WHOLESALE AND RETAIL.

THE GREATEST WONDER of all is the wondrous low prices we are offering to all visitors during Conference. We will save you from 25 to 40 per cent on every and all orders; the best goods and the lowest wholesale prices; all goods guaranteed; pack and put on cars free of charge. For these busy weeks we have a larger display than ever. We know now, by actual comparison, that the Big Store's display ranks with any in the land. We are, withal, modest enough to concede a few other stores points in excellence, but we excel them all in the price part.
