The men had kept up the steady grind with no losses or gains since the sensa-tional sprint which resulted in the shake-up shortly before 3 o'clock this atternoon.

"TAD" SAYS THINGS **ABOUT TOMMY BURNS**

Eastern sports are thinking awful things about that Burns-Johnson tete-a-teto which is due to be pulled off in Australia the latter part of this month, writes Tad. Some of them even go so far as to say that the affair is pre-arranged. Of course, it's a bit tough on the angelic Thomas to think of such things, let alone connect his name with them.

Troubles The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, anxiety, nervousness, rheumatism, etc. weaken

the heart. The result is shortness of breath, palpitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

Dr. Milles' Heart Cure, "I had LaGrippe last fall as I thought in a mild form. I was weak, tired feeling, and short of breathi-could hardly go about, and a good deal of the time sort of an asthmatic breathing and extremely nervous. I began taking Dr. Miles' Heart Cure and Nervine and now I feel so much better in every way. I am so thank-ful that I began taking this medicine, and shall not hesitute to tell others how much good it has done me." MRS, F. J. NORTON, Freeville, New York. Your druggist sells Dr. Miles' Heart

the locality, queer because of the scen-ery of the thing, and queer because angelic Tommy has figured in so many queer things. There are those who think that the affair is on the level and that Burns will beat Johnson's head off. There are oth-ers who believe it is honest, and that Josnson will win. The majority are afraid to bet a nickel. If we could see the fight over here, where both men are known, we could tell in a minute. Many believe that Burns is afraid of the big tar baby, and that he wouldn't sign up unless the thing was fixed up. Dope it out for yourself. You all have your opinious on it.

Race-Gold Medal Offered.

Race—Gold Medal Offered. Athletes at the State University are getting ready for an annual event which is attracting considerable atten-tion. It is the Marathon race and the winner will be awarded a gold medal. There is a great deal of interest in the ovent and it promises to be most excit-ing. Yesterday afternoon a number of run-ners started work and beat a path over the cross-country route. The cross-country club is soon to be or-ganized and the workouts will be in or-der from now on until the race. The context will be on the annual U. day, and it is proposed to run from the big U on the mountain to Cummings field.

At Los Angeles.

Boston, Dec. 8.—It was officially an-nounced today that action for alleged slander, returnable in the United States circuit court Feb. 1, 1909, in which \$20,-000 damages are claimed, has been brought by Congressman Richmond P. Hobson of Alabama against Congress-man John A. Kellher of Massachusetts. The alleged remarks which caused the action to be brought were made during the campaign this fall, immediately following a visit to this city of Capt. Hobson, who spoke in the interests of Joseph R. Conry for Congress, the latter contesting unsuccessfully with Congressman Kellher for the nomina-tion. Both are Democrats.

Johnson's name has been connected with a crooked light, the same as Fliz-simmons', the same as Gans', the same as Jack O'Brien's; but Tommy Burns, ah! How can they be so cruel? It is true, however, that Tommy's for-mer manager, a Billy Gee of Chicago, has letters from the angelic one ask-ing the manager to frame up a few rights for him. He wanted the other felow to put up \$5,000 in the hands of an outsider, as a guarantee that the affair would be won by Burns. It is true that he faked with Jack O'Brien at Los Angeles, and then, at the last moment, double-crossed Jawn, but these things are likely to happen to anyone. Probably Tommy was fooling and did not know the difference, as Flizsim-mons said about his fake with Jim Hall. We don't know the imermost floughts of the pure Hurns. We can surmise a few things, though. Eastern sports, of course, remember these, and then, when they hear of Burns ato also think of anything else but a frame-up. Burns said to the writer the day he ff for England that if a \$25,000 purse was hung up, he would fight Johnson. Jim Coffroth offered that money, but Burns refused to fight. When he was cornered in England and roasted by the British press, he declared that he vould never fight Johnson unless his end, win. No of the earth, Johnson went to Eng-fand and Tommy beat it to Australia. When he got that far away from the rest of the world, smehow or other he to draw, was \$20,000. Still he claim-ed that he was the greatest fighter on top of the earth, Johnson himself weight it was a good time to its up as the bit more than he needed. Now Burns is dictator. Of the team which played against Yale, Harvard will lose the following men by graduation this year: Cutler, Nourse, Wittington and Captain Burr, besides many of the substitutes who did not get into the game. The team will be without an experienced quarter, for Galatti, the only substitute to Cut-ler, graduates next June. The losses will he most severe in the back field, for it will be a hard proposition to find two such line smashers as White and Ver Wiebe in the squad from which next year's team must be picked.
