

LOCAL AND OTHER MATTERS.

THEATRICAL.—Last night the famous piece known as the "Muleteer of Toledo" went off remarkably well for a first presentation and seemed to give general satisfaction. The song and dance by "Master Williams" was tolerably well received. The performance of "The Wilful Ward" was very satisfactory.

A BIG FIRE.—A fire broke out this afternoon in a large barn in the 7th Ward, the property of Messrs. Homer Brown and Wm. Thorne. The origin of the fire is not positively known, but it is supposed to have been caused by children who were playing. There being no help at hand at the time the fire broke out, it spread with great rapidity, and the building was completely destroyed; and far worse than that, if it be true, as was feared, the two children who started the fire perished in the flames. This is the most melancholy casualty of the kind that has transpired in the Territory.

Since writing the above we have learned that the fears about the two children being burned alive are too true. The remains of one have been recovered. They are the children of Brother Homer Brown.

THE CATECHISM.—A revised and corrected edition of Elder John Jacques' catechism is now in press, and will be issued in a few days. This little work has been well and favorably known for years to the members of the church in Europe, and contains in a condensed and simple form the fundamental principles and doctrines of the faith of the Latter-day Saints. Its style of composition is specially adapted to the comprehension of children, and this edition is issued in response to the frequent call that have been made for it by superintendents of Sunday Schools and Sunday School teachers throughout the Territory, and their orders, if handed in during Conference, or sent by mail can be filled almost immediately.

POLICE.—Patsy Marley, for being drunk, flourishing a revolver and otherwise disturbing the peace, was brought before Justice Clinton this morning and fined \$15.

DISTRICT COURT.—This morning the case of Captain Bates vs. the Union Pacific Railroad Co. was submitted to the jury.

BASE BALL MATCH.—The Ennea Base Ball Club, of this city, and the Corinne Club are to play the third and last game of base ball for the championship of the Territory, on Saturday, the 1st day of August, at Ogden. All are invited to see the sport.

LEO HUDSON, AS MAZEPPA.—Many of the theatre goers of this city will remember the wretched fizzle made here a few months ago, by "Miss Leo Hudson," in "Mazeppa" and other equestrian characters. Her success further West has not been any more brilliant than it was here, judging by the comments of the press. The old Hill News, of last Monday evening, under the heading "Leo Hudson," says: "This equestrian Mazeppa artist, who it will be recollected appeared at Piper's Opera House, Virginia, some five or six months ago, and succeeded admirably in convincing our theatre goers that she had neither talent nor shape, but only a well trained black mare to go on, has been doing the same thing in San Francisco since then. The *Figaro* of Thursday says: 'On Saturday evening Miss Leo Hudson will be the recipient of a complimentary benefit at Maguire's Opera House. Miss Hudson came here during a season of great depression in theatricals, and did not meet with much success. The profession will unite in assisting her to present a great bill.' She created a 'season of great depression' here after the first night, as far as her two weeks engagement was concerned, and presented a 'great bill' to Piper for her salary—that's all. Her style of talent never will win here nor anywhere else on the Pacific coast."

BIG FIRE AT CHEYENNE.—On Saturday last a fire broke out in the store of Pope, Mack & Co., and before it could be extinguished it had destroyed fully one half of the block, which included the stores of J. H. Martin, J. M. Searles, Frank & Appel, two restaurants, J. W. Hiff's meat market and several vacant buildings. The loss is estimated at \$100,000, only a small portion of which is covered by insurance. So says the *Col. Tribune*.

DEER SNOW.—Snow four feet deep on the range, is the report of Captain J. Marshall Paul, of Fairplay, Col., to the *Colorado Tribune* of Friday last.

THE AURORA BOREALIS.—The Pacific Coast and Rocky Mountain papers all contain accounts of the wonderful exhibition of the aurora borealis, or northern lights, which took place last Saturday and Sunday evening; the brilliancy of the display is said to have eclipsed anything of the kind remembered before in the West. It extended over a very large extent of country, and as far east as the Atlantic.

MUSICAL TROUPE.—The latest importation is a musical troupe from sunny Italy. The troupe numbers one, a poor little boy, probably twelve or thirteen years of age, who was appealing to the charity of the passers-by on East Temple St. to-day, by playing for their amusement "Captain Jack" and other classic and popular compositions. In answer to a question from a bystander, in his native tongue, he said he was a native of Italy, and that his father now resides there. How wretched must be such a life! and yet it is the life to which thousands of Italy's children are doomed. If Italian unity, now so much talked of, will effect a beneficial change in the condition of these children, its worth will be as great as any estimate ever placed upon it.

REVOLUTION IN MEDICINE!

THERE is no disease but walkeo's Vinegar Bitters will cure. Their great success in healing all ailments is proving to the world that Doctors are the greatest humbugs of the age. Mr. Walker challenges the medical fraternity to show him a disease for which his BITTERS are not a cure, and if it can be done he stands ready to donate FIVE HUNDRED DOLLARS to any benevolent Institution in the United States to be named by the person who will prove that the above assertion is not true.
