Boston, May II.-Local wool values still tend upward in keeping with the ad-vance in London and the west. Deal-ings in the Boston market are confined to territory but the conditions in the west are closely followed. Fairly heavy receipts of Nevada, Utah and Arizona wools have filled up local bins which, for weeks have been empty of old stock. New Wyoming is held at 23 to 25c., while Utah is quoted at 19625c. Consumers of pulled wool and the for-eign are buying freely: pany has brought suit against Alexan-der and Jane Dunbar and Joseph O Synopsis of the Annual Statement for the Year Ending December 21, 1908, of the Condition of the Young to condemn ground in lots 1 to 8 inclusive of block 81, plat 1, Salt Lake City survey. The property is located near Fourth West and First South ARTFORD FIRE INSURANCE COMPANY streets and the company wants it for Mrs. May Fletcher was appointed guardian of her two children yesterday preparatory to filing suit against the Denver & Rio Grande Western rali-Denver & Rio Grande Western rall-road for \$25,000 damages for the loss of her husband, Herbert W. Fletcher, who was an engineer on the road and was killed at Thistle Junction on Jan, 5, PRODUCE. CHICAGO. Chicago, May 11.-Crop damage re-ports from Kansas prompted active cov-ering by shorts in the wheat pit today resulting in a 1-cent advance during early part of the session. The advance was more noticeable in the face of a decline of %/0% in Liverpool. Prices at the opening were a shade to 1/40% higher, with July at 1.12% to 1.13 and September at 1.05% to 5%. Within the first half hour July had advanced to 1.14% and September to 1.06%. Leading shorts were free buyers of corn early which resulted in an advance of about 16 in the nearby deliveries. July opened ½ lower to ½ higher and ad-vanced to 60. Oats were builishly affected by the strength of wheat and sorn. July opened a shade to ½ higher at 51½ 0% is to 51% and sold up to 51%. Provisions were firm because of buy-ing by commission houses based on heavy shipments of pork and ribs. Prices at the start were 2½ 06 to 7% higher. Wheat-The market was somewhat CHICAGO. Col. Charles Lammersdorf has received the last payment due him on the sale of the Sevier Consolidated mine to the Salt Lake Hardware company. Col. Lammersdorf had the sum of \$41,385.60 placed to his credit as a final payment. Some time this week Col. Lammersdorf will leave for a trip around the world. Five feet of soft carbonate ore that <sup>1</sup> Five feet of soft carbonate ore that averages \$300 a ton is the size of the latest strike in the property of the Iron Canyon Gold Mining company, 11 miles south of Battle Mountain, Nev., according to L. G. Hardy, Jr., who has just returned from the mine. As the strike was made in the tunnel 80 feet below the bottom of the 70 foot shaft, it would indicate that the values are at the end of the year mass, our of the commis-sioner of Insurance. ss. L George B. Squires, Commisioner of Insurance of the state of Utah, do here-by certify that the above named insur-ance company has filed in my office a detailed statement of its condition, from which the foregoing statement has been prepared, and that the said company has in all other respects compiled with the laws of the state relating to insurance. In testimony whereof, I have here-unto set my hand and affixed the seal of the insurance department this joth day of May, A. D. 1902. (Seal) Commissioner. it would indicate that the values are neavy snipments of port and the first.
Prices at the start were 2½@6 to 7½
higher.
Wheat—The market was somewhat nervous during the last half hour of the day but the undertone was strong. The top for July was 1.13½ and for September 1.05%.
The section of the day but the loss was strong with July 15% 0% up at 1.14%; September closs do 13 higher at 1.06½0%.
Corn—Trade was dull the latter part of the day but the tone was firm. The close was strong with July 15% 0% up the tone was firm. The close was strong with July 15% 0% up the tone was firm. The close was strong with July 15% 0% 0%.
