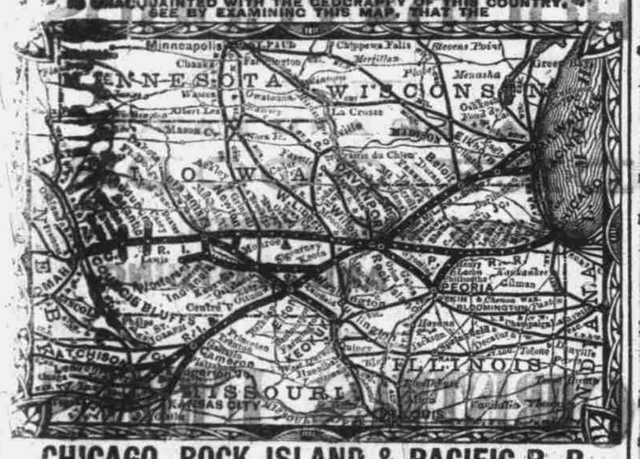
MAN

☞ SO UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, W SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic and Avoca. Branches from Bureau Junction to Peoria; Wilton Junction to Muscatine; Washington, Fairfield, Eldon, Belknap, Unionville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Monroe; Des Moines to Indianola and Winterset; Altoona to Leavenworth and Atchison; and Avoca to Harlan. This is positively the only Railroad, which owns, and operates a through car from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Dining and Sleeping Cars run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped, its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we are pleased to announce that this Company runs Pullman Palace Sleeping Cars for sleeping purposes, and Palace Dining Cars for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON, where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are provided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

EVENING NEWS.

Thursday, . Dec. 20, 1882.

BY TELEGRAPH.

FOR WESTERN UNION TELEGRAPH LINE.

Frauds, Fires and Failures.

LOUISVILLE, Ky., 20.—The grand jury returned an indictment to-day against David Ferguson, back tax collector, Philip Henkle, city auditor, Geo. M. Levi, assistant chief of the fire department, for frauds connected with the assessor and collector's office in 1879. The parties were arrested and bail given; Ferguson $20,000, the others $15,000 each. The council will to-morrow evening probably impeach the parties, and declare the offices vacant.

Rochester, N. Y., 20.—The city bank rated the third strongest in the city, closed its doors this morning. There is said to have been a deficiency of $500,000. The cause of suspension is thought to be speculation in stocks and oil by the president, Chas. E. Upton. Great excitement prevails.

It is learned C. E. Upton, president of the bank, used $350,000 to carry on oil speculations. Deposits half a million. The banks hold $300,000 of its paper. Upton was treasurer of the Western New York Episcopal diocese, and had its funds in the bank, and the city had a large deposit there.

The bank officers say it was intended $170,000 worth of property of Upton. They claim to have raised $100,000 among themselves, and continue the bank, but it was soon learned Upton owed $330,000, and they had to close. Upton turned over $50,000 to the bank. It is stated Upton drew $75,000 from the bank last night for private use. The city loses nothing; the county is badly involved.

Jefferson, Ohio, 20.—This community is excited over the defalcations of J. Fuller and H. L. St. John, cashier and assistant cashier of the Second National Bank, and the suspension of the bank. Pending investigation, Fuller has fled. He has been speculating, and used $50,000 to $75,000 of the bank's funds. St. John on learning the crime was discovered, had a stroke of paralysis. Depositors are not liable to lose any money, the stockholders being liable for $200,000, which is far more than the average deposits.

New York, 20.—Walter C. Shibley and Henry L. Kipling were arraigned in the Court of General Session to-day, and sent to the Tombs in default of bail, on a charge of theft and attempted blackmail. Shibley was a clerk for William Sutpen, lawyer, and represented himself to be a single man. In the course of business, Sutpen conveyed to him by deed, to be re-conveyed when the transaction closed, property to the value of $140,000. Shibley also got possession of a certified check belonging to Sutpen, of over $14,000, and when this occurred the deed disappeared. Next day Kipling called on Sutpen and offered to restore the deed for a consideration. A woman also appeared, claiming to be Mrs. Shibley, wife of the missing man, and offered to release her dower in the property for a consideration. Detectives were put on the case, with the above result.

Syracuse, N. Y., 20.—The hame-shop of the county penitentiary burned this morning. Henry W. Austin perished. Loss, $45,000; insured.

Pembroke, Ont., 20.—Three lives were lost in a fire this morning.

