

OUR OWN STATE.

The branch office of the Deseret News in Ogden is at No. 166 Twenty-fourth street. All advertisements and subscriptions will be received. The "News" is delivered by carriers in Ogden every evening on the same terms as in Salt Lake City.

OGDEN NEWS.

OGDEN, UTAH, July 4, 1901.

CRAFTERS COME TO GRIEF

They Rob Returning Volunteers While En Route Home and Attempt to Escape.

Divorce and Other Cases in the District Court—Slight Machines Must Go—Wedding Bells.

Yesterday afternoon a trainload of soldiers came into Ogden, having just been mustered out at the Presidio, San Francisco, and were en route to their homes in various parts of the Eastern states. They report having had a shooting affray at Kelton, while en route to Ogden. According to the report given by them, at San Francisco, two gentlemen boarded the train, being fairly well dressed. During the journey the soldiers had been missing small amounts of money which would usually disappear during the night. Tuesday night one of the soldiers, W. T. Sage, of Fremont, Arkansas, lost all of his wages, amounting to \$213.70. He reported his loss to the other soldiers and immediately an investigation was instituted with a result that the two "grifters" were suspected, but they, upon finding out that their game was being discovered, jumped from the moving train. The soldier of lead after guns and fired at them, but they both fled to the ground, but as the train was stopped the soldiers could not say as to whether they were wounded or killed. Later reports from Kelton were that both men were killed.

IN THE SECOND DISTRICT COURT.

In the matter of the estate of Oscar Williams, petition for summary distribution was granted.

A decree of divorce was granted Bell Mitchell. The default of the defendant, Charles Mitchell, was entered. The plaintiff was also granted \$10 alimony until she marries, or further order of court.

IN THE FIRST DISTRICT COURT.

L. J. Bucher vs John Pignoni: on motion of L. J. Bucher, it was ordered that the judgment herein be entered and execution issued, the fees having been paid.

Frederick Anderson yesterday answered the complaint filed by his wife for a divorce, admitting all the charges excepting the one of adultery, which he denied. He consented to the issuance of the decree, but the court declined to do so, and in his remarks stated that the divorce law was looked upon altogether too lightly, and that he was not to take the regular turn on the calendar.

In the case of Goodwin vs Malone, the court signed an order directing payment of money by Union Pacific Ry. Co. into court instant.

SLOT MACHINES MUST GO.

The order which went out from Mayor Downing through Chief of Police Connelley, that all the owners of slot machines that they must cease running the same, has been violated by several parties, and last evening Thomas Kiche, proprietor of the Twenty-fifth street machine, was released on the charge of violating the ordinance. The police expect to arrest several other parties on the same charge, as a warning that the machines must be done away with. The release was on the promise to appear in police court tomorrow morning to answer to the charge.

WEDDING BELLS.

Marriage licenses were granted to the following couples:

Charles C. Miner, 31, and Mrs. Mary Decker, 29, both of Pocatello, Idaho.

John Williams, 22, and Miss Ethel Clark, 20, both of Ogden.

Miss Lillian Langsdorf, one of Ogden's fair young ladies, possessing many charms and accomplishments, surprised her many friends by announcing her marriage to Fred Whelan, of Morgan Park, Chicago, by Justice Wardleigh. The young lady has been living at Salmon City, Idaho, with her father, Major J. M. Langsdorf, and came to Ogden only about two weeks ago, where she met her intended. It is understood that her parents objected to the marriage, hence the secrecy.

BRIEFS AND PERSONALS.

Judge Parker J. Hall was in Salt Lake yesterday on business.

Postmaster Frank Hall of Pocatello, Idaho, was in Ogden today.

Hon. Joseph Stanford has come to Park City to spend a few days.

Sheriff Layne was in Salt Lake yesterday on business.

Woolen Mills, has returned from a very successful business trip to San Francisco. Mrs. Joseph Perry is visiting with relatives in Salt Lake.

