WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R'Y

By reason of its central position, close relation to principal lines East of Chicago and continuous lines at terminal points West, Northwest and Southwest—is the only true middle-line in that transcontinental system which invites and facilitates travel and traffic in either direction between the Atlantic and Pacific.

The Rock Island main line and branches include Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, St. Joseph, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns and villages.

THE GREAT ROCK ISLAND ROUTE

Guarantees Speed, Comfort and Safety to those who travel over it. Its roadbed is thoroughly ballasted. Its track is of heavy steel. Its bridges are solid structures of stone and iron. Its rolling stock is perfect as human skill can make it. Its safety appliances, including the electric system, has invited and experience proved valuable. Its practical operation is conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.

ALL EXPRESS TRAINS between Chicago and the Missouri River consist of comfortable DAY COACHES, magnificent PULLMAN PALACE PARLOR and SLEEPING CARS, elegant DINING CARS providing excellent meals, and between Chicago, St. Joseph, Atchison and Kansas City—restful RECLINING CHAIR CARS.

THE FAMOUS ALBERT LEA ROUTE

Is the direct, favorite line between Chicago and Minneapolis and St. Paul. Over this route solid Fast Express Trains run daily to the summer resorts, picturesque localities and hunting and fishing grounds of Iowa and Minnesota. The rich wheat fields of Southern Minnesota and Dakota are reached via Watertown.

A short desirable route, via Seneca and Kankakee, offers superior inducements to travelers between Cincinnati, Indianapolis, Lafayette and Council Bluffs, St. Joseph, Atchison, Leavenworth, Kansas City, Minneapolis, St. Paul and intermediate points.

All classes of patrons, especially families, ladies and children, receive from officials and employes of Rock Island trains protection, respectful courtesy and kindly attention.

EVENING NEWS.

Wednesday, - June 1, 1887.

A MODEL MISSIONARY LETTER.

It is Multum in Parvo.

WHITTIER, Swaine County, N.C., May 20th, 1887.

Editor Deseret News:

That my friends at home may know of my whereabouts and labors in the vineyard, I abridge my experience in the South thus far, and trust it may be of equal interest to all who are interested in the spread of the gospel.

I left my home in Southern Utah on the 10th of June, 1886, and made a safe transit to my appointed field of labor in Carroll and Patrick counties, Virginia. I began my labors in company with Stephen L. Chipman, of American Fork.

In about three weeks I made the acquaintance of the common pest—one of the fruits of Christianity—a mob—truly an element of success. Good friends and overruling Providence prevented an overflow of gall and bitterness, and we were not molested. Subsequently this same combination sent us a petition praying for our departure, that their morality might not suffer. This was supplemented by a bill which they had passed the day previous at a big revival of anti-"Mormon" sham. We exercised Eli's power and vetoed it, and were troubled no more. Though the oft attempted obstruction of our liberties met with no censure from the law of the land, but on the contrary was participated in by its sworn administrators; yet the clouds of divine judgment hovered near and meted out a foretaste of their eternal doom save they repent. Time would fail me to recount instances verifying the oft-repeated though ever-inspiring assurance of Isaiah that no weapon formed against Zion shall prosper.

While laboring in Virginia I had the pleasure of baptizing six persons, and assisting in baptizing two others; not a few in that vicinity in the near future bid fair to link their destiny with the Latter-day Saints.

In February last I met Elder C. Roe, from Garfield County, with whom I labored till the 15th of April, when I was called, in connection with Wm. H. Rich, of Morgan City, to open a field of labor among the eastern band of Cherokee Indians in southwestern North Carolina. Accordingly, on foot and by rail we wended our way to this place, finding a friend in Mr. W. V. Farley, about six miles from Indian headquarters. We visited the chief, who seemed interested in the Gospel, and left him the Book of Mormon to read. From him we learned that his tribe numbers about eleven hundred (not twelve thousand as reported) located principally in this and Jackson County adjoining, within a radius of fifteen miles. Schools are carried on among them by the Quakers, who are agents for the government. Most all of the younger members of the tribe talk good English.

