EVENING NEWS.

TELEGRAPHIC NEWS.

At Niagara, a Tremendous Crash of Cars Descending to the Rapids.

Latest Reports Regarding Sheridan Have Again a Favorable Tone.

The Italian Legislature Favor the Abolition of Capital Punishment.

By Telegraph to the NEWS.

Casualty at Niagara.

NEW YORK, June 8.—At 9 o'clock this morning four South Americans, accompanied by an interpreter, stepped in the car at Niagara to descend to the rapids, a descent of 300 feet at an angle of 45 degrees. The car suddenly started ane rushed to the bottom of the incline, where it was dashed into splinters. The occupants were thrown with great force upon the platform. Before they could escape another car reached the top with such force that it was detached and came down upon the victims with a tremendous crash. Mrs. Santana had her leg broken and was terrible shocked and bruised. Her daughter was badly cut under the chin. The lady's husband and the interpreter fortunately escaped injury. It is feared that Mrs. Santana will not survive.

General Sheridan.

PHILADELPHIA, June 8.—Dr. Wm. Pepper said tonight he could add nothing to the information contained in the published bulletins of today, except to say that all of the intelligence from Washington indicated Sheridan had a very good day. The fact of the bulletins being of a uniformly favorable tone, the doctor said, showed the improvement of this morning had been well maintained.

Dr. Pepper will not go to Washington tonight, nor will he again visit there until notified by his colleagues in case his presence is necessary.

WASHINGTON, June 8, 8:30 p.m.—The afternoon has been a quiet one, without any incident worthy of mention. Sheridan's pulse is 108, respiration 35, temperature normal, mind perfectly clear. During the day he has shown great interest in the current news.

Against the Liquor Traffic.

CATSKILL, N. Y., June 8.—The General Synod of the Reformed Church of America, in session here today, in resolutions uttered an emphatic protest against traffic in intoxicating liquors, as now carried on by civilized and nominally Christian nations with the heathen, and recommended united action with other churches in an effort to induce the governments which are parties to the treaties under which the iniquities are perpetrated to put an end to it.

Claus Spreckles' Enterprise.

PHILADELPHIA, Pa., June 8.—Claus Spreckles today in the course of conversation regarding the sugar industry when asked to give some information about the refineries in and out of the Trust said: "There are twenty refineries in the Trust. They have already been enumerated. As to those out of the Trust, and their capacity, I can tell you something which may interest your readers. There is the California sugar refinery of San Francisco with a daily capacity of 1,300 000 pounds. Then there is the Harrison and the Frazier with about 1,600,000 pounds. Eknaught & Co. are said to produce 480,000 pounds a day. The new refinery here will produce 2,000,000 a day, making 5,000,000, or 2,500 tons a day produced by the refineries out of the Trust. The consumption of sugar in the United States is, 1,320,000 tons a year. The refineries out of the Trust, including the new refinery, will produce, provided the capacity of the other refineries here given is correct, 5,000,000 pounds a day, or 750,000 tons a year. This leaves only 540,000 tons a year for the refineries in the Trust, or much less than one-half. You see, therefore, that the four refineries out of the Trust, have a greater capacity than the twenty in the Trust, and have nothing to fear from them."

Austria's Preparations.

VIENNA, June 8.—The *Neue Freie Presse* says: The budget about to be submitted to the delegation shows an increased expenditure of 5,000,000 florins, of which 4,225,000 is absorbed by the war budget; 13,000,000 are asked for repeating rifles and 4,000,000 for army organization. The extraordinary special credits for the war department amounts to 47,250,000 florins, of which 16,000,000 florins have already been expended, and 15,750,000 will be used for future requirements, the balance being reserved for urgent necessities.

Emperor Frederick.

POTSDAM, June 8.—The Emperor passed an excellent night. He arose at 10 o'clock in good spirits and greatly refreshed.

