WHOLESALE PRODUCE LIST.

Table with 2 columns: Item, Price. Includes items like Wheat, Corn, Flour, etc.

LOCAL AND OTHER MATTERS.

TALK OF THE TOWN.

Last night was very sultry. The minstrels play to-night. Sneak thieves are still prevalent.

F. H. Anderson, Esq., of the Ogden Herald is in the city.

The University commences its academic year this morning.

Two gambling cases have been taken in hand by the police.

The Firemen's Excursion leaves for Cache Valley to-morrow morning.

Most of the district schools and other institutions of learning opened to-day.

The recent storms have damaged the railroad now building through the north.

Quite a number of strangers attended the services at the Tabernacle yesterday.

Twenty-seven deaths, 20 of children and seven of adults, occurred last week in this city.

Senator John Sherman and party passed through Ogden, going east, on Saturday.

The Bishop of the Sixth Ward assisted in the sacrament, yesterday afternoon.

The 10th Ward Sunday School will have an excursion to Black Rock, to-morrow morning.

Lieut. Willard Young and Sisters Young and Ferguson, were delayed one day in starting east. They left yesterday morning.

Secretary J. C. Cutler announces that the Salt Lake Board of Trade will meet in the Council House on Saturday, August 27, 1893, at 11 a.m.

The funeral services over the remains of the little son of Mr. and Mrs. Taylor, of 10th and 1st streets, will be held at the residence of the parents yesterday at 4 p.m.

Four drunks were to-day fined \$5 each; and two cases of assault and battery \$10 each. One deserter and one drunken soldier were turned over to the military.

The 21st Ward Sabbath School and the Primary Association of the same Ward will have an excursion to Black Rock, to-morrow morning. The Sunday School martial band will accompany them.

Henry McEwan, Esq., of the 12th Ward, has produced some extraordinary apples from his young orchard in the south-east of the city. As a baking apple they are unsurpassed.

The popular question, "What shall we do with our boys," has been superseded by the more momentous: "What shall we do with our fruit?" Perhaps the boys have an interest in both answers.

The report is incorrect that malignant diphtheria prevails in the family of Mr. W. G. Newson, of the 11th Ward. He says the house has been thoroughly disinfected and cleaned, and that there is no foundation for the report.

Firemen's Excursion.—Members of the Fire Department going on the Excursion to-morrow, are requested to be at the Hall by six o'clock sharp.

C. H. BANKS, Sec. Com.

The Minstrels.—Haverly's Minstrels, 4 in number, with Emerson and Rice on the extremities, appear at the Theatre for this night only. There's bound to be a jam. Who wants to laugh?

A Word From Eden.—Our old friend and associate, Jas. A. Thompson, Esq., writes from Eden, Ogden Valley, that everything looks favorable for a good harvest. The Edenites have had lately considerable thunder, lightning, and rain storms, and all their grain is still in the fields, but it is thought that in about another week, the threshing machines will be running. The health of the people is remarkably good. James says he is enjoying good health at present, and has plenty of work to keep it up.

Obsequies.—The funeral services over the remains of Sister Betsy Ann Eldridge, wife of President H. S. Eldridge, were held on Saturday afternoon, at the residence of the family in the 13th Ward. The speakers were President Joseph F. Smith, President John Taylor and President George Q. Cannon. The remarks were of a very consolatory and instructive character, and were listened to with deep attention by the large assemblage of relatives and friends of the deceased who were present. The remains were interred in the City Cemetery, being followed thither by an extended cortege.

Salt Lake Bricks.—In our article the other day upon the Salt Lake brick yards, we omitted the name of W. E. Vigil as one of the firm of Simpkins & Vigil. They have made upwards of 1,500,000 to date, and expect to make the count 2,000,000 by the close of the season. They state that while they have large orders yet to fill, they have plenty of brick to fill all that are likely to come, at prices ranging from \$4 to \$10 per thousand, according to quality. Our reporter, it seems, was misinformed in respect to the brick yards. The above firm say that all of the yards could double their production if the market would justify. The brick brought from other markets is used only for frontage, and is procured on account of its color.
