City Council .- The Council met diphtheria prevailing within the city, to advertise in some daily paper such brief sanitary measures as will have a tendency to stay the spread of said diseases. Council adjourned till next Tues-

day evening at 6.30 o'clock.

Home Industry .- Mr. Hyrum B. Clawson, dealer in hides, pelts, &c., whose premises are immediately west of the Council House, has been authorized by the Deseret Tanning and Manufacturing Company to purchase hides for them. The people of this community can readily see that it is to the advantage of all that the exportation of hides from the Territory should be curtailed. Their retention and

manufacture into leather at home is an actual necessity, and therefore those having hides to dispose of should give the home agent the first opportunity of purchasing them.
