FIVE DOLLARS A BOX. The Price Cut No Figure With Him. I want to say for the benefit of some poor dyspeptic that Stuart's Dyspepsia Tablets will give comfort and a cure every time.

Many of my neighbors have also tried these tablets and found them to be just as represented and Mr. Ellms also wants me to say his name in endorsing Stuart's Dyspepsia Tablets.

I thought I would try a box of Stuart's Dyspepsia Tablets and see if they would make me feel better, never really thinking I had dyspepsia, but after only three or four tablets had been taken all the acid trouble disappeared and then I discovered I had had acid dyspepsia, while the doctors had been treating me for indigestion and bladder trouble and one of them treated me for rheumatism.

My digestion is fine, my complexion clear and I am able to do my work and low spirits are unknown to me. I am so thankful for finding a cure so good and so pleasant to take as Stuart's Dyspepsia Tablets, I am surprised at the change they have made in me.

All druggists sell and recommend Stuart's Dyspepsia Tablets, because they contain only the simple natural digestives, and taken after meals prevent the acidity and cause prompt digestion and assimilation of food.

Physicians everywhere endorse them because they are safe for the child as for the adult; they are invaluable for sour stomach, nervous dyspepsia, heartburn, gas on stomach and bowels, and every form of stomach derangement.

We have seen the frail infant when the faint struggle for existence seemed almost ended, resuscitated and made strong by the use of WHITE'S CREAM VERMIFUGE. Price 25 cents. Z. C. M. I. Drug Dept.
