THE EVENING NEWS.

Monday, . . September 6, 1869.

LOCAL AND OTHER MATTERS.

SABBATH MEETINGS.—The congregation in the old Tabernacle was addressed yesterday morning by Bishop A. K. Thurber; Elder J. Johnson, lately from Scandinavia, Elder George Goddard and President Geo. A Smith. In the afternoon Elder Wilford Woodruff and President Geo. A. Smith spoke on the death of Elder Ezra T. Benson. Both discourses were reported.

TRUE TO THE CORE.—Do not forget the benefit of Miss Annie Lockhart at the Theatre to-morrow evening, and give this estimable lady and pleasing actress a crowded house.

DESERET UNIVERSITY.—On Saturday evening the members of the Regency of the University of Deseret met at the Historian's office. There were present Presidents Young and Smith, Chancellor Wells and Messrs. Groo, Campbell, Doremus, Richards, Cannon, Reynolds and McKenzie of the Board of Regents. Amongst other business transacted it was determined to establish a model school in connection with the normal department of the University at the building west of the University and immediately fronting the south gate of the Temple Block, for the reception of pupils not sufficiently advanced to enter any of the University courses. The Board appointed R. L. Campbell, Esq., a committee of one, to wait on our leading citizens to solicit their aid and support in developing the resources of the institution, and to gather means as to enable the faculty to add to the completeness of the institution by the introduction of fuller sets of apparatus in the Mathematical, Chemical and Philosophical departments. It was also decided to issue a circular asking the elders and others at home and abroad to collect specimens for the cabinet, to donate books for the library and to aid in any way in their power to make our University as complete an institution for the education of the young as can be found on the continent. We are pleased to state that the city has donated $700 to the furtherance of this purpose, and it is anticipated the county will also make a liberal donation.

THE OPENING NIGHT.—On Saturday evening a good house witnessed the representation of the highly sensational drama of the Captain of the Vulture. The piece went off rather slowly, but the *tout ensemble* will no doubt be greatly improved on its repetition this evening. All fond of mystery and sensation can witness it to their hearts' content by attending the Theatre to night.

FUNERAL OF ELDER E. T. BENSON.—We have received the following particulars of the funeral of Elder Ezra T. Benson, by the Deseret Telegraph Line:

LOGAN, Sept. 6.

Editor Deseret News:—The remains of Elder Benson reached this city at a quarter past one on Saturday afternoon. At one o'clock yesterday the corpse was borne to the bowery by the Bishops of Cache Valley, preceded by a military escort, including General Benson's staff, and followed by his family, Elders Lorenzo Snow, Franklin D. Richards, Brigham Young, Junr. and Joseph F. Smith of the Quorum of the Twelve Apostles and a large concourse of people. A congregation estimated at four thousand including thirteen bishops assembled in the bowery. All the members of the Twelve present addressed the meeting. They spoke encouragingly respecting the past labors of Elder Benson and added much good instruction to the living. At four o'clock the procession was formed to accompany the remains of Elder Benson to his resting place, in the following order: first, martial band, next, a company of one hundred infantry, then, the brass band, followed by a company of one hundred cavalry, next, Col. Crockett and staff, Gen. Benson's horse and military equipments and his staff, then his family and mourners, the members of the quorum of the Twelve Apostles, bishops and citizens. Nearly two hundred carriages and other conveyances followed to the cemetery. The flags were at half mast throughout the county.

PETER MAUGHAN.

OUR VISITORS.—The party of distinguished citizens of Cincinnati, who are at present making the tour of the great west, arrived in this city, yesterday morning. Their names will be found in our published list of arrivals at the Townsend House. They passed the day yesterday in attending the meetings at the Tabernacle, visiting the principal places of interest round town and in the evening called on President Young. They left for the west this morning. This party is distinguished from most of the other excursion parties which have been here by two peculiarities. First, the members are untitled. They have only one doctor and one reporter, Mr. Miller, of the Cincinntal *Commercial*, in the party; but not a politician or an office-holder among them; they are all business men. Second, they pay their own passages, having hired the cars which they occupy, and are not "dead heads."

Gen. W. Myers, of the United States army, is at present in the city on a visit.

SHORT OF WATER.—"Enquirer" desires to know why the City Fathers keep the water running down the big culvert in North Temple or Jordan street whilst the gardens in the 17th and adjacent wards are suffering for the want of it. The attention of the city water master would be esteemed a boon by the citizens of that quarter of the city.

