"It Goes Right to the Spot"
When pain or irritation occurs on any part of the body, the application of Ballard's Snow Liniment will give prompt relief. "It goes right to the spot," said an old man who was rubbing it in, to cure his rheumatism. C. S. Smith, Proprietor, 818 South, Salt Lake, writes: "I have used Ballard's Snow Liniment in my family for several years, and have found it to be a remedy for all aches and pains, and I recommend it for pains in the head and chest." 35c, 50c and \$1.00 at Z. MET HIS DEATH
DRIVING HOME.

Atkinson Whitworth Instantly Killed on South Temple Last Night.

WAS STRUCK BY A STREET CAR.

A Resident of Twenty-second Ward Thrown From His Wagon and Brained on Pavement.

Atkinson Whitworth, residing at 674 north Second West street, and for nearly 40 years engaged in the salt refining business, was instantly killed at about 8 o'clock last evening by a trolley car near the corner of South Temple and Second West streets.

With the exception of the car crew no one saw the accident excepting a young man, whose name could not be ascertained. Conductor Morris and Motorman Bywater say that the deceased started to drive across the track in front of the car, and that when the horse was nearly across the track he became untractable and the car being under headway, struck the horse and front of the wagon, throwing the old man into the air, and he fell head foremost on the asphalt, crushing in his forehead so that his brains protruded.

Dr. C. P. Wilcox was called, who declared that death was instantaneous. The body was removed to Joseph William Taylor's undertaking establishment. His family was notified and a message was sent to his oldest son, George A. Whitworth, who conducts a ranch near Dell, Mont. Deceased was 62 years of age and leaves a wife, two sons and a daughter. His widow is ill in the southern part of the state, her condition being so precarious that the family were afraid to notify her of the accident.

Mr. Whitworth came from Lancaster, England, and was well known about town. He was for many years engaged in the business of refining salt and had a load of it on his wagon at the time of the accident, and was possessed of some property.

Coroner Clark was notified, but did not think an inquest necessary. It is stated that at the time of his death deceased was not a member of any church or fraternal order. The funeral will be announced hereafter.

A Very Remarkable Remedy.
It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Cough, Cholera and Diarrhoea Remedy, says Druggist A. W. Saxville, of Hartford, Conn. Recently a gentleman came into my store with a child who was suffering from a severe case of cholera. I gave him a dose of this remedy which helped him. I repeated the dose and in 10 minutes he felt better. He was so overcome with colic pains that he was unable to get up. He felt as well as ever." For sale by all druggists.

MODERN TONICS.
State Board of Health May Investigate Fake Patent Medicines.

The state board of health is preparing to go on the war path after the patent medicines and nostrums that cluster on the shelves of local druggists "like the sands of the sea." Secy. Beatty stated today, that these nostrums were a detriment to the public health and ought to be abolished, and is turning out 15,000 bottles a day from one of the biggest factories of the kind in the country. His income is \$5,000 a day, and servant girls all over the town, the doctor said, are drinking this vile stuff and imagining it is helping them because the fiery liquor concealed in it braces them up for the time being.

When the Utah state board of health begins to get in its action on the Salt Lake, Ogden and Provo druggists, there will be an interesting time.

Chamberlain's Cough Remedy.
No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and gripes effectively and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough and pertussis when this remedy is used. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and many few are willing to take any other after having once used it. For sale by all druggists.

BROWN CASE CONTINUED.
The case against ex-Senator Arthur Brown, charged with adultery, has been set for Oct. 21 for preliminary hearing. When the matter was called in Judge Diehl's court, Mr. Brown said it was not necessary to enter a plea and Judge Diehl ordered the clerk to read the indictment. Brown's attorney, Maj. Samuel King, is out of the city at present and on that account the case was continued.

Royal bread is wholesome, clean and pure. Our bakery is conducted strictly sanitary and is the best equipped west of Chicago. No human hands knead the dough, all done by machinery. The label we use is not only a mark of quality, but a guarantee of purity. Ask your grocer for it.

Fast Time to New York and Philadelphia, is made by the superbly equipped trains of the Lehigh Valley Railroad. Double Track. Speed ballasted. Automatic Electric Block Signal System in operation over the entire route. Stop-over allowed at Niagara Falls.

Loss of Appetite.
Is commonly gradual; one dish after another is set aside till few remain. These are not eaten with much relish, and are often so light as not to afford much nourishment.

Loss of appetite is one of the first indications that the system is running down, and that the body is not getting as good food as it needs. Accept no substitute for Hood's.

Beautiful Complexions.
Are spoiled by using any kind of preparation that dries the skin of the face. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver pure. Herbine cures it. Take it before the disease gets a fair hold, though it will work a cure in any stage. J. A. TAKES TO STAGE.

Helen Shepard of This City Accepts Offer With the Chaperones.

Miss Helen Shepard, the daughter of Mr. and Mrs. E. E. Shepard, and well known in local musical circles as the possessor of an exceptionally fine voice, will join "The Chaperones," a company that will make her debut with the troupe at the Grand theater Sunday night.

At the Grand theater Sunday night Miss Shepard gave a vocal selection at the concert there given, which attracted the attention of the manager of "The Chaperones," who invited her to call on him at the Salt Lake theater in order that he might further test her voice. She was given selections from "The Chaperones" and other different pieces which she rendered satisfactorily and a position was offered her.

Miss Shepard was also made an offer by a representative of "The Storiks" company, which offered a slight engagement here, but she was at first inclined to accept the latter engagement but finally closed the former.