LONDON, June 8.—The *Moscow Gazette*, in discussing the affairs of Germany, especially Emperor Frederick's health, says: It is time for each power to clearly specify its future policy. A community of interests between Russia and France is the logical sequence of the general political situation.

BERLIN, June 8.—The *Post* and *National Zeitung* both state that Von Puttkamer has resigned from the ministry.

The Emperor has conferred the grand cross of Hohenzollern upon Herr Von Puttkamer.

A Suit Arising from a Gigantic Telephone Scheme.

NEW YORK, June 9.—Through the attorneys of Count Eugene de Mitzlewitz of this city and Philadelphia, a complaint was filed today in the court of common pleas of Philadelphia against Wharton Barker, the Philadelphia capitalist, to compel a specific performance of the agreements of gigantic proportions under the concessions by the Chinese government to supply the whole or parts of that territory covered by the treaty with telephone service through a company, the capital of which was to be $6,000,000, and to form another company with a capital of $2,000,000, with general banking, railroading and mining powers, under the concessions from the Chinese government. The complaint sets forth that prior to March, 1887, the plaintiff and Wm. L. Paine, at great trouble and expense, succeeded in procuring the support of the Chinese minister, Heon Chang. The following agreement was then made: A company was to be formed to supply the empire with telephone service, Plaintiff was to have three twentieths of the stock, defendant thirteen-twentieths, and Paine four-twentieths. It was to be called the American Telephone Company, and $1,000,000 of stock was to be limited to Chinese subscriptions and the remainder of the stock was to be held by a company capitalized at $20,000,000, and to be called the Oriental Company. This company was to have banking, railroading and mining powers, and the concessions of such a grant was promised by Hi Chung Chang. On this promised concession provisional certificates of stock were issued over the signatures of plaintiff and defendant to Chinese officials. Meanwhile, an embassy was sent to the United States in which was Envoy Ma Ke Chang, to see Barker and arrange matters. Complainant states that Chang was taken to the country house of Barker and treated asumptuously and that the outcome was a new agreement was made whereby plaintiff was left out in the cold, and between Barker, Hamilton Disston, H. L. Hing, Francis D. Shipley, Ezra Bowen, Robert Glendenning, Wm. Massey, Thos. Potter, Jr. and Geo. I. Tyler, a subscription of $100,000 was raised to meet the expenditures of the Chinese enterprise, Barker representing he was the sole grantee of these concessions. An agreement was then made whereby Barker was made to sell one-quarter of his interest in the American and Oriental Company for 25 per cent of the par value. One-fifth of the proceeds was to be paid to the treasurer of the latter company, the remainder was to go to the owner. An agreement was then made to form the Finance Company of Pennsylvania with a capital of $5,000,000, all the stock to be paid up and each stockholder to be given part of the stock of the American and Oriental Company. All of these agreements Barker failed to fulfil according to the complaint although pressed to do so by plaintiff and Payne. Although Barker claims the concessions were repudiated by the viceroy it is claimed Barker represented otherwise, to induce the $100,000 subscription. Plaintiff alleges that through Barker's failure to carry out these agreements, he will not be able to fulfil his promises to the Chinese officials and distrust has been engendered which imperils the scheme.

SORE FROM KNEE TO ANKLE

Skin entirely gone. Flesh a mass of disease. Leg disfigured one third in size. Condition hopeless. Cured by the Cuticura Remedies.

For three years I was almost crippled with an awful sore leg from my knee down to my ankle; the skin was entirely gone, and the flesh was one mass of disease. Some physicians pronounced it incurable. It had diminished about one-third the size of the other, and I was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your CUTICURA REMEDIES, and the result was as follows: After three days I noticed a decided change for the better, and at the end of two months I was completely cured. My flesh was purified, and the bone (which had been exposed for over a year) got sound. The flesh began to grow, and today, and for nearly two years past, my leg is as well as ever it was, sound in every respect, and not a sign of the disease to be seen.
