OGDEN, UTAH, - JUNE 6, 1903.

PUBLIC SCHOOL AFFAIRS.

High School Annex Plans Approved - Supplies Ordered and Teachers Employed.

Weber Stake Academy Field Day - Action for Damages - Serious Accidents - Blaze at Terrace.

The board of education met in regular session last evening and transacted considerable routine business.

The clerk was instructed to order 20,000 tablets to be delivered before the opening of the school in September and the balance needed, 10,000, to be delivered during the school year. The tablets to cost \$33 per thousand.

The superintendent's report showed an average of 3,753 pupils. The clerk reported that all of the teachers employed for next year have signed their contracts, but six among them being A. E. Wilson, principal of the High School and Miss Martha Walker, another High School teacher.

Architect Smith submitted plans for the annex to be built this summer to the High school building, which were approved. The work on the building will be commenced in the near future. Miss Bertha Leasinger and Miss Alice Maguire have been employed as teachers for the coming year. The regular monthly bills and payrolls were allowed and ordered paid.

W. S. ACADEMY FIELD DAY.

Thursday, June 4, was a gala day for the Weber Stake academy. At 9 a. m. 10 or more students left the Union depot in a special train bound for Lagoon, where the field day exercises were held. The program of the day was about as follows: 11 a. m. to 12 p. m., baseball between the faculty and the graduates; 12:30 p. m. to 2:30 p. m., lunch; 2:30 p. m. to 4:30 p. m., baseball between the faculty and the graduates; 4:30 p. m. to 5:30 p. m., field sports; 6 p. m. to 7 p. m., lunch; 7:30 p. m. to 9 p. m., train time, dancing.

The faculty and the graduates, each assisted by a few other good players chosen from the regular team, played a hotly contested game of five innings. At first it seemed that the pedagogues would carry off all honors, but later, either because they did not play so well or because the boys played better, the latter began to "catch up." The final score was 5 to 6.

The match game of the day was called at 3 p. m. and it proved to be the best amateur game ever played on the grounds. Both teams deserve much credit; their playing was excellent. At the end of the last half of the sixth innings, the score was 1 to 1. After that the Academy made five points, making the score 6 to 1 in their favor.

Hemby Bellup proved himself the fastest runner, and came out victorious in high jump, long jump, and discus. Clyde Lindsay and Albert Powell tied in foot racing. Boating, bowling, and dancing occupied the rest of the day's leisure hours.

President L. W. Shurtliff and Dr. and Mrs. Joseph M. Tanner were distinguished participants in the day's enjoyments.

ACTION FOR DAMAGES.

An action for damages has been filed in the second district court by George W. Huff against the Rio Grande Western Railway company to recover \$3,000 damages alleged to be due for personal injuries received while loading cars April 23, 1903, with baled hay in the depot grounds.

SERIOUS ACCIDENTS.

Ezra Harris of Point Lookout, Boxed county, telephoned to Ogden last evening that David Ponds of this city met with a serious accident yesterday afternoon by a load of hay which was sliding overturning, he falling underneath, receiving serious internal injuries. The message stated that if his relatives desired to see him alive they must come immediately.

Word has been received from Pocotello that Joseph Burton, an Ogden boy, 21 years old, was seriously hurt by the cars. While attempting to cross a string of moving freight cars yesterday afternoon, his right foot slipped between the drawhead and the drawhead, and was badly crushed. Dr. H. B. Dean dressed the injured member and started the boy to his home near Ogden. The railroad cutting beneath, receiving serious internal injuries. The message stated that if his relatives desired to see him alive they must come immediately.

BLAZE AT TERRACE.

Terrace, the first division point on the Southern Pacific west of Ogden, was half destroyed by fire yesterday forenoon. The fire started in a rooming house, but just how is not known. The whole north row of buildings was completely consumed, including Penson & Smith's saloon. The railroad cutting beneath, receiving serious internal injuries. The message stated that if his relatives desired to see him alive they must come immediately.

WEDDING PERMITS.

Marriage licenses were granted to the following couples:
James E. Burton, 22, and Miss Jeanne Galt, 22, both of Ogden city.
James M. Ratliff, 43, of Sacramento, Cal., and Mrs. Mamie A. Freusley, 30, of Denver, Colo.

BRIEFS AND PERSONALS.

William Watson, son of Manager John Watson of the Z. C. M. I., has returned from Chicago, where he is taking a course of study in dentistry. At the Grand Opera House next Tuesday and Wednesday evening the Warder company will present the attractive play of "East Lynne."

Mr. and Mrs. H. P. Hillman have returned home from a pleasant California trip. A. J. Green of Blackfoot, Idaho, is in Ogden on business.

Supt. J. S. Noble has returned from court of appeals of Salt Lake division of the Southern Pacific. Glenwood Park opens next Monday evening for the season.

