EASTERN.

WASHINGTON, 20. - Gen, Howard, at Longevity demand it, the customs of social in his annual report, earnestly redians, who served government with fidelity, be rewarded, and that all who amisted the hostiles be sent to some remote place whence they cannot easily return. It is diff-

The comptroller of currency, in his annual report, shows the total number of banks and private bankers in the country to be 8,458, with an aggregate capital of \$675,776,000, and aggregate deposits amounting to \$1,919,934,000. During the past year 28 banks have been organized, with an authorized espital of \$2,775,000, to which \$1,598,900 in circu-775,000, to which \$1,598,900 in circulation notes have been issued. Fifteen banks failed within this period, having an aggregate capital of stated that three million bushels, \$2,712,500, and 41 banks, with a being the total stocks of that grade capital of \$5,200,000, voluntarily discontinued business. The amount of the United States taxes collected from the commencement of the system to the present time is; On circulation, \$39,775,819; on deposits, \$40,328,256; on capital, \$5,919,480; total, \$86,033,554. Of United States taxes collected by the national banks on November 1st, 1868, and deposits bonds held by the national banks of November 1st, 1868, and deposits benefit of the first fortress in Khurum valley is prepared to capitalte when summoned. The column is in spiendid spirits and eager for advance.

Alliwayses to keep up the price there.

The Post in its leading adictrial, says: When it became evident, some days ago, that the Ameer intended to persevere in his disdainful reticence, the frontier commanders deep the first fortress in Khurum valley is prepared to capitalte when summoned. The column is in spiendid spirits and eager for advance.

Alliwayses Russer.

BINGHAMPTON, N. Y., 20.—The red to persevere in his disdainful reticence, the frontier commanders against life insurance companies by the late Col. Walton Dwight, is retained to persevere to be in reading of this class of bonds has since been gradually reduced, until it is now gradually reduced, until it is now gradually reduced, until it is now least force of malarial origin.

Celliery Explesion.

775,000, to which \$1,598,800 in circulation notes have been issued. Fifwhole amount bears interest at the rate of 4; and 4 per cent. Only about one-fifth of the entire issues of the latter class of bonds is now held by national banks. The comptroller defends the national banking system at length, and argues for its continuance. He says the national banks have been of great service to government in these instructions. As the Ameer has sent no reply, it only remained for the troops to exscute the original orders. The advance has probably begun.

Allentown, 20.—A fire damp only remained for the troops to exscute the original orders. The advance has probably begun.

The Times, in a leader, says: The ultimatum has been refused. The result, we believed, is that the issue badly injured, but will probably related to hear in the control of great service to government in these instructions. As the Ameer has sent no reply, it only remained for the troops to exscute the original orders. The Times, in a leader, says: The ultimatum has been refused. The result, we believed, is that the issue of great service to government in these instructions. As the Ameer has sent no reply, it only remained for the troops to exscute the original orders. The Times, in a leader, says: The ultimatum has been refused. The result, we believed, is that the issue of the probably related to the country of the arrive and the probably related to the probably r

says the national banks have been of great service to government in refunding bonds, negotiating and absorbing a very considerable part of the new issues. Should the national system continue, there is no doubt that the present rapid reduction in the burden of interest will continue; also, if the national banking system is to be abolished and an additional amount of United States notes is to be issued, all and an additional amount of United States notes is to be issued, all hope of reducing the rate of interest in the public debt must be abandoned. Twenty one million dollars yearly may be saved to Government by funding 5 and 6 per cent, bonds into 4 per cents, while the amounts which it is claimed may be annually which it is claimed may be annually and the repeat of the research.

of coin which is equal to more than 40 per cent. of the entire issues of legal tender notes. If, therefore, the banks of the country co-operate with the treasury it is impossible that resumption shall fail, but even if co-operation shall not be universal it could not affect the ultimate result, for if any considerable portion of the legal tender notes be exchanged for coin at the treasury and withdrawn from use, the notes which occurred in Tensas and Concordia some weeks