WILLIAM HOWARD.—There is a message for a gentleman of this name, at the office of the Deseret Telegraph Co.

AUSTRALIA.—We are informed by B. S. Spencer, of San Francisco, that Elder Robert Beauchamp sailed from that port on the 24th ult., for Littleton, New Zealand, that being the only place in the Australian mission to which he had the opportunity of sailing. He started on his mission buoyant of faith in the Lord's preserving care.

ARRIVED.—Mr. Neil Warner, the famous tragedian, and his agent, Mr. Macdougall, arrived in this city last evening. Mr. Warner will make his appearance at the Theatre shortly.

MURDER AND ROBBERY IN RICH CO.—We are indebted to President C. C. Rich for a communication containing the particulars of the murder of a young German brother named Frederick Woesner, at Montpelier, on the morning of the 25th ult.

It appears from the evidence given at the inquest, that about ten minutes past two on the morning of the 25th ult., an alarm was made in the street near the store of Frederick J. Keisel, at which Mr. Woesner was employed, and his voice was recognized by different parties, who heard him cry out; "Hold on!" "Hold on!" at the same time he appeared to be running very fast along the street. When near the house of David Osborn, Justice of the Peace, deceased was heard to shriek out for the Justice immediately after a pistol was fired; and br. Osborn and others hurried to the spot, but they found Mr. Woesner lying on the ground bleeding, and lifeless, with a pistol ball in his right breast.

It being quite dark, the brethren hurried to the store, where they found the door wide open and a pane of glass broken out of the window close to the door. Two reels of brass were found lying on the ground; close by there was also a lot of beads and Indian trinkets missing, that usually hung in the window. In the meantime men were dispatched in all directions to try and track the murderer. When daylight dawned, the tracks of two persons wearing, moccasins, going in different directions, were discovered, some of the stolen beads were also found on the trail of one of them. The latter was tracked to the outside of the town, where he had a horse staked out, by which means he escaped. The former followed the track all day up Bear's Fork, but had not succeeded in overhauling the murderers at the latest advices. At first it was presumed that two Indians, who were known to be stealing in the neighborhood were the guilty parties, but later developments have caused the opinion to become general that the crime was committed by white men.

Brother Woesner has been clerking for Mr. Keisel for about twelve months, and was much respected by the citizens of Montpelier.

OFF TO CALIFORNIA.—We understand that Mr. J. T. Caine, Manager of the Theatre, and Mr. Spencer Clawson, left this morning for California. The object of Manager Caine's visit to the West, we may safely presume, is to hunt up fresh novelties for the amusement of the Salt Lake public.

SEWING MACHINE
Until you have examined the
FLORENCE
WHILE a large number of Sewing Machines have been offered to the public, some of which possess points of excellence and acknowledged merit, we have long felt the necessity of a machine more perfect in its mechanical structure, combining in the highest degree simplicity with durability, which, while capable of doing a greater range of work, is so easily understood that a child can operate them.
Discarding the chain stitch of the Grover & Baker, so easily ravered, and subject to wearing out, on account of cord on the under side, we adapt the lock stitch alike on both sides of the fabric, and have added the knot, double knot, and double lock, thus suiting every range of fabric.
The four different stitches and reversible feed, which allows the work to run either way, make it incomparably the best for family use.
We also offer
A NEW MANUFACTURING MACHINE,
which is pronounced the Machine of the age.
If there is a Florence Sewing Machine in Utah, Idaho, Montana, or Wyoming not giving perfect satisfaction, we will repair it free of any charge.
Branch Office at Salt Lake City,
Will be open by September 20th.
Ladies are invited to call and examine our Machines, whether designing to purchase or not.

This Line is owned and operated by the Michigan Central; Illinois Central; Chicago, Burlington and Quincy; Chicago and Alton; Great Western, of Canada; New York Central; Hudson River; Boston and Albany; Providence and Worcester; Worcester and Nashua; Housatonic; and Jackson, Lansing and Saginaw Railroads.
THE "BLUE LINE"

SAME GUAGE AS THE UNION PACIFIC,
over which these cars will run on completion of that road.
THE BLUE LINE CARS
Are ALL OF UNIFORM GUAGE, thus largely lessening the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.
The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public.
The facilities of the Line for making uniformly quick time are unequalled.
All claims promptly settled on their merits.
