> In Town - Accident. - Brother Saml W. House of Grantsville, Too ele County, favored us with a call to-day. He stated that crops in that locality had been up to the average, the health of the people generally good, and a pleasant spirit prevailing. He also reported an accident,

which occurred on the 6th instant,

resulting in the death of Joseph

Fairchild, aged 12 years, a son of Brother Moroni Fairchild of Grantsville. The boy was out on the stock range with a younger brother, each riding on horseback. The animal ridden by Joseph was perfectly gentle; and therefore no danger was apprehended. The boy's feet were in the stirrup straps, the stirrupa proper being too long for his use. The horse was moving slowly; but suddenly stepped in a wolf hole, throwing the boy from his back; and then, becoming frightened, began running with fearful speed. One foot of the unfortunate little fellow was held firmly by the strap, and so be was dragged, head downward, for the distance of a quarter of a mile when his foot became disloged. The frightened brother the younger ones had done during lying in the brush, with nearly all the day. _____ the clothing stripped from his body.
