East Side high school and only high school work will be conducted. Such a conclusion was reached at the meet-ing of the committee on teachers and school work of the board of education held in the office of O. W. Moyle yes-terday afternoon. Since the establish-ment of high school work in the Bry-out school there has also been senior

eighth grade work done there. The com-mittee has decided to eliminate the eighth grade work and substitute an-other year of the regular high school

course corresponding to the second year work done in the West Side high school.

The action of the committee will no doubt be approved at the next meeting

FRUIT DEALERS WARNED

Ladles Free Saltair Wed., Aug. 31st.

Are Cautioned Against Fruits Infested With San Jose Scale.

The following letter, addressed to fruit importers and dealers throughout the state, has just been issued by Joseph H. Parry, secretary of the state board of horticulture:

As this state is menaced by the im-portation and spread of San Jose scale and other pests and diseases injurious to fruit trees, vines and plants, fruit importers and dealers and transporta-tion companien are warned against re-ceiving or handling fruit from orchards that they know or have reason to be-lieve are infested with San Jose scale,

whether the fruit be grown in Utah or imported from other states. Any fruit found to be infested with the San Jose scale or any other pests or diseases injurious to fruit trees, vines r plants, is liable to condemnation as nuisance and will be treated as such t the cost of the owner and destroyed. The state horticultural law enjoins upon the county boards of horticulture and tree inspectors the duty of safe-guarding the fruit interests of this state by keeping a close inspection of fruit packing houses, stores and salesrooms, to see that no pernicious insects or

eases are imported or spread abroad To aid in the work of keeping under control injurious insects and diseases of fruit, importers or dealers who have reason to suspect the presence of such in any fruit or packages sent them, should have the same examined by some member of their county board of horticulture, or fruit tree inspectors before disposing of the fruit in any man-

Boys or Girls. St. Louis, Aug. 27-One of the interest-ing features in the Agriculture Build-ing at the World's Fair, St. Louis, is the guessing contest of the Mellin' Food booth. Among the hundreds o baby pictures in this booth there ar 20 pictures of boys and girls. The dif-ficulty is to know which is a boy and which is a girl. Thousands are guessing and are trying to get the \$250.00 offered by the Mellin's Food Company for the one who correctly guesses the boys and girls in the pictures.

There are two very handsome oil paintings in the exhibit from the Paris salon and some marble statues but the guessing contest is the popular attrac-
