun, to which Thompson replied: "I will give it to you," at the same time cocking his pistol and jumped behind the stove. Deputy Sheriff Newell leaped forward with the command to Thompson to lay down his gun. Thompson fired at Newell, the ball grazing his hat and entering the wall beyond. LeCain and Newell fired almost simultaneously, both shots taking effect in Thompson's body, one entering the middle of his stomach and the other his back just below the shoulder blade. Both wounds are pronounced fatal. Little is known of Thompson except that he is from Pittsburg, Pennsylvania, and has been in the employment of the railroad a short time.

PACIFIC COAST NOTES.

CULLED FROM WESTERN EXCHANGES.

The Stockton (Cal.) fair is drawing immense crowds, and is a success.

The Central saw mill, at Santa Cruz, Cal., was destroyed by fire on the 24th. Loss, $7,000.

Wm. Milan committed suicide at Portland, Oregon, on the 24th. He was 30 years old, a native of Illinois.

The political pot is beginning to boil lively all over the Pacific Coast. Meetings, which are largely attended are being held.

Fire completely destroyed the foundry and machine shops of F. J. Yandle, at Santa Rosa, California, on the 24th. The loss was $6,000.

On Sept. 23d a man named H. Clifton, formerly of Santa Cruz, fell from a wagon and was run over and killed, at the ranch of Jenifer & Barnett, about eight miles west of San Fernando, Cal.

Eli Pelltier, an old resident of Truckee, Nev., and who has been working at Lonkey' mill, a few miles from that town, committed suicide September 23 by shooting himself through the forehead.

At Virginia, Nev., on the 24th, Henry Hopman, a miner, committed suicide by placing a dynamite cartridge in his mouth, and touching it off with a match. The face from the chin upward was entirely blown away. He was a German, 55 years old.

Geo. Anderson, president of the Occidental Packing Company, of Astoria, Oregon, has disappeared, and so has $5,435 of the company's money. It is believed that he lost the money gambling and has gone to Victoria rather than face the disgrace.

Rio Vista, Cal., September 23d: The body of Gus Leaf, found in his scow Tuesday, three miles above here, was buried here yesterday. Judge Ingersol held an inquest. The verdict was that death resulted from paralysis of the brain, from being overheated. He was a fisherman and hunter, 30 years old.

The dead body of W. C. Bryant, a lawyer of San Francisco, was found at Hayward's, Alameda County, on the 24th. He was found in the woods, where he had been hunting, and undoubtedly killed himself by accident, though some are disposed to take a different view because his life was insured.

On September 24th C. W. Bryant, an attorney of San Francisco, while hunting near Hayward's, was accidentally killed. He had a double-barreled muzzle-loading shotgun, and it is supposed that while engaged in loading one barrel the other barrel went off and inflicted the wound that caused death.

At Petaluma, Cal., on Sept. 22d, H. D. Russell's three-year-old son fell into a well at his father's residence. The little fellow was not injured by the fall and managed to support himself for a period of about ten minutes by holding on to the pipe. He was rescued by Frank Butler, who chanced to be in the neighborhood.

At Los Angeles, Sept. 23, A. G. Boynton, who was held on Monday last for the murder of his wife, was examined before Justice Austin for the murder of James B. Kipp. The evidence was the same as at the preceding examination and at the inquest, and Boynton was again held for murder. He showed little interest, and had nothing to say and no questions to ask of the witnesses.

An Italian, who had been laboring in the mines at Cherokee, Butte county, came to Sacramento Wednesday for his health. He hired a room at the Grand Hotel and left the door of the room unlocked. After he woke up next morning he discovered that he had been robbed of a purse which contained $175 and a baggage check. He reported his loss to the police. The $175 was all the money the Italian was possessed of, and besides being sick, he is left in a destitute condition.

Henry Wagner, of San Francisco, has pleaded guilty of forgery. He obtained a letter from the postoffice addressed "Frank H. Weymouth," which contained a draft payable by the Globe National Bank of Boston for $1,000, and was forwarded by H. G. Weymouth, of Boston, to his brother here. Wagner forged the name of Weymouth to the stolen draft and secured the money from a man named Graber. Weymouth is a machinist employed on the steamer *T. C. Walker.*

In the case of Fanny Douglas, of San Francisco, the coroner's jury found that deceased came to her death from septicæmia, "the result of an operation upon herself with an instrument bought of Dr. Dunbar and pills bought by Ralph Bowerman of Dr. Dunbar, and we further find that the antemortem statement said to have been made by deceased and taken by Mrs. Henderson is an attempt to screen some one." In the victim's dying statement to Miss Mitchell she accused Frank Morrison of having been criminally intimate with her at Nevada City, and of being the father of her unborn child.

Every day we have new evidence of the inestimable value of Red Star Cough Cure.

CHICAGO, ROCK ISLAND & PACIFIC R'Y

By reason of its central position, close relation to principal lines East of Chicago and continuous lines at terminal points West, Northwest and Southwest—is the only true middle-link in that transcontinental system which invites and facilitates travel and traffic in either direction between the Atlantic and Pacific.

The Rock Island main line and branches include Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Knoxville, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, St. Joseph, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns and villages.

THE GREAT ROCK ISLAND ROUTE

Guarantees Speed, Comfort and Safety to those who travel over it. Its roadbed is thoroughly ballasted. Its track is of heavy steel. Its bridges are solid structures of stone and iron. Its rolling stock is perfect as human skill can make it. It has all the safety appliances that mechanical genius has invented and experience proved valuable. Its practical operation is conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.

ALL EXPRESS TRAINS between Chicago and the Missouri River consist of comfortable DAY COACHES, magnificent PULLMAN PALACE PARLOR and SLEEPING CARS, elegant DINING CARS providing excellent meals, and between Chicago, St. Joseph, Atchison and Kansas City—restful RECLINING CHAIR CARS.

THE FAMOUS ALBERT LEA ROUTE

Is the direct, favorite line between Chicago and Minneapolis and St. Paul. Over this route solid Fast Express Trains run daily to the summer resorts, picturesque localities and hunting and fishing grounds of Iowa and Minnesota. The rich wheat fields and grazing lands of interior Dakota are reached via Watertown.

A short desirable route, via Seneca and Kankakee, offers superior inducements to travelers between Cincinnati, Indianapolis, Lafayette and Council Bluffs, St. Joseph, Atchison, Leavenworth, Kansas City, Minneapolis, St. Paul and intermediate points.

All classes of patrons, especially families, ladies and children, receive from officials and employes of Rock Island trains protection, respectful courtesy and kindly attention.
