CHRISTMAS IN THE HOLY LAND

Many Traveled From Europe and America to Celebrate It.

THE CHURCH AT BETHLEHEM

It Was Sirilliantly Siluminated, the Services Being Most Solemn And impressive.

New York, Dec. 26 .- The World prints a cablegram from Bethlehem showing the manner in which Christmas eve and Christmas day were this year celebrated in the Holy Land. According to the dispatch from Bethlehes, the sky was clear, the air chill on the day before Christmas. At an early hour crowds commenced to stream in from Jerusalem and other towns. Many traveled from Europe, some even from America. The European costumes mingling with the bright oriental dresses made the scene varied and vivid with colors, while in the throng were seen many fair faced Bethlehem women. At the Church of the Nativity at Bethlehem, the Latins, the Greeks and the Armenians each have a place of worship, but the ceremonies which attracted the thousands were those at the Catholic church, Throughout the morning church. crowds flocked to the magnificent Church of the Nativity, inclosing the cave, believed by many scholars to be the actual birthplace of Christ. It was brilliantly illuminated. During the af-ternoon a multitude of people crowded the great square fronting the church covering the housetops on every side. The procession then appeared, the patriarchs, escorted by Turkish soldiers preceded by the kawasses, or official guard of the patriarchs and convent, advancing to the church. Following the sacerdotal procession came that of the French consul and his staff in uni-form with an escort of mounted guards, he taking precedent as representing France, the recognized guardian of atholic interests in the Holy Land Following his entry into the church eams the beautiful service of vespers and the benediction. In the evening the church was never without its crowd of worshippers., At 11 o'clock matins were sung and a few minutes before midnight all was hushed. Then on the stroke of the hour the "Gloria" arose-all kneeling in profound adoration, to usher in Christmas morning.

Immediately afterward the patriarchs ascended the high altar and commenced to celebrate high mass. Thenceforward throughout Christmas day every altar in the sacred edifice was occupied by priests saying masses. Many devotees who took their places at 10 o'clock on Christmas evening kept their vigil until 11 o'clock on Christmas day, anxious not to miss one moment of the ceremonies on the site of the birthplace of Christ.