Joseph Sellick of the Oregon Short Line Telegraph office in this city is spending a few days at Springfield with relatives.

Alvin C. Brown returned last evening from a business trip to Salt Lake.

Rev. E. L. Goshen, of the Congregational church, left yesterday on an extended business trip to Chicago, New York and other eastern points of interest.

Miss Theresa Wheeler of Salt Lake is visiting in Ogden, the guest of her sister, Mrs. George W. Larkin Jr.

PROVO.

CLOSE OF B.Y.A. SUMMER SCHOOL.

Many Weddings—Funeral of Mrs. Warner—Iverson Held for Trial.

Special Correspondence.

Provo, Utah, July 4.—The B.Y.A. Young Academy summer school closed yesterday after having completed a very successful session. The school had 161 students enrolled, many of them teachers from all parts of the State and adjoining states and territories. A still greater number would have attended had the school opened about two weeks later, as the district schools had just closed when the summer school commenced, and many of the teachers from attending. This will be remembered next year, and the school will not begin till such a time when all the teachers will have finished their work in the district schools. Those who attended are well pleased

with the course of studies provided, and the instructions given.

The training department, consisting of about twenty-five teachers and ninety children together with Professor Brimhall and Mrs. Lillian B. Cannon, who have had charge of this department, spent yesterday at the Provo Lake resort, closing their work in a very pleasant outing. The day was passed in games, boating, bathing and enjoying a fine picnic.

MANY WEDDINGS.

The following couples were married here yesterday by Rev. H. S. Pyles:

John Jones, 23, and Pearl Meason, 19, both of Lake Shore.

Wm. E. Hardy, 22, of Provo, and Mabel Dean, 19, of Eureka.

M. H. Hurst, 23, and Nettie M. De Graw, 19, both of Eureka.

Olaf H. Anderson, 21, and Effie Miksell, 18, both of Robinson.

A marriage license was issued to Thomas Anderson, 24, of Eureka, and Mary Bunnell, 19, of Vineyard.

Mrs. Nellie Clark and Mr. Joseph M. Brown were married last evening at the residence of the bride by Bishop T. N. Taylor. A large number of relatives and friends witnessed the ceremony and spent a very pleasant evening in the usual wedding festivities. A fine wedding dinner was served. Mr. and Mrs. Brown have many friends in Provo and throughout the state, who will be pleased to learn of their matrimonial venture and will wish them a long and happy life.

FUNERAL OF MRS. LEO WARNER.

There was a large congregation of relatives and friends at the funeral of Mrs. Leo Warner held from the Third ward meeting house yesterday. The following were the speakers: Elder Dominicus Snow, D. J. Williams, Bishop Alex Gillespie, President David John and Apostle Reed Smoot, all speaking words of comfort and consolation to the bereaved husband and relatives. Beautiful vocal selections were rendered by the ward choir and by Bohard and Fyne Bros. quartet.

HELD TO THE DISTRICT COURT.

L. H. E. Iverson, (the name is not Charles Anderson as erroneously published yesterday) was taken to Springfield yesterday to appear before Justice of the Peace for examination on the charge of assault with intent to commit rape. The examination resulted in Iverson being held to await the action of the Fourth district court in \$1,000 bonds, the sum of which he was returned to the county jail.

GARDEN CITY NOTES.

Elders C. E. Fletcher and T. A. Thurman, of the First ward, have returned from a two-year mission to the Eastern states, in good health and spirits.

"Olivette" was presented before a large and appreciative audience last night, by the famous choir, assisted by Mrs. Ida Peterson, Beal. The performance was greatly enjoyed and was an artistic success. Credit is also due to Messrs. Irvine, Jones and Graham, who had the financial management.

Prof. Anderson yesterday answered the complaint filed by his wife for a divorce, admitting all the charges excepting the one of adultery, which he denied. He consented to the issuance of the decree, but the court declined to do so, and in his remarks stated that the divorce law was looked upon altogether too lightly, and that he was not to take the regular turn on the calendar.

