FAIR AND CONFERENCE TRAFFIC

The first State fair held in two years, and the semi-annual conference, occurring together the first week in October, assures the influx of an immense throng of people from all parts of the west. The railroads give special rates to cover both events, reaching into all the adjoining states and territories.

Advance inquiries to the railroads and the fair people indicate a record-breaking attendance, and winter shopping, and the ENTERPRISING MERCHANTS of our city should at once lay before their country patrons what they have to offer in the way of bargains.

To reach the people in THEIR HOMES, there is only one medium, and that is the SEMI-WEEKLY NEWS issued every Monday and Thursday. Special rates are accorded regular advertisers in the daily.

During Fair and Conference week, all country subscribers of the "News" are invited to call and receive a FREE COPY of the daily, during their stay in the city, rendering that paper an invaluable advertising medium while the Fair and Conference last.
