LOCAL BRIEFS.

Mrs. E. Holman, of Sandy, is erecting a \$1,000 home, constructed of brick and stone trimmings. S. C. Dallas is the architect.

The postoffice was closed today with the exception of the hour it always remains open on the Sabbath day and holidays.

Tommy Steele, the little 8-year-old son of Mr. and Mrs. Lovell R. Steele fell from a swing yesterday at his home on Jefferson avenue, and sustained a very severe broken arm. Dr. Silver attended the little sufferer.

Rev. T. J. Larkin, president of All Hallows college, left for Leavenworth, Kan., yesterday morning, to attend the annual convention of the National Association of Catholic Educators.

In speaking of business conditions in Salt Lake Dunn's Review has the following to say: "Trade is quiet and yet substantial. The array of artists who will furnish the music and the names of those who will speak or present papers, make a sufficient guarantee of the high class nature of this college function, and will, no doubt, insure a large attendance."

The funeral services of the late Elizabeth Simpson Reese, wife of Oscar Reese, will be held from the home of her sister, Mrs. Joseph A. Anderson, No. 254 West Fifth South street, on Friday afternoon, June 1st, at 2 o'clock. Remains can be viewed at her sister's residence on the day of funeral.

The board of education has conveyed to the city two pieces of property, one the old Sixteenth ward school site, and the other located in the Eighth ward, in exchange for which the board gets the site on North Temple street, between East and West Temple.

A tack head was actively at work in the district north of the Eagle Gate and numerous punctures were the result. This was not the only one, however. A young lad, wearing thin soled shoes, stepped on the point of one of the tacks and ran the body of it into the ball of her foot.

Suit was brought in Justice Kroeger's court yesterday by the Salt Lake Infirmary of Osteopathy against James L. and Mrs. Craig for \$65 alleged to be due for "treatment" which defendants received from the infirmary. The court granted the two attorneys until Saturday to file briefs.

The eighth grades of the public schools and the High school will terminate their school year on Friday next. The junior class exercises of the high school will take place at the High school building on Monday evening and the seniors on Tuesday evening. The commencement exercises will occur at the Salt Lake theater Wednesday evening.

The following is from the Denver News: "Attorney F. D. Taggart received a letter yesterday from Capt. E. Taggart, his brother, who is now serving under Gen. Wheaton in the Philippines. The letter says the general has recommended that the young officer be promoted to the full rank of major. Captain Taggart was a first lieutenant in the 8th infantry during the Cuban campaign and fought from Siboney to Santiago, earning by meritorious work the title of captain."

A badly smashed buggy was the result of a runaway on First West yesterday evening. A gentleman who had been driving with his little daughter, home to his residence at the intersection of Center and First West streets and going inside he left his daughter to unhitch. She started to do so by taking off the bridle which was no sooner done than the horse started north at a terrific pace. He turned west at Fifth North and his mad career was brought to a full stop by a tree which threw him and the buggy badly wrecked the buggy. Fortunately no one was hurt, not even the horse.

UNIVERSITY STUDENTS.
Class of '02 Comes Together for the Last Time This Year—A Dance.

The class of '02 of the University gave a reception and dance last night in room 25 of the main building. It was a pleasant affair in every particular and was enjoyed by all present. The decorations were very pretty, consisting of green shrubbery set off with the college and class colors. The crowd danced until midnight. Mr. George Bennett, president of the class, and an able committee, had the affair in charge. Orlo's orchestra furnished the music.

PRESIDENT YOUNG'S BIRTHDAY.

The Sunday school children are especially invited to participate in the anniversary exercises Friday in honor of the birthday of President Brigham Young. From 8 to 9:30 they will bring flowers to decorate the Pioneer monument and afterwards as many as wish are invited to attend the memorial service, which will begin at 10 o'clock in the Tabernacle.

PROGRAM IN THE ASSEMBLY HALL.

L. D. S. College Exercises Tomorrow at 10 a. m.

THE LIST OF GRADUATES.

Leading Singers of the City to Furnish Music—President Snow to Speak—Saltair 2:15 p. m.

