### JIM FLYNN OUT IN THE FIRST

Pueblo Fireman No Match at All for Husky Negro.

WALSH AND ATTELL DRAW.

Langford Almost Kills White Man in About Two Minutes of Fierce Fighting.

San Francisco, Cal., Dec. 21.—Sam Langford, the colored middleweight. making his first appearance in a local ring, made good with a vengeance and incidentally made short work of Jim Flynn of Pueblo, Colo. Langford knocked out his man in the first round after two minutes of fighting.

From the outset it was plainly apparent that Flynn did not have a chance Langford lost no time in getting into langford lost no time in getting into action. No sooner had the men shaken hands than the colored Bostonian went after the Pueblo fireman hammer and tongs. He swung a hard right to the body and a moment later scored with his left to the face. He gave Flynn no chance. Flynn rushed to close quarters but found no shelter. Langford followed his advantage by sending his right and left to the body with great force After two minutes of fighting Langford feinted with his right. Like a flash he brought his left flush to the treman's jaw with an impact that was heard all over the house.

Flynn dropped as if hit with a log, his face turned purple and he rolled on his back until the pain from the blow caused him to turn. The count of 10 was tolled of, but Flynn was too far gone to even hear the count. He was insensible for five minutes.

Langford was a 3 to 1 favorite in the betting. action. No sooner had the men shaken

and harder in a very spirited exhibition. The tables were turned, however, in the twelfth round. In this round Walsh batfored his man with rights and lefts to the body and head and Attell was much disturbed when he went to his corner. He fought back vigorously, however, in the three final rounds, but Walsh clearly outfought him. At the end of the fifteenth round Referee King promptly called it a drawp battle. Attell's face was badly disfigured, while the Boston fighter presented practically an unbroken front.

ON THE RACE TRACK.

ON THE RACE TRACK.

Oakland, Cal., Dec. 21.—There were a number of surprises at Emeryville today and favorités fared badly. The longest priced winner of the afternoon was Kelowna, well handled by Gilbert. He won by a neck from Remember. Fulletta was third, while Miss Mazzoni, the favorite was badly outrun. Berry Maid was plunged on in the fifth and appeared to be winning, but Upton grew overconflictent and she was beaten by Voorhees. Jockey Groth was suspended for incompetency. He was on Ocean Shore, which interfered with Berry Maid.

Tawasentha, at 9 to 1, led Native Son home in the second. O. A. Bianchi and Frahk Weir put in claims for Native Son and Bianchi got him for \$1,225.

First race, six furlongs, selling—Beau Man, 110 (Butler), 13 to 5, won: Apto Oro, 165 (Scoville), 4 to 1, second; The Vicar, 102 (F. H. King), 11 to 2, third. Time—1:142-5. Cowen, Pops, Hampton Beauty, Prosper, Michela and Lucky Mate finished as named.

In speaking of Patrolman Lehnhoff's statement, Cooper said: "It's quite possible that Mrs. Lehnhoff had symptoms of cancer, and this undoubtedly caused an incorrect diagnosis, for I feel very confident that neither my medicine nor any medicines on earth would prove effective in a genuine case of cancer of the stomach.

"I often have people tell me that they have been suffering with various organic diseases and that my medicine has restored them to health. I do not argue the point with them, but Cooper's New Discovery only regulates the digestive organs and could have had no effect on such diseases. I therefore effect on such diseases. I therefore know that they have mistaken a bad case of stomach trouble and general run-down condition for the diseases hey describe.

"A run-down, over-worked stomach will put the nervous system on edge in short order, and nervous depression follows. An individual in this condition is very apt to imagine himself afflicted with many grave and complicated diseases when such is not the case."

BIG CHESS GAMES.

Yale and Princeton Defeat Harvard

And Columbia.

New York, Dec. 21.—Yale and Princeton won over Harvard and Columbia in the first round of the seventeenth annual intercolegiate chess tournament which began here today. In each instance the winning scores were 2½ games to 1½. The defeat of H. Blumberg of Columbia, who had a record of eight wins out of nine games in three tournaments at the hands of L. W. Stephens of Princeton, was the sensation of the day. The victory at the top of the board decided the issue in favor of Princeton. Three remaining games of this match were all drawn.

