IF A BODY MEET A BODY

the result is a collision, whether "coming thro' the rye," or not. Life is full of collisions. We are constantly colliding with somebody or something. It isn't with our neighbors it is with some direful diseases that "knocks us off the track" and perhaps disables us for life. Women especially it seems, have to bear the brunt of more malicious and afflictious than headkind. In all cases of nervousness, bearing down sensations, tenderness, periodical pains, sick headache, congestion, inflammation, or ulceration and all "female weaknesses," Dr. Pierce's Favorite Prescription comes to the rescue of women as no other medicine does. It is the only medicine for women, sold by druggists, under a **positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money paid for it will be refunded. See guarantee on bottle-wrapper.

Copyright, 1890, by World's Dis. Med. Ass'n.

Dr. Pierce's Pellets

regulate and cleanse the liver, stomach and bowels. They are purely vegetable and perfectly harmless. **One a Dose.** Sold by druggists. 25 cents a vial.

BROKEN OUT!

How often do we see this on the faces of children and, also, of people who otherwise are healthy? What causes it? Bad Blood. The thought is terrible; the trouble is worse. No ordinary help can remove it. It requires something unusual. Do not take cheap sarsaparillas or blood purifiers. You must have something that has proven its power in both Europe and America. "General Wheatcroft Nelson, of London, says: "My experience in the English army, as well as in America, convinces me that nothing so thoroughly purifies the blood, or adds to the health, vigor and life, as Dr. Ayer's English Blood Elixir."

This grand Elixir is sold by druggists in all parts of America. It is a good, pure, honest medicine. Try it to-day.

A WEALTHY HEIRESS

Sold by Her Parents When an Infant for the Sum of $50.

CONFLAGRATION OF A CHICAGO PACKING HOUSE.

Indian Depredations.—Judges Confirmed.—Brief Telegrams.

By Telegraph to the NEWS.

SHE IS AN HEIRESS

But Was Sold for $50 when an Infant.

NEW YORK, Sept. 28.—It is probable that the strange history of Mrs. Edward Tyrrell, of Yonkers, would never have been discovered but for the fact that she made application recently to Surrogate Wells, of Queens County, praying for the removal of her guardian, Mrs. Sarah Mott, of Far Rockaway, whom she represented in her application to be her mother. She is the heir to a considerable estate and says that very recently she discovered that Mrs. Mott was not her mother, but that she had been sold to Mrs. Mott by her parents, named Curley, of Peekskill, when but 15 months old, for $50. She wishes her real mother to have charge of the estate.

DISASTROUS FIRE.

Damage to the Extent of $650,000.

CHICAGO, Sept. 28.—The Anglo-American Packing Company's establishment at the stockyards was damaged by fire early this morning to the extent of $650,000. The fire was one of the worst the department ever had to cope with. The alarm was turned in just before 2 o'clock, when the flames were seen in the packing room. When the first engines arrived the room was a mass of flames.

The flames spread to the cooling room, where the carcasses of nearly seven thousand hogs were stored. They burned like oil. Water seemed useless, and twenty engine companies at work made little headway, and more engines were summoned. Two hours after the fire started the roof fell in and the flames seemed to spread more rapidly than ever. The hundred streams of water poured on the fire seemed to have no effect.

About this time the flames reached a lot of saltpetre and the fumes from this stifled the firemen, overcoming several of them. Marshals directed all efforts of their men to preventing a spread of the flames from the Anglo-American plant. Within a short distance of the establishment are several other large packinghouses, and for a time it was feared the flames would communicate to them. The firemen succeeded, however, in controlling it. At 6 o'clock this morning it was seen to be impossible to extinguish the burning pork, and water was thrown on it to keep the fire down as much as possible. It will have to burn out and it possibly will be a day or two before it is entirely extinguished.

Utah Probate Judges Confirmed.

WASHINGTON, Sept. 27.—The Senate confirmed the following nominations: F. Burd Grubb, of New Jersey, minister to Spain; Edwin H. Conger, of Iowa, minister to Brazil; Freemont Wood, United States district attorney for Idaho.

Judges of probate, Utah—Francis L. Daggett, Washington County; Charles Foot, Juab County; Hector W. Haight, Davis County; Charles A. Hermann, Tooele County; Henry Shields, Summit County; —— Watson, Wasatch County; Lewis B. Kinney, Sevier County; Isaac A. Beers, agent at Hooper Valley Indian agency, California.

Indian Depredations in New Mexico.

