WOOD'S MOWERS!
Farmers all buy the Wood's Mower, the oldest and most reliable in the market.

L. B. MATTISON.

HOW TO SHORTEN LIFE.
The receipt is simple. You have only to take a violent cold, and neglect it. Abernethy, the great English surgeon, asked a lady who told him she only had a cough: "What would you have? The Plague?" Beware of "only coughs." The worst case can, however be cured by Dr. Wm. Hall's Balsam for the Lungs. In Whooping Cough and Croup it immediately allays irritation, and is sure to prevent a fatal termination of the disease. Sold by all druggists and dealers in medicine.

Dr. Roger's Vegetable Worm Syrup.
Is one of the most pleasant, or palatable preparations for worms we have ever known. It is thoroughly efficacious, and never requires any other medicine to carry it off after using it. Children like it, as though it were honey!
