

"SLY" MARRIAGES AT FARMINGTON.

Salt Lake Parties Who Visited This Famous Gretna Green Yesterday.

READ THE LIST OF LICENSES.

There Will be Many Surprises to Relatives in It—Some Have Been Published but Many Have Not.

Farmington, as a quiet place to get married on the sly, seems to be growing in popularity. Young couples hitherto board the train to Laegon and after adjourning to the county clerk's office return to the resort as husband and wife. A dance or two in the pavilion, and they return to Salt Lake, united in a fashion that only death or divorce can separate. In due season the tidings are broken to friends and relatives, who severely disbelieve, according to circumstances, "How romantic!" or "You foolish children—you ought to be spanked!"

Yesterday the county clerk issued several licenses to Salt Lake parties. In fact, he has been doing so almost daily since the resort season opened. Among those who of their own free will journeyed to Davis county and renounced the single state yesterday were: Ira C. Horton, 40, and Nettie M. Penninger, 22, both of Salt Lake; Andrew S. Anderson, 40, Bingham, and Rebecca H. Wilkinson Salt Lake, 30; William McIntyre, 21, Big Horn, Wyo., and Bessie Butcher, 19, Salt Lake and Lewis D. Mowry, 21, and Jessica E. Jennings, 20, both of San Francisco.

If there is anyone with sporting instincts who wants to make a bet it is a safe proposition, or as the sports editor would put it, "a lead-pipe cinch," that the first that some of the relatives will know of these interesting events will be when they read this story in cold type tonight.

It has been humorously suggested that the Laegon management advertise a matchmaking and honeymoon resort. Execution Agent Bean of the Salt Lake and Ogden is said to be seriously considering the proposition of putting on a private car for the accommodation of bridal parties traveling to Davis county on the afternoon train, the only drawback to the scheme being that the contracting parties who journey to Farmington generally go there to avoid publicity.

A glance over the records of the clerk of Davis county yesterday disclosed that several Salt Lake parties heretofore believed to be single have entered the marriage state, and become double during the past three months. While most of them have been "smoked out" and have broken the news gently to friends and relatives, there are still a considerable number remaining who have made no announcement of their marriage. The following list is jotted down at random, includes both classes:

William H. Cope, 44, Salt Lake, and Nettie E. Tullidge, 21, Salt Lake, and James Long, 48, Kimberly, and Annie M. Synnogaard, 23, Kimberly, Aug. 1. Judson O. Fowler, 21, Salt Lake, and Harriet M. Miles, 21, Salt Lake, July 19.

MILITARY Y. M. C. A. WORK.

New York and Salt Lake Secretaries Go To Fort Douglas Concerning It.

J. S. Titchner, one of the military and naval secretaries of the Y. M. C. A. was in town this week from New York, and visited Fort Douglas with Secy. O. L. Cox of the Salt Lake Y. M. C. A. They had quite a conference with Col. Lockwood, the officer commanding the garrison, who received them very pleasantly and promised to extend every aid possible in furtherance of the association work at this post. However, it was agreed that no active measures could be taken until the completion of the new building in this city, and the reorganization of the association here. Then a Fort Douglas branch will be started and developed. Mr. Titchner was formerly secretary of the naval branch of the Y. M. C. A. in Brooklyn, which is located in the 100,000 building put up by Helen Gould. Mr. Cox believes that the association work can be made highly successful among the troops at Fort Douglas.

FROM THE FAIR.

Jerrold R. Letcher Says It Was Great And That He Did Not Talk Politics.

Jerrold R. Letcher returned this morning from his trip to the world's fair and his old home in Missouri. He enjoyed the exposition immensely and declares it is great. The Utah exhibit, he says, is excellent, but the small building is somewhat of a drawback. Mr. Letcher visited his old college town and had what he calls an ideal vacation; not once he affirms, did he discuss politics.

Anxious About the Russia.

St. Petersburg, Aug. 17.—The admiral is beginning to manifest nervousness at the fate of the Russia and Gromopol, of the Vladivostok squadron, which have not been reported since the engagement of Sunday last with the Japanese squadron in the Straits of Korea.

September Wheat.

Minneapolis, Aug. 17.—September wheat today touched \$1.12. It was a wild and nervous market, whose changes were as rapid as to baffles many of the traders. The advance was based on rumors in Liverpool and Paris and scattered reports of rain in the northwest.

