Tuesday · September 5, 1885 -THE-IDAHO POLITICAL POT.

ELSEWHERE in this issue will be found a preamble and resolutions recently adopted by the Republican Territorial Central committee of Idaho. It will Jesus shall suffer persecution." seen that that party flaunted, through its manipulators, about the political point now operated by republicans in some of the Territories. 'The anti-"Mormon" flag was unfurled to the breeze, and under it they propose to successfully fight the democrats, who manifest a confiding simplicity toward their political opponents that is quite refreshing. By these tactics, feeling confident that the proof to them of the fulfilment hill democrats are too timid to dislodge of divine predictions and that they are them from their anti-"Mormon" intrenchments, they propose to hold ingly "rejoice" and are "exceeding this data is obtained their grasp upon political power in glad,"

Like a great many others who have Idaho. observed the marvelous growth of The "cheek" of the republicans, ex-"Mormonism" in the face of the mobhibited by the manner in which they bings and persecutions and prosecumanipulated this ruse, is only equalled by the combined simplicity and apathy tions to which its adherents have been subjected, the Star writer imagines of the members of the other party. The that some material and worldly former throw a stick of taffy to the inducements must be held out latter in giving the democrats credit for valuable aid in enabling the republican party to attain its present doctrines, but the proof to the cou-

strength. The assistance was ren- trary is easily obtained. The Saluts dered by the destruction of the lever by are as much persecuted at home as which the democrats have neretofore been kept in power-the "Mormon" People are aware of this before they

The Republican Central Committee ought to have gone a trifle further in damning the democrats with faint comfort.

praise. They should have capped the Nor have the "Mornious" anything to gain by inducing people to come here climax by tendering them a vote of or any other purpose than that thanks for accomplishing their own which we have named: quite the redefeat.

But a step as audaclous as that has verse; for ware p ople to come from any other motive facy would be sure to been taken, for the republicans not meet with desuppointment and chagrin only express hypocritical gratitude to and join the ranks of the enemies of democrats for the success of their party in idaho, but, as if to add insult to the Saints, who are already too nuinjury, by an appeal to their antimerous in this region. If the Star pos-"Mormon" prejudices, they call upon sessed any light at all upon this subthem for assistance to perpetuate the ject, as it should do to assume to endemocratic disaster. They want lighten the public, it would not be guilty of making such palpably false them to join hands in the political crusade against the Latassertions, but seck for some other than the flimsy reason which it assigns ter-day Saints, that they may never for the growth of the "Mormons." more be in a position to vote with the Democracy

The fact that the republicans are playing the anti-"Mormon" card solely for their own political advantage is established beyond question. They rake the democratic administration for having removed the corrupt and venial Morgan from the Chief Justiceship simply because he was a republi-

mony with the Legislature. The counsel on the other side of the

question replied to the effect that if the position of Mr. Smith be correct. and the Legislature had such a power as defined by him, it was a rule that could work both ways. For instance, if it applied to Idaho it also applied to Utah. In the latter Territory, the Legislature was composed almost entirely of "Mormons." According to Mr. Smith's logic, that body would mole hills. The half-masting of the have the right to pass an act incorporating a test oath, by which it could not only require the citizen, before allowing him the privilege of voting, to 'swear that he is not a bigamist, polygamist, etc., but that he does belong to an organization that teaches and practices polygamy, etc. This would be merely denving a certain class of the people a to keep up privilege because they failed to come

into harmony with the Legislature. Mr. "Kentucky" Smith promptly re-

the boys prepared as good a place at three of the gloomlest trustees they could in their wagon with flue ever saw in my life. They looked say amination they were found to be paupers, and they were put back on the boughs, willow leaves, etc., and steamship, to be returned in accord-
