Testimony Taken From a Number of Witnesses Today.

## MEMBERS DEST. THE AGREEMENT

to Reconcile the Business Was Given Late-Signed to Amend a Charge of Counterfeiting.

Testimony was taken today in the United States district court in the case against H. C. Carpenter and others, members of the Salt Lake City Exchange. The indictment against the defendants was found by the grand jury a year ago and charges that no members of the exchange entered into an unlawful combination to maintain the price of coal and coke at any rate, to prevent other persons from buying and selling coal, thus unlawfully restraining trade contrary to the statutes of the United States.

This morning T. H. Ellsworth, J. M. Moore, J. H. Hickman, Thomas Pleasant, J. W. Whitehead, Jr., A. L. Williams, F. H. Murphy, John H. Brown, George V. Lewis and James D. Hayes were sworn in and called for the prosecution, representing the associations named in the indictment. T. H. Ellsworth, J. C. Miller, Thomas Pleasant, George V. Lewis and James D. Hayes were called for the defense and testified to the effect that such an agreement as that alleged in the indictment had been made between the coal companies, members of the coal committee.

Further testimony in the case was being taken this afternoon, and will continue until noon with interest.

## ACCUSED OF COUNTERFEITING.

Henry Rice was brought before the court this morning by Judge Hartley, who, the defendant was to present an alibi, changing him with making, having in his possession and passing off as his own the counterfeiting of \$100 bills, which he had been taken up and arguments in support of the motion to set aside the indictment in each case were heard by Judge Hiltz. Mr. Whitehead, attorney for the defense, argued that the money was "good against the machine."

person of Justice Charles A. Shultz. It is not known whether the defendant, Mayor Glendinning, and that will be fully ascertained by the city's other executives.

The purpose of Glendinning's selection is to be based on a desire to avoid possible difficulties in naming an officer to fill the office. In the meantime the public waiting and wondering if the nominees in the fire and police departments will ever be filled. And the public is also wondering if the fact that another assault is expected to be made on the fire and police now to the coming legislature.

## A VETERAN'S FUNERAL.

Remains of Pioneer John Brown laid to rest.

## Special Correspondence to the News.

FLAGSTAFF, ARIZ., Nov. 3, 1896.—The funeral services over the remains of Patriarch John Brown were held in the First Methodist church today, the house being packed with those who have learned to love Brother Brown for many years in life. On the stand were, of the quorum of the Twelve, Elders F. M. Lyons and G. W. Smith, and the presiding Bishop and members of the High Council. Bishop at the three wards and other visiting brethren. The singing appropriate placed by the choir was followed by a sermon delivered in a most pathos-pietry manner. Remarks were made by Bishop Reed, Bishop of the Stake presidency. Eloquence was shown in which was unexcelled by the eloquence of the speaker, followed by Elders Lyons and Treadall, all of whom spoke of the life and labors of Brother Brown in the most gratifying to those who listened, or the good man.

A feeling of thankfulness seemed to emanate from the people that they had been acquainted with this noble man.

Brother John Brown spoke to the State in the First ward and Elder Treadale spoke in the second ward. Their trial was much aggravated by the facts.

## HENRY LEWIS CUT.

He Is Slashed Across the Neck With a Razor.

A cutting escape to which Henry Lewis, a colored man, was the victim, took place at Elko. Patriotic's began on Commercial street last evening.

About 8 o'clock in the evening a gang of sheepherders came down the Patriotic street and began to drive their flock and carry on merrily. One of them in his desperation cut across fire at the door of the house where Harry demanded him to pay for it. He released himself to Hopkins, the master sheepherder, who was up him was Harry called in to help him, but he refused to do so.

The sheepherder is reported to be greatly in favor of the sheepherders.

Two days ago Harry was writing to Judge Hiltz, the government, desiring that an unnecessary delay be had in the case because he desired the trial to be opened about the middle of December.

His honor, Judge Marshall, who occupied the bench after recess in the coal committee case, has agreed to sit at 10 o'clock on Monday to hear the indictment, the reading of which was dispensed with until that time.

## WILL IT BE "CAPTAIN SHEETS?"

Major Glendinning, it is said, will like him to serve a Nebraskan.

Says that Major Glendinning has succeeded in getting the Council to sustain the police ordinance bill, notwithstanding other officials are casting doubt on a successor to Captain Daniels. It is understood from an apparently authoritative source that a general has been slated for the position to the