In the case of Goodwin vs Malone, the court signed an order directing payment of money by Union Pacific Ry. Co. into court instant.

Eminent Physicians

are eagerly studying the problem of baby food. Dr. E. H. Holt has returned from a visit to leading educational institutions in the East having had a very enjoyable and profitable trip.

Children often cry, not from pain, but from hunger, although fed abundantly. The trouble arises from indigestion; their food is not assimilated, but devours them. A few doses of WHITE'S CREAM VERMIFUGE will destroy the worms, when the children will begin to thrive at once. Price, 25 cents. Z. C. M. I.

BEAVER.

QUARTERLY CONFERENCES.

Demise of Sarah M. Dell—Unfavorable Crop Prospects.

Special Correspondence.

Beaver City, Beaver County, Utah, July 2.—The quarterly conference of the Beaver Stake of Zion was held on the 29th and 30th of June, and an enjoyable and profitable time was had. Apostle George Teasdale was with us, and instructed us in his usual kind, fatherly manner. On Sunday afternoon Elders O. S. Wore, Jr., and Stephen H. Potheringham, both of whom recently returned from missions, spoke to the conference, and although they are young boys their mastery and logical arguments, beset with knowledge of the Gospel, and they give promise of very great usefulness in the future.

At the young people's conference, held on Sunday night, Elder Teasdale gave an interesting and instructive discourse on Chastity and Moral Purity, and attracted the attention of his remarks was remarkable.

DEATH OF MRS. SARAH M. DELL.

Sister Sarah M. Dell died on Friday, June 28th. She was the oldest person in the city, being born in September, 1813, in New England. Sister Dell was one of the very few remaining who were personally acquainted with the Prophet Joseph Smith and who passed through the early scenes of persecution which the Saints suffered. Her

RHEUMATISM.

Rheumatism is due to an excess of acid in the blood. When this escapes through the pores of the skin, as it often does, it produces some form of skin eruption—some itching disease like Eczema or Tetter—but when these little tubes or sweat glands are suddenly closed by exposure to cold and sudden chilling of the body, then the poisons thrown off by the blood find no outlet, settle in membranes, muscles, tissues and nerves. These parts become sore, hot, tender, maddening pains follow in quick succession, the nerves break down and the sufferer is soon reduced to a state of helplessness and misery. This acid poison penetrates the joints and seems to dry out the natural oils, and the legs and arms become so stiff and sore that every movement is attended with excruciating pains.

Liniments, plasters, electricity and baths, while they may give temporary ease, cannot be called cures, for the disease returns with every change of the weather.

S. S. S. cures Rheumatism by working a complete change in the blood; the acids are neutralized, the circulation purified and the rich, healthy blood that is carried to the irritated, aching muscles and joints, soothes and heals them. S. S. S. cures Rheumatism even when inherited or brought on by the excessive use of mercury. Opium, in some form, is the basis of nearly all so-called Rheumatic Cures, which deaden the pain but do not touch the disease and lead to ruinous habits. Alkalies and the potash and mineral remedies so often prescribed, affect the tender lining of the stomach and weaken the digestion, thus adding another burden to the already weak and impoverished blood. S. S. S. contains no mineral or dangerous drug of any kind, but is a simple, vegetable remedy—the most perfect blood purifier known. Send for our book on Rheumatism and write our physicians if you wish any information or advice. We would be glad to mail you a book free; we charge nothing whatever for medical advice.

THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

NO MORE GRAY HAIRS

Albert A. Aal, one of St. Louis' oldest, best known and most prominent and progressive business men, speaks in the highest terms of "DeLacy's French Hair Tonic," the harmless and never failing gray hair restorer.

HERE'S MR. AAL'S UNSOLICITED LETTER:

St. Louis, Mo., Sept. 1st, 1899.

Gentlemen,—I have been so strongly opposed to all kinds of hair preparations that the fact of my sending you this letter unsolicited is a guarantee of the great efficiency of your wonderful remedy.

