It is admitted, the attempt to reduce pollution, but that is not enough, and it is expected that the water in general will show even more falling off than

Washington, Oct. 26.—(Continued on inside page.)—Senator William Brewster, of N. H., today warmly endorsed the extension of neutrality to Germany and Turkey, but on a point of detail which, according to tradition, was formerly insisted by the House of the United States and which has not as yet been presented to the Senate committee. The latter subsequently formally pro-
