BASKETBALL LEAGUE IN UTAH COUNTY

Schools are entered in the organization—Schedule of Games Made—Up—Silver Cup for Prize.

(Special to The News.)

Provo, Nov. 22.—At a meeting held here, the organization of the Utah county basketball league was completed with six teams in the league. The teams and the schools they represent are as follows: Melvin Williams, principal, Wingate; J. C. Banks, principal, American Fork; J. C. Banks, principal, American Fork; J. C. Banks, principal, American Fork; J. C. Banks, principal, American Fork; J. C. Banks, principal, American Fork.

CASUALTY RECORD ON THE GRIDIRON

New York, Nov. 22.—The casualty record for football this season includes 26 deaths and 60 players injured, with the Thanksgiving day games yet to be accounted for. Of the 26 dead, 30 were college players, nine were high school players, and seven belonged to teams not affiliated with schools, according to statistics published here. The same ratio applies to the injured. Last year only 13 were recorded as killed in playing the game and in 1907, there were 7. Eighty-four were injured in 1908 and 122 in 1907.

GRANITE ELEVEN OFF FOR MONTANA

The Granite high school football team left at 2:30 this afternoon for the short line for Butte where the team plays the heavy Butte high school warriors on Thanksgiving day. Although the Butte team is from 20 pounds heavier than the Granite team per man, the Granite boys are full of confidence and expect to bring back the Butte scalps.

CLUB IS FORMED: DOWNING IS MANAGER

A new athletic club, to be known as the Manhattan club, has been formed and quarters have been secured on First South and Main streets, the rooms formerly occupied by the M. C. A. Hardy Downing, the popular bicycle rider, is to be manager of the club, and has arranged for a program to be given Nov. 24. The proceeds of the first attraction will go to the family of the late Officer C. C. Riley, who was murdered by highwaymen about a month ago.

SALT LAKE HIGH READY FOR OGDEN

The Salt Lake high school football team is getting into line shape for the game at Ogden Thanksgiving day against the Ogden high. The local boys are not holding Ogden cheaply and Coach Conville expects to win the game. While he expects to win he does not look for a walkaway and is anxious to have every member of the team in very best possible physical condition. Wilkinson and Cahoon will no doubt be seen in the line-up, and it is most likely that Galtcher and Northman will also play, although the latter may not be in the second half, and if not his place will be taken by Goode. A large number of rooters will accompany the Red and Black to the Junction city.

ORAL BETTING CAUSES ARRESTS

Oakland, Cal., Nov. 22.—The first arrests in connection with the enforcement of the anti-betting law were made at the Emeryville race track today when E. T. Martin, a bookmaker, and Charles Brown, a clerk, were taken into custody after they had orally arranged a \$25 wager with a representative of the district attorney's office. It being alleged that money actually changed hands.

THE RESULTS

First race, five furlongs—Hex 112 (Mentor), 7 to 2; won; Prince Winter, 112 (Denny), 7 to 2; second; Dr. Doughty, 112 (Callaghan), 4 to 1; third; time, 1:30.25. Hefflin, Mrs. Dot. Clara, Sal. Sully and Tibbal finished as named.

SIR THOMAS TALKS OF "LIFTING" CUP

Quinetown, Nov. 22.—When the Lashans arrived this morning Sir Thomas Lipton was pleased to talk about "lifting" the American's cup. He says he will build two boats, with five the principal designer. The Shamrock IV will be a 10-footer, with about the same sail area as previous challengers, modeled according to the conditions of the universal rule, and the challenge to be sent in March, next.

SMALL CAR MAKES A REMARKABLE RUN

(Special Correspondence.)

Atlanta, Ga., Nov. 18.—What is regarded as the most remarkable hill climbing feat ever accomplished by an automobile was the run up Stone mountain, near Atlanta, Ga., on Nov. 11. The car with which this seemingly impossible feat was accomplished was a 12-horsepower Maxwell, the same which only a few days previous had won the principal trophy in the New York-Atlanta road race. The car was driven by the Savannah-Atlanta endurance run with a perfect road score. To give the reader an idea of the difficulty of this climb it is only necessary to say that Stone mountain is fully 1,800 feet above sea level, that the summit has never been reached by any sort of conveyance, and that the ascent is so steep that even pedestrians have to take off their shoes in order to gain a fairly safe foothold. The sturdy little Maxwell scaled the mountain entirely under its own power, without any special preparation other than the provision of air pressure by means of which the gasoline was forced to the motor. The start from Atlanta was made about 1 o'clock and the ascent itself was made in 40 minutes. In order to forestall any controversies of the Cook-Perry order, C. K. Kelsey, the originator of the run, left the machine on the summit, where more than 600 people viewed it during the next day.

BROTHER OF ABE HAS CHANCE TONIGHT

Los Angeles, Nov. 22.—Danny Webster and Monte Attell rested today for their match Tuesday night at McCarty's pavilion for the bantam championship. Webster defeated Attell in their previous meeting at 10 rounds, but is not called the champion because the general public has the idea that a championship cannot pass unless a referee gives a decision, although no such rule exists. Webster won the battle, but it was not in so decisive a manner as to make another meeting between them unnecessary. The bout, however, was such a good one in every way that the local boys thought would come the boys and again and the night Tuesday night will give them the opportunity.

