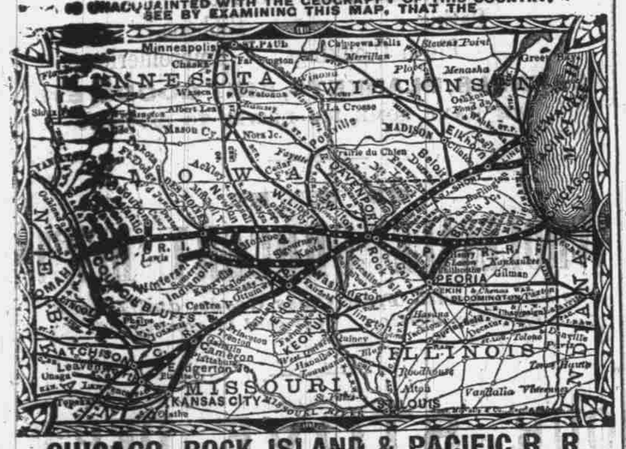
MAN

OUGHT ACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WE SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, Wilton, Cleary, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic, and Avoca; with branches from Bureau to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Winterset, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Monroe; Des Moines to Indianola and Winterset; Atlantic to Lewis and Anderson; and Wyoming to Marion. This is positively the only Railroad, which owns, and operates a through line from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Cars attached, are run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we are pleased to announce that this Company runs Pullman *Palace Sleeping Cars* for sleeping purposes, and *Palace Dining Cars* for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

AYER'S CHERRY PECTORAL,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma and Consumption.

The few simple directions which have won the confidence of mankind the world over, among not only one but many nations, must have extraordinary virtues. Perhaps no remedy has ever been so widely and so universally relied upon as AYER'S CHERRY PECTORAL.

It has been known to the public about forty years, by a long continued series of marvelous cures, that have won for it a confidence in its virtues, never equaled by any other medicine. It still makes the most effectual cures of *Coughs, Colds, Consumption*, that can be made by medical skill. Indeed, the CHERRY PECTORAL has really robbed these dangerous diseases of their terrors to a great extent, and given a feeling of immunity from their painful effects, that is well founded, if the remedy be taken in season. Every family should have it in their closet for the early and prompt relief of its members. Sufferings, and even life is saved by this timely defence. The prudent should not neglect it, and the wise will not. Keep it by you for the protection it affords by its early use in sudden attacks.

Editor Deseret News:

The Cache County Educational Institute met, according to adjournment, in the Fourth Ward Schoolhouse, Logan, on Saturday, October 13th, at 11 a. m., President Wm. H. Apperly chairman.

Owing to the inclement condition of the weather (as it was snowing and raining alternately during the greater part of the day), some of the members taking part in the programme were not present. However, substitutes were procured and the time fully and profitable occupied.

A lively, interesting and cheerful spirit prevailed throughout the meeting; all taking an active and interesting part, not only in the exercises and criticism, but also in discussing general questions on class exercises, school government, etc., which were brought before the institute, thus showing that the teachers of Cache County are energetic and united in their profession, *i. e.* that of inculcating the rudiments of a physical, moral and intellectual education in the young and tender minds intrusted to their care.

A cordial invitation is extended to all parties who are interested in educational matters of Cache County to attend our next month's meeting, when the following programme will be presented:

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 30th, 1880.

DR. B. J. KENDALL & CO., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and sent our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a through trial. I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in this state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, but it is penetrating and powerful to reach every deep seated pain or ache, removes any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send Address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.

THE CASE

AGITATOR

Ahead of all Other Competitors!

SALT LAKE CITY, August 12th, 1882.

J. W. Lowell, Esq.,

Dear Sir.—The J. I. Case Agitator we bought of you last season is the best machine we ever saw or used; it will thresh more grain and thresh it better and cleaner than any other machine we have ever seen, and we can confidently recommend it to any persons wishing to purchase a good Thresher.

Yours, etc.,

G. W. LUFKIN, W. A. BARRON.

ASHLEY'S FORK, UINTAH CO., Feb. 26th, 1882.

John W. Lowell,

Dear Sir.—The Agitato Separator and Woodbury Power that we bought of you, we can truly say give entire satisfaction. It beats anything that we ever saw to thresh and clean. We have run seven different kinds of machines, but this is the champion. The cleaning and the separating are perfect. We have not had a man find fault with it yet, and we believe that the people here will testify to our statement as being the truth. It comes as near being perfect as it is possible for a machine to be. We cannot tell you upon paper all its superior qualities or how much we think of it, but can say this, that could we not get another like it, no money would buy it.

Yours truly,

GEORGE BROWN, S. J. CAMPBELL, WM. P. REYNOLDS, ROBERT BODILY.

CEDAR CITY, Sep. 23rd, 1881,

John W. Lowell,

Dear Sir.—Our machine, Agitator, is doing excellent work. Cleans the best and threshes faster than any Thresher we ever saw.

We remain,

CORRY & HUNTER.

LEHI, Utah County, February 7th, 1882.

To John W. Lowell, Esq.,

Dear Sir.—As our opinions have often been asked about the merits of the Agitator Threshing Machine we purchased from you last fall, we take pleasure in sending you the following as our experience with it. To answer the numerous inquiries, and perhaps others who would like to know, we recommend the following points of superiority over all other machines we are acquainted with—

1st.—Lightness of draft. Our team of five span of average native horses and mules, being fully equal to the work, and without crowding or hurrying them, they gave us all the speed and power we needed.

2nd.—Thorough threshing and cleaning, and that *without extra effort* on our part; such a thing as the sieves being crowded or clogged, or requiring the attendance of one person at the tail end of machine having never occurred or been needed.

3rd.—Lightness of wear. After having threshed 18000 bushels of grain, lucern seed, etc., the general wear on the machine being scarcely perceptible.

4th.—Lightness of running expenses. By comparing notes with our friends of other machines, we find ours have not exceeded half of theirs.

We also consider the capacity for threshing in quantity, superior to other makes of machines. Although the farms here are small, necessitating a great deal of moving, and often to distant points, yet we threshed as high as 800 bushels per day.

We also consider the Straw Stacker, End Shake, Elevator principle and many other points are *all* worthy of notice and examination of any and all persons who may contemplate purchasing a machine.

A. J. EVANS, M. T. WOODHOUSE, H. M. ROYAL, M. B. BUSHMAN.

I have helped wear out four machines of other kinds, and I heartily endorse all of the foregoing points.

A. D. RHODES, JR.

CEDAR CITY, March 18th, 1882.

Mr. J. W. Lowell.

We bought one of the J. I. Case 32 inch Agitator Threshers last year and consider it by far the best Thresher ever brought to this country. It runs very light, saves all the grain and is a very durable machine. We threshed grain at the rate 2½ bushels per minute.

Yours, etc.,

CORRY & HUNTER.

I also take the liberty to refer thresher men to the following reliable people who have purchased the Agitator Machines:
