The right for the Territory is offered for sale.— Printing materials, including presses, types, and paper furnished. From the distance, it will be necessary that the arrangements for delivery either in St. Louis, or at the Bluffs, should be well understood. Court, or other seals engraved, &c. SHINGLES.—I will be much more obliged to any person who buys shingles of me, for the first quality, and they prove bad, to preserve the same bad shingles, and give me notice, so that they may receive good according to contract; than to let such bad shingles be wasted, and then report them bad to the discredit of the shingles; for I have contracted, and pay for the manufacture of shingles of the first quality, and if they prove bad, it is at the expense of the manufacturer,—and I wish the unnecessary manufacture of bad shingles exposed and stopped.