The close of the fourteenth academic year of the Latter-day Saints' college will be observed by appropriate exercises in the Assembly Hall tomorrow morning, commencing at 10 o'clock. The general public will be made welcome. The program is very interesting. To all former students of the college, to the friends of the institution, and to the friends of education generally, a cordial invitation is extended by the trustees, the faculty and the members of the graduating classes, to attend the exercises and to witness the graduation of the students who have completed their respective courses.

On account of the college excursion to Saltair on the same afternoon, the exercises in the Assembly Hall are expected to commence promptly at 10 and to conclude by noon. All are cordially urged to come early.

Following is the program for the morning exercises. As will be seen, the meeting will be brief and brilliant and yet substantial. The array of artists who will furnish the music and the names of those who will speak or present papers, make a sufficient guarantee of the high class nature of this college function, and will, no doubt, insure a large attendance.

SALT AIR TOMORROW.

Commencing at 2:15 p. m. tomorrow, trains will run all afternoon and evening to Saltair. This time a special place has been chosen by the students for their field day, and a great time is anticipated. Basket ball and other sports in the pavilion, as well as music and dancing, are the main features of this program.

SUCCESSFUL YEAR.

"The year just closed," said President Paul today, "has been one of the most remarkable in the history of the institution. Many changes have occurred in the past from year to year, but the year now closing presents the most interesting features of rapid changes I have ever beheld in any institution of learning."

Up to midsummer of last year, it was supposed by many that the high school and normal college would be closed, and that the business college only would go on; and there were indications that the latter might become merely a private school. The reorganization which then occurred, through the labors of the trustees and other friends of the institution, reunited and reorganized the departments and the college was opened as usual by September. But changes still went on very rapidly. Of the extent and nature of these changes it may be sufficient merely to say that out of a total regular faculty of seventeen teachers, there have been replaced by others in a single year. Prof. Stephens left in order to go to Europe; Miss Boyer, in order to go East to study; Instructor Douglas, in order to attend to affairs which frequently called him out of town; and Instructor Fairbanks, in order to go on the Academy exploring expedition. Six other teachers also left. But in all these changes, not a single course of study had to be abandoned and no student had to lose a single day of class work. Many readjustments had to be made, and much extra labor by some of the teachers was necessary, but we have come through it all with entire success. The grade and character of the instruction has increased from month to month, till now it is far better than at the beginning of the school year. The enrollment of students has steadily increased until it has reached a total of 556 from September to May—the largest by far in the entire history of the institution. If the special students in the Sunday school teachers' kindergarten training class be included and also the students of the last summer school, the enrollment is brought up to nearly 600.

The changes of the last year were due largely to peculiar conditions, and I do not feel to blame any one in regard to them; the year has been a success, and the year coming year is full of great promise, of which the public will hear later.

"Will the college be in the Templeton next year?" asked the reporter.

"I think not; but we shall soon know."

"When will your announcement be out for next year?"

"The business college circular will appear in ten days, and the complete catalogue, two weeks later."

SALT LAKE STAKE CONFERENCE.

The quarterly conference of this Stake will convene in the Assembly Hall, Salt Lake City, Saturday, June 2nd, at 10 a. m., and 2 p. m.; and on Sunday, June 3rd, at 10 a. m., and on the Tabernacle at 2 p. m.

Sunday, June 3rd, will be fast day, and the reason for the change of date of our conference is to afford the Mutual Improvement association the opportunity of meeting on Sunday, June 10th, in their general conference.

Under these circumstances it will be necessary for the bishops of city wards to administer the sacrament and collect the fast offerings on the evening of June 3rd, and it is expected they will divide the time with the Mutual Improvement associations of the wards.

The regular monthly meeting of the Priesthood of the Stake will convene in the Assembly Hall, Friday, June 1st, at 7 p. m.

Officers and members of the Stake will please govern themselves accordingly.

Yours faithfully,
ANGUS M. CANNON,
JOSEPH E. TAYLOR,
CHARLES W. PENROSE,
Presidents of Stake.
