

GOVERNOR APPROVES REPORT.

H. H. Thomas Slated for Removal. According to Rumors.

Gov. William Spry placed the report of the special committee, who made the investigation into the management of the State Industrial school, into the

hands of the board of trustees of the institution this morning. He recommended that the report be adopted and left the final decision with the board. In a letter this morning to the members of the special committee, Gov. Spry gave them an honorable "discharge" and thanked them kindly for the fair and impartial manner in which the investigation was conducted. The board will meet Monday when the re-

port will be taken up and discussed. In all probability, the report will be adopted and H. H. Thomas, superintendent, will be asked to resign, according to rumors.

REISER FAMILY REUNION.

Descendants of the late Henry Reiser to the number of 43 gathered on Thurs-

day at Liberty park to celebrate the seventy-eighth anniversary of the birth of their progenitor. A banquet and program illustrative of the life of their ancestor who died five years ago, were features of the occasion. The Reiser family association was organized with Albert S. Reiser, president; H. Alma Reiser, vice president; Lillie J. Reiser, secretary, and Mary Gallagher, Susette R. Leslie and Ar-

nold Reiser, as a committee on an annual reunion.