I have been in business in the city of St. Louis during the past twenty years, and have on various occasions been requested to try certain remedies for my hair. A short time ago my barber remarked that my hair was turning very gray and that my head contained considerable dandruff. He positively asserted that he had an infallible, at the same time a harmless, cure for gray hair and dandruff, and said he would be willing to lose my custom if he could not cure me. I allowed him to make the applications, and was both gratified and astonished at the quick results. I asked him what he had used. He replied: "It was DeLacy's French Hair Tonic and their Shampoo or Scalp Cleaner."

In view of the above facts, I can conscientiously recommend their wonderful preparations to those desiring a harmless hair restorer. I am willing to stake my reputation as to its absolute efficiency. I predict for it the largest sale of any hair preparation on the market, as MERIT WILL ASSERT ITSELF. It's only a question of time.

Gentlemen, I send you this letter with my permission to allow you to use me as reference. I am the first name in the St. Louis City Directory, have been during the past twenty years, consequently am easily located.

With kindest wishes for the future success of your wonderful preparation, I am, very truly,

ALBERT A. AAL.

Of the firm A. A. Aal Clock Company, 515 Locust Street, St. Louis, Mo.

Mr. Aal says he will take pleasure in answering any questions, either at his place of business, 515 Locust street, or any out-of-town inquiries by mail.

"DE LACY'S FRENCH HAIR TONIC" is a scientific and perfectly harmless preparation. It is sold on a positive guarantee to restore gray or faded hair to its natural and original color in from one to three weeks; stops hair falling out in twenty-four to forty-eight hours, and not only removes, but absolutely cures dandruff. \$1.00 bottle.

"DE LACY'S FRENCH SHAMPOO OR SCALP CLEANER" is the most elegant shampoo on the market—leaving the hair soft, silky and glossy, instead of harsh and dry, as most shampoos. It is a great helpmate when used in connection with "DE LACY'S HAIR TONIC." A 50-cent package lasts six months. FOR SALE BY

Z. C. M. I. Drug Co., Ill's Drug Store, Van Dyke's Drug Store, Schramm's Drug Store, Cor. opp. Postoffice, Third South and Main, Third South and Main, Godhe, Pitts Co., and all Drug Stores. By express, prepaid, from the DeLacy Chemical Co., St. Louis, Mo.

funeral was held Sunday afternoon, and

the many who were so inclined by a game of ball.

The committee, consisting of Thomas Barratt, John Tracy, Emily K. Adams and Wm. Grant, deserve credit for the successful management of the affair. A box of Bucklen's Arnica Salve, which cured me sound and well. Sores, Eruptions, Boils, Eczema, Tetter, Salt Rheum, burn, impure blood. Thousands have found in Electric Bitters a grand, blood purifier that absolutely cures these troubles. Satisfaction is guaranteed or money refunded by Z. C. M. I. Drug Dept. Large bottles only 50c.

CROP PROSPECTS UNFAVORABLE.

The favorable prospects which loomed up in the early spring for a bountiful harvest of hay and grain has not been realized so far as the western crop is concerned, as the returns are very light owing to many causes, perhaps the most noticeable is the long spell of cold weather, accompanied with heavy dews, which has retarded the growth of the grain. Small fruits are abundant. Garden truck of all kinds is suffering from the ravages of worms and insects.

Several of the sheep shearers who went into Wyoming to shear, have returned home quite sick with what appears to be typhoid pneumonia, some of the victims are in a critical condition, but hopes are entertained for their recovery.

It Dazzles the World

No Discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption. Its severest tests have been on hopeless victims of Consumption, Pneumonia, Hemorrhage, Pleurisy and Bronchitis, thousands of whom it has restored to perfect health. For Coughs, Colds, Asthma, Croup, Hay Fever, Hoarseness and Whooping Cough it is the quickest, surest cure in the world. It is sold by Z. C. M. I. Drug Dept., who guarantee satisfaction or refund money. Let's bottles 50c and \$1.00. Trial bottles free.

