Tomore The state industrial school has also rected a permanent stand, and on it ibey make a magnificent exhibit of ine work of the boys and girls in me-chanical, carpenter and needle work, and of the fruit and dowers raised at browning the institution

A specially attractive display is that made by the state school for deal and kind, which has also built for a perblind which has also built for a manent exhibit. Like the other insti-tution, it contains exhibits of needle work, but also specimens fract most of the industries, and when the condi-tions under which the work is performed are considered the exhibit ts simply marvelous.

The needle work and lace work ex-hibit is apecially commendable, especially the latter the work of Miss Bird Taylor, and which was awarded the prize of \$25 and the gold medal at Salt Lake. Among those who have also contributed to this department are: Mrs. L. Heath, 76 years of age, Mrs. A. G. Funikner, Mrs. Knauss, Mrs. R. A. Hicks,

STOCK EXHIBIT.

The exhibit of horses, cattle and dogs is indeed complete, and to borrow from the vernacular of a German who from the vernacular of a German who was seen visiting the two former. "Is de bast vat dey ever had." Almost every class of horses and cattle is represented. The number of stalls is entrely inadequate to shelter all that is brought in for exhibition. Many were compelled to take back their ex-hibits for want of room and many are statemed in various places about the blots for want of room and many are stationed in various places about the grounds, tied to wagons, fences or buildings. All in all, the exhibit must be pronounced a credit to Weber rounty, and it is safe to ray is unex-celled anywhere in the state. By far the largest display, of cattle is that of Charles Yan der Viles of this city, who has one hundred and sixty-one head on exhibition, most of which

one head on exhibition, most of which are of the Durham family. The largest exhibit of horses is that

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, how-ever, is so full of danger and suffering that

she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fer. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of Mother's Friend, a scientific liniment for external use only, which toughens and renders pliable all the parts, and

assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety great crisis in perfect safety

and without pain. Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. Address BRADFIELD REGULATOR OD., Atlanta, Os

This morning G. L. Becker, Archie Bigelow, Mat Browning and J. M. Browning of Ogden accompanied the party to Corinne.

The club owns 9,000 acres of fine river bottom marshes and other duck haunts which it has stocked with thousands of ducks that will be slaughtered during the next few days. Boats will be used where the water is deep enough, but in the marshes the hunt-ers will have to use hip rubber boots. Some good fishing lakes are also on the grounds.

BILLY CHARLIE MURDERED.

Indian Murdered by an Unknown White

Man South of Ouray Agency.

Vernal, Uintah Co., Sept., 29.-A Trib-une special says that Billy Charlie, an Indian, was killed, 60 miles south of Ouray Indian agency, by an unknown white man

Ouray Indian agency, by an unknown white man. Sheriff Preece and Deputy O'Donneli left at once for the scene of the trouble. They left Ouray this morning, accom-panied by the two Indians who witnessed the killing. Chief Snavanaw has counseled peace until an investigation has been made by the officers. From the stories told by the Indians the shooting was not justified. Preece and O'Donneli go from here to Thompson's Springs, where they will meet the Grand county officers.

The Fifth ward meetinghouse and amusement hall was the scene last evening of one of the most enjoyable gath-erings of the season, the occasion being a reception and banquet given by the Ogden Tabernacle choir in honor of the presidency of the Weber stake and the Bishops and counselors of the county wards. There were present about 250 guests, who assembled in the meeting. house, which was prettily decorated for the occasion with large bouquets of roses, asters, and other cut flowers. At 8:30 the guests were invited to the ward amusement hall, where, as they entered the doors, they were greeted with sweet strains of music and beheld a beautiful spread. The tables were arranged lengthwise of the spacious hall. They were loaded with all kinds of viands, and were decorated with beautiful cut flowers. The hall was a profusion of

flowers. The hall was a profusion of evergreens, roses, carnations, potted plants, palms and the national colors. President L. W. Shurtliff was master of ceremonies, but Judge H. H. Rolapp was ill and was unable to be present to act as toastmaster, and Charles J. Ross ably filled the position. The program published last evening was carried out. was carried out.

After the banquei the party adjourned to the meetinghouse, where a general handshaking with the stake officials, the bishops of wards and their counselors, together with their wives, took place and short addresses were made by Bishop Wotherspoon, President Middieton, Bishops McQuarrie and Smuin. By that time the hall had been cleared, and all present indulged in a couple of hours of dancing. The affair was a grand success in every respect.

horses with his whip when the train strick him. It was in the deep cut going up "Haight Bench," and the wagon road is also of necessity in a deep cut, the train men very evidently neglected to whistle, or ring a bell for the crossing. The people here would like to know why the th'iroad companies do not place automatic signals at all crossings, or at least at such dangerous crossings as above described. The papers stated some time ago that such a signal is placed at what is called "Death Crossing," at Mur-ray. We make
