## EVENING NEWS.
Wednesday, July 19, 1876.

## By Telegraph.
PER WESTERN UNION TELEGRAPH LINE.

### Last Night's Dispatches.
**The Belknap Trial—Adjournment of Congress Not Yet.**

CHICAGO, 18.—The *Tribune's* special says the democratic caucus tonight was scantily attended and inharmonious.

Evans, post trader, arrived tonight and will testify to-morrow in the Belknap case, which it is expected will terminate on Saturday. Senator Windom says at least two weeks will be required for legislation after the trial is over.

**Gov. Hendricks Denies.**

INDIANAPOLIS, 18. — The *News* publishes an interview with Gov. Hendricks, in which the latter stated he had not seen the dispatch in the New York *Commercial Advertiser*, which affirms that there had been a wide difference between Hendricks and Tilden in their Saratoga conference on the currency question. Being shown the dispatch, he said, "It is wholly unfounded in every particular; of course we differed on some immaterial points, but on the real issues of the campaign, we were united. It would indeed be a strange coincidence to find any two men in the country whose opinions on national questions were in harmony. The *Commercial Advertiser*, referred to in the telegram, I suspect is a strongly partisan paper, which readily accounts for the fabrication to which it gave publicity.

**$30,000 Fire.**

CINCINNATI, 18.—A fire at Domesville, Ky., destroyed a tobacco warehouse and other property; loss $30,000, insured $5,000.

**Murder.**

LEAVENWORTH, 18.—Mrs. Annie Johnson was murdered last night by Louis Baldwin, whom she several times refused to marry.

**Serious Affray**

LOUISVILLE, 18. — A special to the *Courier-Journal* from Lebanon furnishes the particulars of a serious affray which occurred at Casey county. A horse having been stolen from John Tate, a deputy sheriff, he summoned a posse of nine men and proceeding on the trail, ran across six others mounted. A fight took place, in which Fillmore Murell, one of the six, was killed, and a man named Davis seriously wounded.

**CANADA.**
**$45,000 Fire.**

MONTREAL, 18.—The extensive saw mill and sash factory of Ganthier, Vigneau & Co., at Sorel, was burned to day; loss $45,000.

**WESTERN.**
**Accidental Shooting.**

SAN FRANCISCO, 18. — Adeline E., wife of Henry F. Lambert, of Boston, was instantly killed here to day, by the accidental discharge of her husband's pistol. The parties were making a tour of the State for health and pleasure.

**FOREICN.**
**FRANCE.**
**Mobilization of the Army Denied.**

PARIS, 18.—Roumania has sent a circular to the powers, denying the reported mobilization of her army, and stating that a very small portion of reserves have been called out to reinforce the corps of observation, which is intended to defend the neutrality of her territory.

**GREAT BRITAIN.**
**War Statements.**

LONDON, 18.—A Berlin special says the Porte has protested to Austria concerning the closing of the harbor of Klek, and confidentially communicated his protest to the other powers. Roumania has not demanded the cessation of the Lulina districts, nor the abolition of the tribute.

A Vienna special says it is stated here that the condition on which England is willing to adhere to the agreement between the two emperors includes that neither belligerent receive direct or indirect aid from abroad, mediation to be admissible, at the request of the belligerent or the initiative powers, no power to be allowed to take any step without notifying the Porte and obtaining consent of the other, territorial changes to be settled after the war by all the powers, after hearing the views of the Porte on the subject.

**TURKEY.**
**Officers Held Responsible.**

CONSTANTINOPLE, 18.—The Grand Vizier has issued a proclamation announcing that irregular troops committing brigandage and other outrages upon peaceable inhabitants, will be arrested and summarily executed. The officers will be held responsible for the conduct of their men.

**AUSTRIA.**
**More Troops.**

VIENNA, 18.—Servia is sending her last reserves, numbering 14,000, to the front. Four thousand Egyptians are leaving Salonica for Salwar. Five thousand Softas also have started for there. Roumania, in consequence of the remonstrance of the powers, only mobilized 20,000 men.

**The Earthquake.**

Telegrams show that the recent earthquake affected the Danube basin from Passou in Bavaria to Preburg in Hungary. The shock was felt at Wiltengau, in Bohemia, Schelctain in Moravia, Budrais, Trebitsch, Tischnawitz, and Prerrau, and elsewhere to the north, and the limits marked by Odenburg, Kindburg, and the Noriz Alps. The centre movement was at Schirbbes, where there were three shocks, lasting ten seconds. Rents are visible in numerous houses in Vienna. Several chimneys have fallen. The river Danube receded from the right bank and passed in a great wave to the other side.

SPEED OF RAILWAY TRAINS.—The following are the highest authentic instances of high railway speeds with which we are acquainted: Brunel, with the courier class of locomotive, ran 13 miles in ten minutes—equal to 78 miles an hour. Mr. Patrick Sterling, of the Great Northern, took, two years back, 16 carriages 15 miles in 12 minutes, equal to 75 miles an hour. The Great Britain, Lord of the Isles and Iron Duke, broad gauge engines on the Great Western railway, have each run, with four or five carriages, from Paddington to Didcot in 47½ minutes, equal to 66 miles an hour, or an extreme running speed of 72 miles an hour. The new Midland coupled express engines, running in the usual course, have been timed 68, 70 and 72 miles an hour. The 10 a. m. express on the Great Northern, from Leeds, we have ourselves timed, and found to be running mile after mile at the rate of a mile in 51 seconds, or 69.2 miles an hour. The engines used are Mr. Sterling's outside cylinder bogie express engines, the load being ten carriages.—*Ex.*