AMERICAN FORK.

OLD FOLKS ENTERTAINED.

Veterans Have a Gala Time at the Utah Lake Resort.

Special Correspondence.

American Fork, Utah, July 3.—The old folks of this place, joined by the veterans of the war, together with a few from the Pleasant Grove and Lehi wards, had their annual outing at the American Fork Lake resort yesterday. There were about 200 veterans present, and quite a large number of younger people gathered with them to do them honor. The time until noon was spent in living over the experiences of the past. At noon a "bounteous repast" was served and commencing at 1 p. m., a very interesting program was carried out, consisting of songs, recitations, incidents of pioneer life, etc.

Notice to Wheelmen.

There's positively no need to endure discomfort by reason of chafing, sunburn, insect stings, sore and perspiring feet or accidental bruises. You forget these troubles in using Bucklen's Arnica Salve. Infallible for Pimples, Blisters, Skin Eruptions and Piles. Sold by Z. C. M. I. Drug Department. 25 cents.

There is no longer an excuse for anyone to endure the torture inflicted by piles when TABLET'S BUCKEYE PILLS QUINTESSENCE will cure them, a remedy so moderate in price and so effective. Price, 50 cents in bottles. Tubes, 75 cents. Z. C. M. I.

RIGBY, IDAHO.

Growth and Development of Town

Founded by Sons of Pioneers.

Special Correspondence.

Rigby, Fremont Co., Idaho, July 1.—About sixteen years ago, the young men, mostly from Willard, a small town located on a large sage brush plain south of Snake River, about fifteen miles from Idaho Falls. With scarcely anything to start with except muscle, brain, and perseverance, they resolved to pitch their tents and locate their future homes and farms. In the end, they succeeded in securing a large tract of land, and their wives and sons and daughters of the pioneers who had helped to redeem the sterile valleys of Utah and with inherent energy and trust in the God of their fathers, they worked at clearing land, building homes, planting trees, making water ditches, etc., until their success attracted others, and today on that plain we find the town of Rigby, about five miles square, one-half of which is cultivated, and which contains nearly a hundred families and over six hundred inhabitants. Among the public buildings today are a large frame school house, which will accommodate 120 pupils, and is still too small. A nice rock meeting house, 58x32 feet, but not yet finished. A large frame building, 60x100 feet, under construction, but at present occupied by the Boston store, Geo. S. Houghton, proprietor, who has been doing a rushing

business here the last two months. Besides this, Mr. William Kimball has a well fitted store of general merchandise. The railway station established here has made this place a central shipping point for several of the surrounding sections. A storekeeper, Chamberlain, who has recently started a shipping business in connection with dealing in hardware, machinery, etc., issued checks for over \$11,000 in less than a month this spring to the growers of this neighborhood.

The Best Liniment for Strains

Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected."

IDAHO.

Weekly Crop and Weather Bulletin.

U. S. Department of Agriculture, Idaho Section, Climate and Crop Bulletin of the Weather Bureau.

Boise, Idaho, July 2, 1901.—The past week was remarkable for exceptionally low temperature, the average for the state having been 8 degrees below the normal. On the 25th showers occurred in the northern and some southern sections. On the morning of the 26th light frost occurred in the elevated districts. Practically no precipitation occurred in the southwestern counties and no appreciable amount has fallen in Ada and Canyon counties since the latter part of May.

CROPS.

Fruit: Correspondents report heavy dropping of fruit, especially apples and peaches. Most of the apples dropping show cooling moth as well as frost injury. In the first brood of codling moth has deserted the apple, and is likely now in the pupa stage.

Spraying for the second brood is advisable in about ten days. As the season advances it has become more apparent that the injury to the prune crop was as serious as stated in the report of the 5th of June. Although the apple was severely injured, it is a cheering fact that a crop, some varieties having withstood the frost remarkably well. The yield of peaches, peaches and apricots will likely be sufficient for home consumption.