Springfield, Mass., 20.—One hundred and fifty sheep, 50 calves, and a quantity of provender burned to-day. Loss 10,000.

Detroit, 20.—The Sisters of Charity Hospital, at Big Rapids, burned; 60 patients were removed safely. The valuable library of Father Deucinck is lost; value unknown.

New York, 20.—On last Thursday afternoon Alfred Clock, a respected citizen, aged 70 years, was enticed into a house and swindled out of $8,575 in a bunko game, similar to that played on Charles Francis Adams. Wm. Edwards, arrested, was one of the parties.

Pittsburg, 20.—There was a prize fight this morning between Jno. Gilson and A. Reisenhausen, bruisers unknown to fame. It resulted in a draw; both are so badly punished as to hardly be able to stand.

New York, 20.—The *World* publishes an interview with the Socialist leader Schwab, which indicates the proposed movements of Herr Most during his stay in America. His tour, which is one of organization, will embrace all the large towns in the United States, his object being to make appeal to the people and to effect thoroughly the organization of the Socialists.

Washington, 20.—Jefferson continued for the Star route defense.

Dickson testified in his own behalf to-day, giving jury room scenes. His story conflicted strongly with Bowers'.

New York, 20.—Dora Huber, the German girl on trial for suicidal attempt, the first case under the new statute, pleasantly compromised with the law, and avoided prison by wedding the young man for whose sake she swallowed phosphorus and came near dying. The young man was willing to save her. She had supposed the young man intended to desert her.

The Passion Play.

NEW YORK, 20.—In response to an advertisement about 200 men and 50 women presented themselves at West 24th St. last evening as applicants for positions in the Passion Play as the Jewish multitude. The feminine multitude were mainly shop girls, with a sprinkling of laundresses. Their names were called off by the stage manager, and they were told to come every night next week to rehearse. Morse stated his company was now filled, rehearsed and ready for business. The chorus comprises 80 voices, male and female. The entire company will number 600. As soon as the building is finished, he says, the Passion will be presented. He regrets not having more room for auditors, for the expenses will be according to present estimates, $2,000 a night. He says the press will be sorry they joked fun at the play after the first night's performance.

FOREIGN.

British Briefs.

LONDON, 19.—The storm in the northeast of Scotland continues. Three vessels have gone ashore. The crews of all were drowned.

The *Times* correspondent at Paris says: France, in declining the proposal of Great Britain relative to the Egyptian debt commission, gave a hint that other posts might be created in Egypt such as the presidency of a consultative committee, to have a similar influence in governmental councils. This would give France an influence not equal to that of England, but greater than that accorded by the original proposition of England.

Cork, 19.—Parnell opened here to-day a branch of the Irish National League. He explained that the purpose of the league was not to serve the interests of any one class, but its efforts to be devoted to national objects and the advancement of the Irish people of every class.

Paris, 20.—It is semi-officially announced that the Chinese evacuated Tonquin in pursuance of orders from Pekin, and that the relations between France and China are excellent.

By an explosion in a cartridge factory at Mt. Valerien, 30 women were seriously injured.

Victoria, B. C., 20.—A new parliament is called for ... dispatch of business, January 25th.

The bark *Tellona*, with 42,500 cases of Salmon, valued at $231,000, sailed yesterday for London.

A Chinese merchant who thrust into the street a countryman who sought succor in his house while desperately wounded in the throat by a third party, was convicted of manslaughter, the jury holding that the act of the merchant accelerated the death. He was sentenced to 14 years' imprisonment. The prisoner burst into tears, and was carried out limp and helpless.

Bismarck's Campaign.

Berlin, 20.—The only topic engaging attention here is the relations between Germany and Russia. Russian exchange was never lower on the Berlin Bourse since the battle of Plevna than now. One hundred rouble notes of the nominal value of 320 marks, were quoted Monday at 195 marks offered. The panic seems mainly due to an article in the *Vossische Zeitung*, concerning the massing of the Russian army on the Gallician frontier. This is regarded in well-informed circles both in Berlin and Vienna as absurd, but its effect on business shows that uneasiness has been caused in the minds of the public by what is known as Bismarck's campaign. This consists of various articles recently published. Stress is laid on the purely dual defensive nature of the Austro-German alliance.

Bismarck is suffering greatly from neuralgia. He was unable to fulfil his declared intention of defending the introduction of the license tax on spirits in the Lower House on Saturday.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

Youngstown, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable, that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain, or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbone, callous, swellings and any lameness and all enlargements of the joints or limbs, or any condition in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.