Pestellico Discontinued - Stamp Fraude, Postmaster General Key, to-day, ordered Spring Garden, Ala., post-office to be discontinued, and mails for that place to be sent to the neighboring postoffice at Ladiga, on account of riotous demonstrations account of riotous demonstrations and threats made by certain of the inhabitants against the special agent of the department, who has discovered gross frauds in the stamp sales of the village postmaster, and procured the latter's arrest upon a warrant from the United States Commissioner. The agent reports in consequence of this action he was himself speedily arrested on a charge of libel, and bound over for trial next April. After a night's detention by the sheriff, he procured ball and is now at liberty, but he informs the department that the friends of the postmaster declare they will "fix the jury" when the case comes to trial, and are stready exultingly promising that he shall hreak stones for the county.

Standard announces that no reply to the British ultimatum has been received from the Ameer of Afghanistan, and orders have secondingly been sent to India for troops to advance. Government has published a long dispatch from the Lord Crambrooks, secretary of state for India, to Lord Lytton, viceroy of India, recapitalizing the begoe distingt the begoe dispatch transfer. The dispatch transfer first strange ment between England and the friends of the postmaster declare they will "fix the jury" when the case comes to trial, and are stready exultingly promising that he shall hreak stones for the county.

Chricago, 20.—A match game of Kbyber and Khurum passes and billiards, 1,000 points, was played to-night, between George F, Skoff tan column.

A dispatch dated Peshawar, Nov. 20, says: "Traveling from Thoil yesterday, I passed the Khurum passes and make some advance with the Queitan column.

Passenger Ente Wariare Ended, It is stated that the managers of the trunk lines leading east from Cincinnati have practically agreed

Into 4 per cents, while the amounts which it is claimed may be an unable with the issue of this issue of this large amount of the public debt will be randered impossible, for the piedge of Government will then be violated and its credit permanently injured. In regard to resumption, the comptroller says Congress has fixed the day for restoration to a specie standard, and the legislation needed is that which will not overwhelm, but co-operate with the present well managed monetary institutions of the country in accomplishing this result. When this is done the present banking system, if then thought designable, may be modified without danger to the creditor or business of commercial interests of this great nation. Then the result of the public designable, may be modified without danger to the creditor or business or commercial interests of this great nation. Then the required by law. The Trees amount of reserve held on the ist follows: We find upon the first may be part the tory in the second field the claim that required by law. The Trees amount of reserve held on the late of the public designable, may be modified without danger to the creditor or business or commercial interests of this great nation. Then the required by law. The Trees amount of reserve held on the late of the public designable, may be modified without danger to the creditor of success and the first of the public designable, may be modified without danger to the creditor of the public designable, may be modified without danger to the creditor of the public designable, may be modified without danger to the creditor of the public designable, may be modified without danger to the creditor of the public designable, may be modified without danger to the creditor of the public designable, may be modified without danger to the creditor of the public designable and the pu

and withdrawn from use, the notes will become scarce and can be foresed into circulation to supply the requirements of business and fill the gap. The coin will soon, therefore, be returned to the treasury in payment of customs duties and in ernal revenue larse, and offered in exchange for greenback coin certificates, which will be more generally acceptable to the people for the same reason that the Bank of England and the Bank of France notes are preferred to cois.

The Treasury purchased 425,000 ounces of sliver, to-day, at prices slightly below the London quotation.

Ameer to receive the British mission was improbable and would be inexcusable. The dispatch concludes by stating the terms of the ultimatum, namely, a full and suitable apology within a given sime with the reception of a permanent British mission and amnesty to the tribes who escorted the British envoy.

The Standard adds: The cabinet council, which was held vesterday. council, which was held yesterday,

A Lahore dispatch says: That government was preparing a procla-mation, which was to be issued Wednesday (yesterday), showing that vigorous measures were unavoidable. A dispatch from Thull says: It is reported that the garrison of the first fortress in Khurum val-