AFTERNOON CALL.

A slight improvement over the morning call was noticeable. The sales were somewhat heavier and prices firmer; 50 Silver King sold at 44, which is \$5 under the last recorded sale. The afternoon sales were as follows:

All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them. They litter the whole system. Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.

"I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared." Msa. Ira O. Boers, Runford Falls, Me.

Hood's Sarsaparilla promises to cure and keeps the promise.

FRAUD ALLEGED IN SIMON ESTATE.

Claflin & Company Ask That It Be Re-opened and Probated Anew.

SAYS WIDOW SWORE FALSELY

Says That in Inventory No Mention Was Made of Valuable Property Owned in Idaho—Sensation.

The H. B. Claflin company today filed a petition in the probate division of the district court, asking that the estate of Fred Simon, deceased, be reopened and that the Utah Savings & Trust company be appointed as administrator with the will annexed. The petition alleges that Theresa Simon, the executrix of the estate, falsely and fraudulently represented to the court that the value of her husband's estate was only \$245.50, when in fact it was valued at more than \$25,000.

It is claimed that in the inventory of the estate no mention was made of 9,333 shares of stock in the Boise Valley Ranch company, which were held in trust by M. A. Hughes for deceased and which were valued at more than \$25,000. The petitioner is a creditor of said estate in the sum of \$17,590.43, and it claims that when the estate was probated before no notice to creditors was ever published as required by law. The deceased died in this city on May 10, 1899, and was a prominent and active business man. He was at one time president of the chamber of commerce, and was a highly respected citizen. The filing of the complaint in question created considerable of a sensation in court circles, and will be received with no little surprise among business men.

Two divorces were granted by Judge Hall today and in both cases the plaintiffs were men. Thomas K. Carline was granted a divorce from Sarah Carline on the ground of desertion. Frank L. Kaiser was granted a divorce from Anna Kaiser on the same ground in the other case. They were married at Sedalia, Mo., on March 7, 1897.

COURT NOTES.

A suit to foreclose a mortgage was filed in the district court today by the First National bank of St. Mary, against Elizabeth Livingston. The mortgage involves part of lot 8, block 62, plat B, and was given to secure the payment of a promissory note for \$3,000. Judgment is asked for the full amount of the note with interest from March 15, 1904 at 5 per cent and also for \$150 as attorney's fees.

In the answer filed in the district court by Nathan Rosenberg, against Nellie P. Paulson asks judgment for \$241.50. He claims that the money sought to be recovered was received by him on a lottery ticket purchased by Paulson through him. It is alleged by defendant that the transaction was a gambling proposition and hence illegal. He therefore asks that plaintiff's complaint be dismissed and that he recover the costs in the action.

A. C. NELSON, Chairman State Board of Education. J. T. KINGSBURY, Secretary.

POLITICAL POINTERS.

The Republican city committee has selected Sept. 22 as the date of holding the convention which is to nominate two candidates for city judgeships, a justice of the peace and a constable. The city delegates to the county convention will be the city convention and it will be held immediately after the county officers are named. The temporary officers will be Ralph Guthrie, chairman, and Parley White, secretary.

The name of Judge James A. Miner is likely to be put upon the Republican electoral ticket. There is considerable talk in that direction today.

Among recent callers at Gov. Wells' headquarters in the Atlas block were Rudolph Kuchler, Stanley Johnson and C. R. Hollingsworth of Ogden, and Walter James of Millard county. All are delegates to the state convention and are expected to support the governor "tooth-and-toe-nail" for re-nomination.

The announcement is authorized that Judge Jacob Johnson of Spring City will be a candidate for attorney-general on the Republican ticket.

There will be a pretty contest, from present appearances, for the Republican nomination for the supreme bench. It is between D. N. Straup and C. S. Zane, to date but the other candidates are likely to obtain a considerable following before the convention. Mr. Straup is supported by the firm of Powers, Straup and Lippman, has an army of friends working in his behalf. They put forth the argument that while Judge Zane's ability is unquestioned, it is quite desirable to recognize the legal record of a younger man. Judges Frick and Agee are also going into the race.

The Republican contest for the two city judgeships is still an absorbing topic around the Young Men's Republican club rooms. The principal contestants are Diehl, Van Peck, F. W. Bonam, Whitaker and Botkin and they all have friends who promised to make the "hub fly."

