JEW IN RUSSIA

Their Sufferings the Subject of Address by Rabbi Freund.

A large congregation of Jewish people was addressed last night by Rabbi Freund in the Temple Beth Israel, on the occasion of the memorial services held all over the country on account of the persecutions of the Jews in Russia. The speaker deprecated strongly the prevalent such atrocious sentiments as prevailed in Russia, and particularly during such times of enlightenment as the twentieth century. He said that the Russian people, however, the Rabbi advocated good for evil rather than an eye for an eye and a tooth for a tooth, and thought pity, rather than hate, should fill the hearts of the Jewish people. He spoke in a complimentary vein of the interest taken by the press of the country in disseminating intelligence about the affairs in Russia and in helping raise funds for the relief of the persecuted Jews.

"I was much afflicted with asthma," writes Ed. C. Muel, Jewell, Sedgewick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Kidney and Bladder Pills, which relieved me. I used three boxes. It is the greatest blessing I ever used; have recommended to several persons; all express themselves as being benefited by it. I now walk without crutches, able to perform a steady day's labor on the farm. 25c box, \$1.00. Sold by Z. C. M. I. Drug Dept.

RELIEF GRANTED BY CITY COUNCIL

Adopts Resolution Deferring Payment of Special Assessments Till April 15.

WHERE WORK IS NOT DONE.

Action on Mill Creek Resolution Laid Over for Future Consideration—Other Business.

The city council last night adopted a resolution offered by Councilman W. J. Tuddenham which will relieve property owners from making payments on special tax assessments for sidewalks and pavements until April 15, 1906, and it also authorizes the city treasurer to refund all money paid in on such assessments for improvements not completed. This action will meet with the hearty approval of all special tax payers as they are often compelled to pay in money on special taxes a year or more before the improvement for which the taxes were levied are started and completed. Following is the resolution in full:

THE RESOLUTION.

Resolved, That in all cases where special assessments have been levied for pavements of streets and the work of laying such pavements is not now done, the collection of such assessments be suspended until April 15, 1906.

Be it further resolved, That in all cases where persons have paid the assessments on the improvements herein mentioned that the city treasurer refund such moneys to the parties paying the same.

Be it further resolved, That in the matter of all sidewalk extensions upon which payment of assessments has been heretofore suspended until April 15, 1906, the treasurer refund all payments made thereon to the persons paying the same; and be it further resolved, That the city treasurer be and he is hereby instructed to carry out the provisions of this resolution.

LAID ON THE TABLE.

The resolution of Wells authorizing the mayor and recorder to ratify the option with the Mill Creek farmers for the exchange of Mill Creek water for the city's canal water, which was laid over from last week, was read and placed before the council. Hobday raised the point that a suit was pending on trial to settle the ownership of the Mill Creek water and he could see no reason why the city should enter into an option with the farmers for the exchange of water for the city's canal water, which was laid over from last week, was read and placed before the council. Hobday raised the point that a suit was pending on trial to settle the ownership of the Mill Creek water and he could see no reason why the city should enter into an option with the farmers for the exchange of water for the city's canal water, which was laid over from last week, was read and placed before the council.

Mayor Morris notified the council that he had employed Moses W. Taylor to look after the negotiations with the farmers of Mill Creek and Little Cottonwood for the exchange of water for the city's canal water, which was laid over from last week, was read and placed before the council. Hobday raised the point that a suit was pending on trial to settle the ownership of the Mill Creek water and he could see no reason why the city should enter into an option with the farmers for the exchange of water for the city's canal water, which was laid over from last week, was read and placed before the council.

OFFERS TO SELL LAND. A proposition was received from Franz Heinze to sell to the city for \$3,000 a tract of land in Mountain Dell consisting of 160 acres, of which 140 containing live springs producing a steady flow of good water, which water writer claims can be utilized in the city's system at a very small cost. The matter was referred to the committee on public grounds.