Medesians John Ashby and Harry Gee have returned from Butte, Mont., where they have been visiting friends. An Indian who had gotten some "nervator" caused a general disturbance on Twenty-fifth street last evening. The police were summoned and had a hard task getting him to the police station, where he was looked up for the night.

Judge Marshall was in Ogden yesterday on legal business.

CITY COUNCIL SESSION.

The Logan city council held its regular session Wednesday evening.

W. S. Lamoreaux and others petitioned the council to make the east street pavement only six feet wide.

Samuel Glazer was granted the privilege of moving his saloon license from Logan to Main street, Councilman Benson voting no.

A protest was received from a large number of west center street property owners, objecting to the laying of the pavement on their walks. After some discussion, the matter was referred to the street committee.

An ordinance relating to billiard halls was read and taken under advisement.

Mayor Hansen addressed the council at some length, urging the city to cooperate with the county in promoting a fair and race track. He favored allowing such an enterprise the use of city park for 10 years. The matter was referred to Councilmen Quayle, Baker and Thorsen.

Bids for building the city pipe line were read as follows:

Danielson Mfg. Co., active red pipe, \$18.40; Oregon fir, \$19.25.

J. W. Barrett, native red pipe, \$18.47; Oregon fir, \$18.98; California red wood, \$24.85.

The court was in session as a board of equalization Thursday and Friday and heard a large number of petitions.

EUREKA.

FUNERAL OF YOUNG DE LONG.

Verdict of Coroner's Jury—Death of An Infant.

Special Correspondence.

Eureka, Juab Co., June 5.—A coroner's inquest was held Tuesday night

over the remains of William Emery De Long, the young man who was instantly killed at the Eagle and Blue Bell mine June 2. The jury composed of Gus J. Frank, D. D. Jones, Police Officer J. H. Jones, and the testimony of several witnesses and inspecting the skipway where the accident happened, rendered a verdict that the young man caused his death by having his head crushed between the timbers and the skip. The testimony showed that the men had been repeatedly warned against riding in the skip.

The funeral of the unfortunate lad was held from the L. D. church at 7 o'clock last evening and was conducted by the Rev. J. H. Jones, assisted by several ministers. The remains were taken to Salt Lake on the train this morning where they will be laid in the vault.

Vernon, the infant, child of Mr. and Mrs. William Carter, died from convulsions Tuesday morning.

The remains were taken to Spanish Fork by Undertaker Wallace for burial.

James D. Stach, agent for the Oregon Short Line at this place, has been quite sick this week with pneumonia. Such was the condition of Mrs. S. H. Stach, the wife of the agent, that she was unable to attend to her duties.

A son and heir was born to Mr. and Mrs. Frank Ratto on Tuesday, June 2. The baby daughter arrived at the home of Mr. and Mrs. A. L. Riddow on Saturday last.

MINE ACCIDENTS.

Charles Schilling, while at work in the Centennial-Eureka mine Thursday, had his left hand caught in a piece of machinery and the end of one of his fingers was caught off and the hand severely bruised. Mr. Schilling is very unfortunate, having only just recovered from a broken leg which he received at the Tetra road.

James Goodall, an employee of the Centennial-Eureka mine, had his right eye nearly put out while drilling rock in the mine. The eye was so badly injured that he was unable to see. The injury was so severe he had to be sent to a Salt Lake hospital for treatment.

GRADUATING EXERCISES.

The graduating exercises of the eighth grade of the public schools were held at 8 o'clock on May 31, at the high school building. The exercises were held in the evening. Every number on the program elicited hearty applause and the pupils reflected great credit on their teachers. The exercises were presided over by the principal, C. Woodward. The names of the graduates are: Amy Howard, Kate Mathie, Lottie Hunter, Silvia Bush, Lodi, Guyton, Grace Wakefield and Frank Grange. At the closing exercises a splendid program was rendered, at which the graduates acquitted themselves very creditably. County Supt. Allen assisted by B. F. Lake of Orangeville, conducted the examination, and expressed themselves well pleased with the work done.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Paul, the 16-year-old son of Johnson Mayers, was accidentally shot, but entered the groin and lodged in the fleshy part of the thigh. Dr. Pearson is looking after him, and says the boy is doing all right, but that he is expected, although not out of danger yet.

OUTBREAK OF DIPHTHERIA.

There are reported four cases of diphtheria in Logan, Utah. The ten-year-old son of Mr. and Mrs. Murry Pierce, died on the 3rd inst. from that disease. J. F. Wakefield, the "News" editor, also has a very sick girl with Bright's disease and heart trouble. M. E. Johnson has been quite sick but is getting around again.

The grain, hay and fruit crops promise to give an abundant yield this season. The late cold snap damaged the fruit some, but there is all that some of the trees can hold left.

There is an immense stream of high water running to waste down Huntington creek that ought to be running into a reservoir for the benefit of the Buckhorn flat, that we have hopes of being opened up for settlement before long.
