

**Correspondence.**

We have been favored with the following to President Young:—

ST. GEORGE, Dec. 8, 1867.

PRESIDENT B. YOUNG;

Dear Brother:—Since I returned from the north I have been under such pressure of care and business, both public and private, that I have neglected hitherto to write to you, for which I feel that I owe an apology, although I feel that I have striven to attend promptly to the many duties required of me in the southern country.

Our local conference in November was very well attended. A good spirit prevailed, and the general character of the instructions were a repetition of those given at the general conference in October. Since then I have been visiting the settlements, and holding meetings with them, and find the people generally in very good spirits, and almost universally in good health, with the exception of colds which have been quite prevalent the last two weeks, during which time we have had considerable rain, and foggy weather.

Bros. George Larkin and John Hyner, have both been lying sick in this place with lung complaint, but are now improving.

Bro. William D. Cooper, one of the oldest and best citizens of Washington, died of consumption last week.

The fall wheat in this county is doing fine, and the green grass starting since the rains, and portions of the old foliage is still green upon the trees.

Building and other improvements are going on briskly.

The new emigrants are arriving and have been for the past two weeks, and are passing on to the Muddy. I intend to start with a small party for that region to-morrow morning, to be absent ten or twelve days.

Indians in this region seem generally well disposed.

I expect to start for Salt Lake City on January 2nd.

Your Brother,  
ERASTUS SNOW.

**OBITUARY.**

DIED, in this city, in child bed, at noon yesterday, Lucy C. Spencer Grant, wife of Elder George W. Grant, now south at St. Thomas on a mission.

Sister Lucy C. Spencer was the daughter of Orson and Catharine C. Spencer. She was born October 9th, 1842, in Nauvoo, Illinois, and was at her death 25 years, 2 months and 20 days old. Br. Orson Spencer's touching account of the circumstances under which he left Nauvoo, and the death of his beloved wife, published in his Letters, has made all the Saints familiar with his family. Every reader of those Letters has felt a great interest in his children. At the death of her mother, Lucy was very young; her oldest sister, Ellen, (Mrs. H. B. Clawson,) though but a girl, acted the part of a mother to her. From Winter Quarters Br. Orson Spencer was sent, in 1846, on a mission to England, and he presided over the British Mission until the year 1849, when he was released and came on to this valley. His children, Lucy C., among the number, came on to the valley under the care of Br. James Bullock in the year 1848.

The deceased was married to Elder Geo. W. Grant about twelve months ago. The news of her sudden death will be a heavy shock to her husband, and her brother Geo., who also started for the Muddy a few weeks ago. Her death has cast a gloom over a wide circle of relatives and friends. Even now it can scarcely be realized that she has been snatched away so suddenly and unexpectedly by death. Every one who knew her might well anticipate for her a prolonged life of happiness and usefulness. On Saturday evening she went out riding with her sister, Mrs. Clawson, and felt well all Saturday evening and night. Her child was born at 9 a. m. of Sunday, and still survives; but at noon she was a corpse.

Her funeral will take place at 2 p. m. today, from the 13th Ward Assembly Rooms, where the friends of the family are invited to attend.

**A CARD.**

To the Inhabitants and purchasing Community of this Territory:—

Owing to the great decline in the prices of goods in the Eastern Markets (being determined to keep IN RATIO with them,) I have made a further reduction in the prices of goods, which upon examination will speak for themselves. I have also on hand a great many articles that have laid over for one and two years—which I will sell, REGARDLESS OF COST, even lower than the present rates in the Eastern Markets will permit of; viz: Table and Pocket Cutlery, Spades, Shovels, Scythes and Snaths, Bake Skillets, Locks and Latches, Tea and Table Spoons, Carriage Bolts, Cast, Blister and Plough Steel, Soap, Lye, Tobacco, and an immense variety of other goods, which are necessities for every day use. Farmers and Country Merchants would do well to call and examine the stock and prices, and as Greenbacks are scarce in the country, I will take for pay, Cattle, Wheat, Flour, Barley, Oats, Pork, &c., for which I will give a price that will guarantee satisfaction.