HILLSBORO, New Mexico, Sept. 27.—Yesterday a Mexican who resides on a ranch two miles northwest of town came in and reported that a band of Indians near his house was rounding up the ponies. Citizens to the number of thirty, and armed, started in pursuit. Up to a late hour no news was received from them. At Hermosa, thirty miles north, signal lights have been seen nightly in the mountains. In the day time the Indians make raids on the valley, kill cattle and run off horses. The troops of the Eleventh infantry are expected here from Ft. Bayard and the troop of cavalry that has been in Chloride where two men were murdered September 17, will arrive this morning, when the forces will consolidate and join in the pursuit. All out door work away from town and at mining camps has been suspended.

BRIEF TELEGRAMS.

The Hague, Sept. 27.—The King of Holland suffered a relapse yesterday. His condition is such that he is unable to sign any documents.

Sydney, N. S. W., Sept. 28.—A crowd of strikers today attacked a number of vans loaded with non-union wool. The police dispersed the mob.

Madrid, Sept. 27.—It is reported that the Spanish government is placing a cordon of troops along the frontier of Portugal in consequence of apprehensions of a revolution in that country.

Vienna, Sept. 28.—One thousand mother-of-pearl buttons of ecu have been locked out, owing to the McKinley bill, which the manufacturers believe threatens to stop the entire trade with America.

Rio Janeiro, Sept. 28.—A decree has been issued by the government authorizing an unlimited issue of currency on a gold basis by national banks. Speculation is greatly increasing.

London, Sept. 28.—The morning service at St. Paul's Cathedral was interrupted by a horrible tragedy. During the services a man named Easton, in the congregation, committed suicide by shooting himself twice.

Paris, Sept. 28.—*Gaulois* says the English Government has purchased a large building at Port Said and is transforming it into a barrack fortress, which will soon be occupied by British troops. This will give England possession of both ends of the Suez canal.

Berlin, September 27. — The Hanover *Courier* says that when Thompson, an official of the British East African Company, took possession of Vitu he tore down and trampled under foot the German flag and gave the natives a portrait of Emperor William to use as a target.

Belgrade, Sept. 28.—While the young King of Servia, accompanied by his father, ex-King Milan, was returning from a drive today, a earth-gw was exploded beneath the carriage. The authorities allege that the explosion was purely accidental. So far as can be learned, no one was injured.

London, Sept. 28.—A crisis is impending in the Scotch iron trade. The masters have given notice to the men of a wholesale lockout on the fourth of October, unless an amicable settlement of the dispute is effected in the meantime, of which there is no prospect at present. The fires in a number of furnaces are already out. The threatened stoppage of production has caused excitement in the iron warrant market.

Primaries for the selection of delegates to said county convention will be held in each ward in the country, at the usual place of holding such meetings therein, on Monday, September 29, 1890, at 8 p. m.

Delegates should receive credentials properly authenticated by the chairman and secretary of the meeting appointing them.

By order of the People's central committee of Salt Lake County.

D. MCKENZIE, Secretary.

There may be persons in this community who are at times troubled with the colic, or subject to attacks of bowel complaint. If so, they should try Chamberlain's Colic, Cholera and Diarrhœa Remedy. It will afford almost immediate relief, and when reduced with water is pleasant to take. If taken as soon as the first indication of the disease is felt it will ward off the attack. Many people use it in this way, and find that it never fails them. A 25 or 50 cent bottle may be obtained from Z. C. M. I. Drug Department.

A Family Jewel.

Dr. David Kennedy, of Rondout, N. Y., the famous Surgeon and Physician, has sent us a copy of his Book, "How to Cure Kidney, Liver and Blood Disorders." It is a work which should be read in every home, for the value of the medical lessons alone. It contains also many life illustrations, and two fascinating stories from the widely known author "Ned Buntline." Any one sending their address with name of this paper to Dr. Kennedy, will receive the Book free by mail.

President Brigham Young's Letters.

It is my intention to compile all my father's letters for publication, and I will be greatly obliged to all those who have such letters if they will kindly forward them to James A. Little, care *Juvenile Instructor Office*, Salt Lake City, that they may be correctly copied. All such letters will be most carefully handled and returned safely to the owners. Respectfully,

d&s JOHN W. YOUNG.

HAPPY RECOVERY.

There is nothing I now enjoy that I do not owe to having used Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y., at a time when I was suffering as I that a human being could suffer. My troubles began in my kidneys, from which I never expected to recover. My physicians said I had

Bright's Disease.

Later I had a bad attack of Gravel. Six years ago last June—how well I remember that day—I saw Dr. Kennedy's Favorite Remedy advertised in our paper. After using three bottles I was well. I have never had a return of the disease, and though I am over sixty years of age, I am vigorous and strong as I was in my prime. What pleases me, and the many remedies I had taken could not do, Dr. Kennedy's Favorite Remedy did; it stayed the disease and made me a well woman.—Mrs. Emiliar T. Musser, Long Hill, Ct.