ASSESSMENT CONFIRMED. Ordinances were passed confirming the assessment on property on both sides of D street from 155 feet south of First street to Third street and on both sides of Third street between D and E for the construction of a sewer, and also confirming the assessment on property on the west side of Tenth street between Fourth and Fifth South streets for the construction of a cement sidewalk.

PATROLMAN RESIGNS. Chief of Police Lynch submitted the resignation of Patrolman Moroni Preece, dated Dec. 4, which had been accepted by the chief and the latter notified the council that the officer is no longer in the employ of the city in that capacity. Upon motion of the council the matter was referred to the police and prison committee for an investigation as he said there was some little misunderstanding in regard to the matter.

SETTLEMENT OF CLAIM. A recommendation was received from Mayor Morris and Asst. City Atty. Brannan that \$500 be paid to Sarah A. Davis, who was absent from the city for damages against the city for injuries received by falling over a stake in a sidewalk. The recommendation was concurred in and the money appropriated.

WORK ON CENTER STREET. The following resolution by Barnes was adopted by a unanimous vote: Be it resolved by the city council that the superintendent of streets be instructed to continue the cutting down of Center street to sidewalk grade and that five hundred (\$500) dollars, or as much thereof as may be needed, be appropriated for said work.

WANTS INCREASE OF SALARY. City Food Inspector J. J. Meyers informed the council that the affairs of his office were now in good condition and giving perfect satisfaction to merchants and citizens in general. He asked for an increase of salary, which at present amounted to \$75 per month. The committee on markets will consider the matter.

THE PAYROLL of the members of the city council for services as members of the board of canvassers when the recent election returns were canvassed amounting to \$305 was submitted and ordered paid over the protest of A. J. Davis, who was absent from the city during the canvass and hence did not get on the payroll. His objection created considerable laughter.

The department payroll for the first half of November amounting to \$14,242 were submitted by City Auditor Peit and referred for approval.

A full Fate. It is a fearful fate to have to endure the terrible tortures of Piles. "I can truthfully say," writes Harry Colson, of Masonville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Buckle's Anal Ointment is one best cure made." Also best cure for burns and injuries. 25c at Z. C. M. I. Drug Dept.

TRACING LOST RECORDS. Consul Hansen Looks for Encouraging News From the Vatican.

Danish Consul Hansen of this city, who for the last 14 years has been securing genealogical family records from the old church books in Denmark, says that he has written a letter to the Pope at Rome, asking what has become of the church records in Denmark which were kept up by the Catholics before the Reformation, about 1590 A. D.

There are no church records in Denmark before that time, and Mr. Hansen believes that the Catholic priests are the only ones who have the records with them, and perhaps they are in the Vatican. If those records can be found, then the Danish people will be able to trace their ancestry back much further than they can at present. Mr. Hansen sent his letter to the Pope by registered mail and has received a return receipt so he hopes to secure some information in the near future.

It makes no difference how long you have been sick if you are troubled with indigestion, constipation, liver and kidney troubles, Hollister's Rocky Mountain Tea will make you well. 35c. Ask your Druggist.

EARLY MORNING FIRE. About 2 o'clock this morning fire broke out in the Sadler Mercantile company's store on East Temple street, caused by a gas jet used for heating water for the bar. But for the timely discovery of the blaze by Nightwatchman Coulson, and the prompt response of the firemen, the fire would have been a big one. The only damage done was the burning of a box.

Indigestion, constipation, dyspepsia, kind and liver disorders, and all stomach troubles positively cured by using Hollister's Rocky Mountain Tea. 35c. Tea or Tablets. Ask your Druggist.

INFORMATION WANTED. Mrs. J. W. S. Piger, formerly Miss Adair Varnet, of Siboney, O. T., desires information as to the whereabouts of James Taylor, originally from South Carolina. He went to Utah soon after the Civil war.

DOCTORS COULD NOT HELP HER.

"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure." It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this, good health is impossible. For sale by F. J. Hill Drug Co.
