[Special to the Deseret Evening News.]

By Telegraph.

London, 18.—Immediately upon the arrival of the steamer *Scotia* at Queens-town the police came aboard quietly and arrested George Francis Train, Grinnell and Gee, three passengers charged with being active members of the American wing of the Fenian organization. The proceedings caused considerable excitement.

Paris.—Duke De Persigny objects to the bill for the government press. He thinks the press would be allowed too much latitude in assailing public and private characters. He favors a bill moving for more freedom of the press.

In the Stockholm Parliament yesterday, the King, on opening, delivered a speech in which he favored the forming of all the male population into militia organizations, also the purchase of the most improved arms for the army.

House.—The entire day was devoted to the debate of the reconstruction bill and other general matters.

New York.—A letter from Havana gives fearful accounts of the ravages of cholera there. Sometimes there had been three hundred cases a day and nearly one half proved fatal.

Berlin.—The Diet passed a bill for the railway loan of forty million thalers.

Florence.—The Party of the Left has been defeated in the Station parliament on the motion to adjourn during the debate on the budget.

New York, 19.—Honduras advices, via Havana, say that revolution is apprehended in the interior. Forty cases of cholera have occurred at Truxillo.

The *Herald's* special says the defeat of the Supreme Court bill in the Senate appears to be a foregone conclusion. The reconstruction bill seems more likely to pass. The committee on foreign affairs in the House will report about Thursday a bill concerning the rights of naturalized citizens.

It is expected that the Senate will soon take up the bill for the admission of Colorado. The friends of the measure are sanguine of success. Gov. Evans has arrived from Denver and says the Indian peace commissioners have been deceived in regard to his course towards the Indians. While governor he earnestly strove to avoid Indian hostilities.

Strong efforts are being made to continue the freedmen's bureau in Tennessee, Kentucky and Maryland.

Cork.—Strict search was made of the person and baggage of Geo. Francis Train but they disclosed no proof of complicity in the Fenian movements, justifying arrest. Train formally protested, through the American consul, against the detention.

rick.—The police have seized and ammunition found in the city may keep them

PUBLIC NOTICE.

YEAR 1868.

C
R
B
G

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods cast, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS?

Because we are like most of our neighbors, wanting money badly.

Ross & Barratt.

A CARD.

To the Inhabitants and purchasing Community of this Territory:—

Owing to the great decline in the prices of goods in the Eastern Markets (being determined to keep IN RATIO with them,) I have made a further reduction in the prices of goods, which upon examination will speak for themselves. I have also on hand a great many articles that have laid over for one and two years—which I will sell, REGARDLESS OF COST, even lower than the present rates in the Eastern Markets will permit of; viz: Table and Pocket Cutlery, Spades, Shovels, Scythes and Snaths, Bake Skillets, Locks and Latches, Tea and Table Spoons, Carriage Bolts, Cast, Blister and Plough Steel, Soap, Lye, Tobacco, and an immense variety of other goods, which are necessities for every day use. Farmers and Country Merchants would do well to call and examine the stock and prices, and as Greenbacks are scarce in the country, I will take for pay, Cattle, Wheat, Flour, Barley, Oats, Pork, &c., for which I will give a price that will guarantee satisfaction.

JAMES LINFORTH,

COMMISSION MERCHANT,

No. 3, Front St., near Market,

SAN FRANCISCO, Cal.

THE relative value of CURRENCY TO GOLD is more permanent than heretofore and facilities for getting goods from California at all seasons of the year, with quick dispatch, have largely increased of late, rendering San Francisco pre-eminently the Market for Utah.

It is not generally known to the people of Utah that all kinds of goods of foreign production, such as Teas, Coffees, Sugars and Spices, English, French and German Dry Goods, Hosiery and Bag materials; Iron, Steel, Anvils, Vices, Chains, Shoeshapes and Horse nails, Glass, Oils and Paints, Earthenware, Glassware, &c., &c., can be obtained from San Francisco at lower prices than from Eastern Markets.

California and Oregon-made Woollen Goods, both pieces, goods and clothing, are superior to anything imported and cheaper. They have been shipped to Eastern and other markets for sale with advantage.

Mining and Mill Machinery of superior Manufacture can also be procured here at short notice.

GOODS DELIVERED at Carson in six days, at Austin in seventeen days, and at Salt Lake City, in lots of not less than ten tons, in forty-five days from San Francisco, by good Mule Teams at lower rates of freight than ever before. Shipments to San Pedro every ten days.