Hay and Grain: While hay has extended to all sections, the harvest made more progress in the southwestern counties, where the first cutting of alfalfa is generally in the stack and the second crop is now in the field. In some sections some alfalfa was cut before maturity, with a view to supplying the

OUR NEIGHBORS.

BOISE, IDAHO.

AGAIN ESCAPES THE GALLOWES.

"Diamondfield" Jack Davis Given New Lease of Life.

Special Correspondence.

Boise, Idaho, July 3.—Today was the date set for the execution of the noted "Diamondfield" Jack Davis, who has been sentenced and resented more than any other living man. The state board of pardons today, however, extended the respite granted to "Diamondfield" Jack Davis to July 17, and set the hearing on Davis' appeal for pardon for July 11, when it is expected he will be let off in prison.

The board of pardons commuted the sentence of Bert Beaman, sent from Nox Perce county for cattle stealing. His sentence was five years. The board commuted the sentence of James Cheyne during the Coeur d'Alene riot in April, 1899, was set for hearing on Friday.

Notice to Wheelmen.

There's positively no need to endure discomfort by reason of chafing, sunburn, insect stings, sore and perspiring feet or accidental bruises. You forget these troubles in using Bucklen's Arnica Salve. Infallible for Pimples, Blisters, Skin Eruptions and Piles. Sold by Z. C. M. I. Drug Department. 25 cents.

There is no longer an excuse for anyone to endure the torture inflicted by piles when TABLET'S BUCKEYE PILLS QUINTESSENCE will cure them, a remedy so moderate in price and so effective. Price, 50 cents in bottles. Tubes, 75 cents. Z. C. M. I.

RIGBY, IDAHO.

Growth and Development of Town

Founded by Sons of Pioneers.

Special Correspondence.

Rigby, Fremont Co., Idaho, July 1.—About sixteen years ago, the young men, mostly from Willard, a small town located on a large sage brush plain south of Snake River, about fifteen miles from Idaho Falls. With scarcely anything to start with except muscle, brain, and perseverance, they resolved to pitch their tents and locate their future homes and farms. In the end, they succeeded in securing a large tract of land, and their wives and sons and daughters of the pioneers who had helped to redeem the sterile valleys of Utah and with inherent energy and trust in the God of their fathers, they worked at clearing land, building homes, planting trees, making water ditches, etc., until their success attracted others, and today on that plain we find the town of Rigby, about five miles square, one-half of which is cultivated, and which contains nearly a hundred families and over six hundred inhabitants. Among the public buildings today are a large frame school house, which will accommodate 120 pupils, and is still too small. A nice rock meeting house, 58x32 feet, but not yet finished. A large frame building, 60x100 feet, under construction, but at present occupied by the Boston store, Geo. S. Houghton, proprietor, who has been doing a rushing

immediate necessity for hay. An average yield of timothy and clover is reported but the yield of alfalfa is considered below average. In the mountain districts the wild hay is a good crop. Irrigated grain is making fair progress but "dry farm" crops are in great need of rain.

Vegetables and Melons: Nearly all vegetables that were injured by the freeze of the 5th of June have partly recovered; melon crops, that were replanted, are again promising, though the prospect is for much later than the average maturing. The potato crop that was thought injured beyond recovery is again promising good yields, the vines in many instances showing only slight injury. All of the staple vegetables, such as peas, potatoes, onions and radishes, are in use.

A Poor Millionaire

Lately stored in London because he could not digest his food. Early use of Dr. King's New Life Pills would have saved him. They strengthen the stomach, aid digestion, promote assimilation, improve appetite, and give energy. Money back if not satisfied. Sold by Z. C. M. I. Drug Dept.

Those who live on farms are especially liable to many accidental cuts, burns and bruises which heal rapidly when ELLAARD'S SNOW LINIMENT is applied. Price, 25 and 50 cents. Z. C. M. I.