A number of creeds have been connected with them for a long time, principally the Methodists and Baptists, to whom about three-fourths of the Indians have formally joined themselves. Their literature comprises the translation into their language of the New Testament and a few books of the Old Testament. Some of the Indians are quite intelligent; they are law-abiding and inoffensive, but on account of the depredations of the whites in times past, they are shy, suspicious and noncommunicative. They are comparatively free from the social corruptions that have characterized other tribes; on the whole, if the time has arrived, they are in a good state to receive the Gospel.

A thorough canvass among the whites in the neighborhood of the reservation brought us face to face with the most bigoted prejudice imaginable. Truth and reason alike failed, and nothing but calumy and abuse was given in return; they had no use for such people, they had Gospel enough; they knew all about the "golden plates" and would not hear any farther commentary especially from us. The Indian agent posed as a disinterested party, but a meeting among the Indians soon exhibited the cloven foot; he came out in open rebellion. As we wended our way up the river a notice adorned a big tree, which suggested tar and feathers as a remedy to prevent "Mormon" doctrine from spreading up and down the river.

We canvassed the river and found one man on whom Brother Caine's speech had made a good impression. He offered us a house to preach in. We left an appointment and came over to Barker's Creek, where we found quite a number who "belonged to Cesar" that wanted to hear the faith once delivered to the Saints proclaimed. We accordingly held a meeting, which was largely attended. A Baptist preacher who had been boasting to excess was there to clean us up. As he heard the principles of adoption thundered in his ears and the body of Christ, long since depictured in its glorious perfection of parts, with a scriptural block under every assertion, he suddenly darted for the door and disappeared. A committee-man named Brown, who was full of horrible massacres, and whose feelings were hurt over so many wives, abused us awhile, but this only made us more friends whose hospitality we accepted for ten days with a promise to return and fill more appointments.

We now go to hold more meetings among the Lamanites, with the hope that ere long God will turn them from their benighted condition to the Gospel delivered to their forefathers and graft them again into the tame olive tree where they can receive the nourishment so essential to their spiritual life.

Ever praying for the triumph of truth, I remain your brother in the Gospel,
EDWARD H. SNOW.

Editor Deseret News:

The dry, cold and windy weather which we have had for about a month has given way to genial sunshine. Our days are quite warm, though our nights remain cool, and sometimes uncomfortable.

For a few weeks just passed our settlement, and, indeed, judging from the reports of the Bishops at our recent Stake Conference, all the towns and villages in the Stake were troubled with a species of

LUNG FEVER,

which became epidemic among the children. Fortunately the fatal results have been very few through the Stake. One child succumbed to it here. But I believe all have recovered from the disease and the general health of the people is good.

On Monday afternoon Brother James W. B. Keare was leading a stallion when the animal playfully pawed him. As a result, the young man was prostrated for some time and when picked up was unconscious. He was taken into his house and remained insensible for a couple of hours. Several of his front teeth were knocked out of their sockets and his collar bone was dislocated. He is now doing as well as can be expected, and he may console himself with the idea that he had a narrow escape from the jaws of the grim monster.

Presidents Budge and Osmond have just completed

A MISSIONARY TOUR

commencing from Paris and extending through the southern portion of our Stake. They held meetings here on Monday evening and last evening. It would be superfluous to say that we had some excellent counsel, and the people manifested their thirst for righteousness by throwing down the shovel and the hoe in these extra busy days to come and listen to the servants of the Lord. Elders Vincent Pugmire and Andrew Galloway and Bishop Joseph Kimball were also present and delivered addresses during the services.

The brethren expressed themselves as very agreeably suprised in their travels through our settlements to behold the many evidences of improvement, such as the way of new meeting houses, better and more commodious dwellings, better roads, and were especially pleased to see the numerous trees that have been planted and are thriving so well this season.

In all of which our little village deserves and received a snare of the praise.

Respectfully yours,
JOSEPH IRWIN.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