PUNCHING INSTEAD OF WRESTLING MATCH

New York, Nov. 22.—Disqualification of both principals by referee Tom Dennis, followed by police interference when the grapplers desired to continue, brought to an inglorious end the Con O'Kelly "condemned" wrestling match tonight at the Grand Central palace. The match was a squared-circle bout, rather than a free affair. Both contenders used fighting tactics, and all wrestling rules were violated.

FORCED INTO EXILE

Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air he thought would cure his frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infants for Coughs and Colds. Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup, Whooping Cough, 50c and \$1.00, trial bottle free, guaranteed by Z. C. M. I. Drug Store, 112-114 Main St., Salt Lake City.

THANKSGIVING HIGH SCHOOL FOOTBALL EXCURSION TO OGDEN VIA BAMBERGER LINE

\$1.00 round trip. Special train leaves Salt Lake 9:00 a. m. Leave Ogden returning 11:30 p. m. after theater. Also Thanksgiving rate on sale November 24th and 25th, one fare for round trip, and \$1.00 to Ogden good until 25th for return.

NO SOLUTION AS TO SPIKE PROBLEM

President Heydler of National League Says Joint Commission Will Consider the Matter.

SCHWEITZER OUT OF THANKSGIVING GAME

Though it is claimed that he is up in all his wits and clearly comes within the eligibility rules, Schweitzer, the crack half of the U. of U. football team, has again been ousted by the faculty and will not be permitted to play in the closing game of the season against the Aggies. As he will be unable to play because of a badly injured knee, the ousting of Schweitzer comes as a body blow to Coach Maddock's team and the students and friends of Schweitzer feel pretty sore at the faculty and declare that the action is the result of prejudice, the faculty barring him is absolutely unjustified.

SPECIAL FOR GAME

The Salt Lake & Ogden railroad will handle the high school excursion on Thanksgiving day on the occasion of the Salt Lake-Ogden football game with a special train in both directions. The special will leave the Bambergers' depot Thursday morning at 9 o'clock, and the returning train will leave Ogden at 11:30 p. m.

NOMINATIONS FOR ENGLISH EVENTS

New York, Nov. 22.—American nominations for English turf returns for the year 1912 have been made by many representative owners. In the 2,000 guinea stake, August Belmont, William Astor, Charles Willard, Hall Walker and Charles Carroll have each entered two horses. Richard Croker has entered two and Harry Payne Whitney four. For the 1,000 guinea, which is a filly stake, Morris Belmont, Carroll, Chandler and Croker have each entered one candidate, and Mr. Whitney four.

SULLIVAN RUNS HIS LAST RACE

New York, Nov. 22.—James P. Sullivan, who won the first mile race at the Olympic games in London, and who is one of the fastest distance runners in this country, has probably run his last race. In the third mile race at the Canadian championships in Montreal last September, Sullivan turned his ankle and strained a tendon. The injury has been getting worse and now he is in Bellevue hospital undergoing treatment. The doctors say he will not be able to run again.

SPRING TRAINING OF DETROIT TEAM

Detroit, Mich., Nov. 22.—President Hamlin announced yesterday the spring training schedule of the Detroit American league team. The strong players will be evenly divided between the two teams. Manager Hugh Bennett has already probably picked the other. The whole team will leave for San Antonio, the next week in March and will start north April 1.

SUTTON A WINNER

New York, Nov. 22.—In the opening game of the international series for the professional 182 ball line billiard championship of the world, played in Madison Square, tonight, Melvin Sheppard, George Honnig and Harvey Cohen, he broke the four-mile relay race record.

TIFT DEFEATED

Washington, Nov. 22.—Senator Jonathan Tift of Oregon took the measure of President Tift today in a golf match on the Chevy Chase club links, defeating him 12 holes by one stroke. Both played a strong game, although the exact score was not given out.

HAD HUNDREDS BUT BEGGED FOR A MEAL

La Crosse, Wis., Nov. 22.—Taken to police headquarters after he had begged for a meal at the back door of a restaurant, a well-dressed stranger giving the name of Albert Young, which the police believe is an alias, was found to have \$200 in bills in an inside pocket when searched.

LEFT HER JEWEL BAG

New York, Nov. 22.—Soon after Mrs. John Groves of Kansas City had sailed for Europe, a bag containing more than \$10,000 worth of jewels was found in the room she had occupied in the St. Regis hotel. Mrs. Groves was not informed by wireless and she promptly instructed the St. Regis management to forward the jewels to a Mrs. Perre at the Vendome hotel, Boston. This was done and a few days ago, when the Vendome management informed the St. Regis that no one had called for the valuable package, the jewels were sent back to this city and now the St. Regis is trying to find Mrs. Groves.

Oh, for the Boon of Perfect Health

So sighs the anæmic, sickly maiden, the victim of a dozen ills, that rack her body and destroy her beauty. The factory girl, the toiler, the waiting maid, the pampered daughter of a captain of industry, are alike in that they all suffer from disorders that rob them of their energy, their spirits, their animation, and make of them poor, despondent sufferers. What's to be done? Is there no remedy? Sure. And it is within the reach of all.

BEECHAM'S PILLS

will restore your health by relieving your body of the cause of your illness, by regulating the secretions, toning the system, cleansing your bowels, strengthening your stomach. They will banish indigestion and biliousness, give you healthy blood and steady nerves, clear complexion and full cheeks. With such an endowment, you need not despair of finding the true happiness for which every woman aspires.

Cheer up. Beecham's Pills

Will Bring Health and Happiness

Every woman who values good health should read special instructions with every box of our pills.

Sold everywhere, with full directions, in boxes, 10c, 25c.
