

TO THE MERCHANTS OF UTAH!

A. T. GREEN,

Successor to

JAMES LINFORTH,**Commission Merchant,**

3 FRONT STREET, near Market,

SAN FRANCISCO, CAL.

MERCHANDISE and MACHINERY of all descriptions purchased or imported for UTAH TRADERS on the most favorable terms and at lowest current rates.

The near approach of the CENTRAL PACIFIC RAILROAD to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of Foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woolen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper. Making

SAN FRANCISCO

Unquestionably

The Market for Utah!

And ahead of all others in the advantages offered.

Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this city, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business intrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

A. T. GREEN,

No. 3 FRONT STREET, SAN FRANCISCO.

**IRON
WARE**

WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE ST. LOUIS STAMPING COMPANY,

A new line of
TINNED and POLISHED WROUGHT IRON WARE, suitable alike for

**HOUSEHOLD,
MINERS' OR CAMP USE.**

And take pleasure in calling the attention of Stove, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade, but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every housekeeper to see our Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of block tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Tea Kettles, Camp Kettles,
Mess Pans, Dish Pans, Sauce Pans,
Dish Kettles, Fry Pans,
Fadles, Dippers, &c., &c.

We are now preparing a new Catalogue and Price List, and we believe Stove and Hardware Dealers will find it to their interest to send for a copy of each before purchasing elsewhere. Address

(Special to the Deseret Evening News.)

By Telegraph.**GENERAL.**

Washington—The P.O. Department has information of temporary arrangements made by the Vice-President of the U. P. R. R. for carrying the mails between the termini of the Pacific roads. Telegrams from several parties were received to day, offering to contract for the transportation of the mails, one comes from Brigham Young. The propositions are now under consideration with the view to secure the certainty of the service by express, until the completion of the Rail Road. Wells Fargo & Co. are not inclined to continue the mail service much longer.

Philadelphia, 13.—Considerable fighting is going on in the sixteenth Ward. A boy named Henry Perkins was shot in the abdomen by deputy sheriff Joseph Flanagan, and mortally wounded. Flanagan was arrested. In the 20th Ward heavy fighting is reported between the police and the sheriff's officers. The Judges' courts are sitting to grant a writ of habeas corpus in the cases of persons arrested by the sheriff's officers. Both the Democrats and Republicans have committees of lawyers waiting in the court room to defend the clients of their respective parties, applying for a discharge under habeas corpus.

The Oregon legislature has adopted a memorial, asking Congress to subsidize a branch of the Union Pacific Railroad, leaving the main trunk in the neighborhood of Salt Lake, striking across to the Columbia river, thence to Portland, and thence to Puget Sound.

The fires in the Oregon mountains are driving the wild beasts into the valleys, where they are committing depredations on stock and in some instances destroying human life.

Chicago.—The news from Indiana shows Republican gains. In Indianapolis the Republican majority is 1,500. Carter beats Dan Voorhies in the 6th district. Julian was elected in the fourth. Stephenson was elected to Congress in Cincinnati.

The Pennsylvania election returns indicate 6,000 Republican majority in Lancaster county, and a Republican gain of seven hundred in Schuylkill county.

Oxford, Ohio.—The vote is the heaviest ever polled. Vallandigham runs behind the balance of the ticket. The Republican vote is a gain over the vote of 1868.

Pennsylvania.—Townsend, Republican, has been elected in the seventh congressional district; Leonard was re-elected to Congress by 460 majority. The Republican gain is 1,500 over last year. Birks Co. shows Democratic gains thus far.

Columbus City, Ohio, gives 1859 Democratic majority; the Democratic gain is 661 over last year.

Cleveland, Ohio.—In Toledo Ashley's friends fear his defeat. Erie County gave 778 Republican majority. The returns, generally, show Republican gains in Lake County. The Republican majority amounted to 884 in the 3rd district. It is reported that Schemell will surely be elected over Vallandigham.

Philadelphia.—The Republican State Committee claim the city by a majority of from 2,000 to 2,500. Twenty-two towns in Alleghany County show a Republican gain of over 1,000.

Philadelphia 4.—40 counties show a Democratic majority of 4,963; the same counties last year gave a Democratic majority of 10,580. There are twenty-six counties yet to hear from, which last year gave a Republican majority of 6,711. The State will go Republican by eight to nine thousand majority. The Age concedes the State to the Republicans, but thinks the majority will be much lower.—The corrected vote for Major Fox, Democrat, shows a majority of 1,101. A row occurred near the corner of 7th and Chestnut streets at 2 o'clock this morning, during which three policemen shot. Eleven roughs were arrested. The wounded men were severely but not dangerously hurt.

New York, 14.—A Tribune's special, from Congressman McClure, dated one o'clock this morning, states that both Myers and Taylor are elected to Congress, and the State has a Republican majority of 7,000 to 20,000. Both branches of the legislature are Republican.—The Republican gains in the interior, especially in the west, are heavy, claim the State by 2000. Forney telegraphs this morning that the Republicans will elect the Mayor of Philadelphia by 200 majority.

Chicago, 14, 1 a.m.—Pennsylvania has