The Republicans of Kane county have put up the following ticket: Representative Charles W. Carroll, clerk and recorder, J. G. Spencer, attorney, H. S. Cutler, treasurer, W. B. Cutler, assessor, A. W. Little, Sheriff, James Swapp, superintendent of schools, Liddie Roubly, surveyor, T. L. Porter, county commissioner, George Carroll (long term), John C. Smith, delegates to state convention, Charles W. Carroll, A. G. Fiedler and Will Smith.

The Republican convention of Sanpete county nominated Abram Johnson by acclamation for the legislature and

after rather a warm contest. N. C. Christensen of Stearns is his running mate. The convention also declared for A. C. Nelson for a second term as superintendent of public instruction.

The Utah County Democrats want James C. Leary to succeed Frank J. Cannon as Democratic state chairman, and the same is regarding that Senator Cannon stands firmly upon his decision not to accept the place a second time.

Joseph A. Beane, editor of the Goshen, Ind., Democrat, is in the city. He declares that Chairman Taggart will carry Indiana for Parker as surely as the axles are made.

A Mr. McCanning of Missouri, Mont., now in this city, expresses the belief that his state will go Republican at the coming election.

The friends of County Attorney Whitaker, who is a Republican candidate for the office of judge of the city court to succeed Judge Tanner, are very well pleased with his candidacy, and feel confident that he will secure the nomination. Mr. Whitaker is a Utah boy and has been very successful in the practice of his profession and also in public office. He having been first assistant county attorney for nearly two years, when he was appointed as county attorney to succeed George Westervelt, resigned.

The Cutler men feel well satisfied today with the delegates from Sevier, who were elected on the 15th inst. Of the fourteen delegates, several are known to be Cutler men, and the fact that Col. John Meteer, Gov. Wells' manager, is not one of the delegates, they say, looks good to them.

Attorney D. N. Straup went to Mant today to mix with the Black Hawk public stock. His trip will combine business and politics, for he anticipates a strong following from the south when the Republican convention comes to Mant the next summer. He is said to have the undivided support of the Kearns forces.

LATE LOCALS.

Harold Carter, formerly of England, was admitted to citizenship today by Judge Hall.

Miss Martha M. 17th is building a \$2,000 cottage on Fourteenth South and Third East streets.

The state board of corrections is holding its regular monthly meeting today at the state prison.

Today's local bank clearings amounted to \$512,229.91 as against \$465,158.05 for the corresponding day of last year.

Dean Eddie of St. Mark's cathedral will officiate at the funeral of Col. W. L. Little daughter this afternoon. Contractor P. J. Moran is doing some extensive patch work on the State street asphalt pavement.

A meeting of the ward officers of the Y. L. M. I. A. of the Pioneer stake will be held at the home of Basie Heath, 705 3rd Main street, Monday, Aug. 22, 1904, at 7:30 p. m. A full attendance is desired.

MARY ST. SMITH, MARY A. TUDENHAM, CATHERINE WELLS.

The humid conditions of the local atmosphere "continue" with unabated fury. The record this morning was 59 per cent, whereas the average for the month, according to past records, is 37 per cent. "Get a state of things" which will continue until a high barometric pressure sweeps in from the coast.

It will be of interest to many Utah persons to know that the fifth annual reunion of the Chase-Chease Family association will be held at Hotel Lenox, Boston, Mass., Sept. 1, 1904, at 10 a. m. An interesting and entertaining literary and musical program is in preparation, and all persons of Chase-Chease name or lineage are cordially invited to be present.

A quiet home wedding took place last evening at the home of Mr. and Mrs. Edwin D. Treman, 351 street, the contracting parties being Mr. Raymond Garrett Andrews of this city, and Miss Maude Bailey of Redfield, Ia. Rev. D. M. Helms, of 11th M. E. church officiating. The guests present were Mr. and Mrs. A. G. Andrews, Mr. and Mrs. J. J. Treman, Mr. and Mrs. E. D. Treman, Miss Mabel Bailey and Margaret Andrews, and Messrs. E. Benton Andrews, Carl F. Bailey, Morris Andrews and George F. Niles. The bride, accompanied by her brother and sister, reached the city via the Denver & Rio Grande early yesterday morning.