In the match between Yale and Harvard, G. Burgess of Yale won his game at the sixth table and his brother made a draw at the fifth, J. R. Chandler also won for Yale at the last board, and W. W. Parsley scored Harvard's only win, The second round will be played tomorrow with Columbia playing Harvard and Yale facing Princeton. And Columbia.

Hold Meeting and Declare Against Change in Game Laws.

Change in Game Laws.

The differences existing between the various gun clubs and the state fish and game commissioner came to a sort of climax last night when there was a meeting of members of the various duck clubs at which a protest was registered against the proposed changes in the game law, and a committee was appointed to go before the next legislature and fight the proposed changes. The annual report of Commission Cromer was discussed at some length after which decisive action was agreed upon. The committee appointed is composed of the following:

Colin McIntyre of the Rudy Sloughs club as president; John Edwards, Morris club; C. E. Griffin, New State club; H. B. Lyman, Bailey Lake club; Harry Pinch, Duckville club; T. H. Rudy, Harbor club; Fred Mitchell, Utah State club; Mr. Weiderman, Black Sloughs, and W. R. Sibley of the Green River club. The name of Mont Fisher was endorsed as a candidate for fish and game commissioner. commissioner.

In his report Mr. Cromer advocated the abolishment of the duck clubs, claiming that they had taken all the best land to themselves and prevented non-members from shooting ducks. The clubs claim they afford better prrotection to the ducks by feeding and caring for them. ommissioner.

UNCLE SAM'S SUGAR BILL MILLION DOLLARS DAILY

Washington, Dec. 20 .- Figures gathered by the bureau of statistics show that the average American citizen consumes half his own weight in sugar every year and Uncle Sam's sugar bill averages a million dollars a day. The total consumption of sugar in the Unit-

total consumption of sugar in the United States in 1907 as shown by a report issued by the bureau which is the latest year for which statistics are available, reached 7,089,667,975 pounds.

"Calculating this enormous total at an average price of 5½ cents per pound," the report states, "we get a total of \$372,000,000 as its cost to the consumer, or more than a million dollars for each of the 365 days of the year."

The statement shows that 21.3 per cent or 1,511,000,000 pounds of sugar consumption of the country was of home cent or 1,511,000,000 pounds of sugar consumption of the country was of home production; 17.7 per cent, or 1,254,000,000 pounds, was brought from our insular possessions, and the remaining 61 per cent, or 4,367,000,000 came from foreign countries. The United States sugar record for 1907 was unique in that the quantity of that product imported from foreign countries was larger than ever before; the quantity from our island posses-sions was larger than in any previous year; quantity produced at home ex-ceeded that of any other year; the quantity exported was larger than in any year of the past decade, and the per capita consumption was the largest ever recorded, an average of 82.6 pounds for each man, woman and child of continental United States.

The production of beet sugar for the first time exceeded the production of cane sugar, the product of the year being, can sugar, 544,000,000 pounds, while the production of beet sugar was 968,-000,000 pounds

000,000 pounds.

The world's production has practically houbled in the past 20 years, having grown from 17,000,000,000 pounds in 1887 to 32,000,000,000 pounds in 1907, and while the United States consumed about 18 per cent of the total world's production of 1887, it consumed 22 per cent of the greatly increased production. cent of the greatly increased produc-tion of 1907. Beets now supply one-half of the grand total produced, while 20 years ago they supplied but about one-third of the total product.

#### SAN FRANCISCO JEWELER ALMOST KILLED BY THUGS

San Francisco, Dec. 21. Sigmund Hartig, a jeweler of the Mission district, is lying in the hospital with a fractured skull tonight as a result of the attempted robbery of his place of business in broad daylight, the crime being very similar to the gas pipe outrages which terrorized this city two years ago.

which terrorized this city two years ago.

Ago.

Hartig's establishment was entered this afternoon by Louis Schultz, an exconvict, who pretended that he desired to purchase a 50 diamond. When the dealer displayed the gem Schultz attempted to grab it and struck Hartig with a section of gas pipe rolled up in a piece of paper, Hartig say the blow coming and dodged back, but did not entirely avoid the bludgeon, which struck him on the side of the head. He did not lose his hold on the jewel, however, and retained consciousness long enough to give the alarm, which re-

sulted in the capture of his assailant after a short chase. Schultz was released from the Folsom pententiary on Dec. 3. HAMLIN PAINTS, Inc.
