Bad for Insurance Companies.

WASHINGTON, 28.—The House Judiciary committee, to-day, decided against reimbursing insurance companies out of the Geneva award, for losses on vessels destroyed by the Confederate cruisers.

Porter Improving—The Farragut Prize Money.

Admiral Porter's condition is more favorable to-night.

The Farragut prize money will be paid immediately; the prize list has been forwarded to the fourth auditor. The total amount of prize money proper is $530,000, and $200,000 for the destruction of Confederate vessels. Between 2,500 and 3,000 men share the awards. The Farragut estate receives one twentieth of the whole amount, three division commanders each one-fiftieth, and other officers in proportion to their pay.

It is reported that Rell, the member for Manitoba, is here.

Troops sent For.

SUSQUEHANNA DEPOT, 28.—To-day arrangements were made whereby the strikers permitted passenger trains to g through, but this evening the road is completely blocked again; Sheriff Helm has telegraphed Governor Hartranft for 1,500 troops.

Troops Ordered to Susquehanna.

The Gov-ernor has ordered Osborne's division of the militia to the Susquehanna depot.

Gone to Europe—Railroad Collision.

NEW YORK, 28.—Wm. Orton, President of the W. U. Telegraph Company, sailed for Europe to-day, for his health.

Two freight trains on the Pennsylvania Central, near Jersey City, collided this afternoon, killing the fireman and brakeman and fatally wounding the conductor; the collision was caused by the carelessness of the telegraph operator, who has been arrested.

Verdict and Adjournment of the Council.

Tilton wrote a second letter the to Congregational Council, asking as an act of justice to him that the true be recorded with the false, and denying, totally, the truth of the point of the complaining churches which charges that specific charges of grossly unchristian conduct were brought against a member, meaning Tilton, by a brother in the church, which charges the accused declined to answer. Tilton adds—"Every man in the Council knows that the statement is untrue."

About 12 to-night the Council opened the doors, and read the verdict of the Council, which was substantially as follows:—It admits the authority of the complaining churches to call the Council, but thinks they did not exhaust all means of securing Plymouth's consent to a mutual council, and censures the tone of some of the letters of the complaining churches, but censures Plymouth for dropping a member from the rolls because he had abandoned the church, especially when a charge was pending against him. At the same time the Council maintains the same fellowship with Plymouth Church as formerly, with the condition that if that church erred again, it should be blotted out from fellowship with other Congregational churches.

Dr. Storrs thanked the Council for its labor and decision, and then it adjourned *sine die.*

Crusaders Rejoice.

JEFFERSON, Ind., 28.—The crusaders closed a six weeks campaign to-day, with the first victory, a saloon keeper named Fouts redeeming a pledge he made a week ago by closing his saloon; the occasion was made one of immense rejoicing on the part of the crusaders, many embracing Foutz, and all singing and praying for many hours.

Officials Arrested.

RICHMOND, Va., 28.—Col. Jos. Mayo, state treasurer, on returning this morning, was arrested at the depot, and subsequently committed to jail to await an examination; Mayo shows evident signs of mental aberration.

Hanged Himself.

LACONIA, N. H., 28.—Blodgett, the convicted wife murderer, hanged himself in his cell this morning.

Homicide.

CINCINNATI, 28.—Col. W. G. Tyrell, the Covington correspondent of the Cincinnati *Commercial*, shot and killed Hon. Harvey Meyers, in Covington, this noon. The difficulty arose from the fact that Meyers was council for Tyrell's wife in a pending suit for divorce. Tyrell has been for weeks in a state of nervous excitement over the suit, his condition being aggravated by wounds received at the hands of young Francis, in avenging some alleged insult to his father. Tyrell went to Meyer's office, and engaged in a wordy altercation with Meyers, when the latter attempted to eject him; Tyrrell fired a derringer, the ball striking Meyers in the side, and he died in twenty minutes. Tyrrell made no effort to escape, and was arrested. He claims to have shot Meyers in self-defense, the latter having attempted to push him down stairs; he expresses regret for the act.

Last Night's Dispatches.

EASTERN.

Gold to be Sold.

WASHINGTON, 29.—The Secretary of the Treasury has directed the assistant treasurer at New York to sell a million in gold each Thursday during April, five millions in all.

Troops at Susquehanna—Citizens Remonstrate.

SUSQUEHANNA Depot, Pa., 29.—Five hundred troops, with a section of light battery, have arrived, and more are coming. The company submitted propositions to the strikers: first, that all trains shall run without interference from the strikers; second, that payment shall be made to the strikers for February and March immediately; third, that all who are paid shall consider themselves discharged; fourth, the company will employ such men as its interest dictates; fifth, the men shall pledge non-interference with all the company's property; sixth, if no interference occurs and the machinery is replaced, the company will make no arrests for anything done heretofore. The strikers refused to entertain the propositions, but decided, however, to allow passenger trains to proceed, but not the freight. It is expected that the troops will take possession of all the property forcibly.

The citizens telegraphed Governor Hartranft a remonstrance against the introduction of armed troops into the borough, in the interest of a corporation against the citizens, who simply claim their hard-earned wages from a corporation, and that they feared great destruction of life and property would result, and prayed that the order be countermanded. The governor replied that though he might sympathize as an individual, yet he must execute the laws, which forbid the seizure, by creditors, of property, especially when that property is a great public highway; he had ordered the troops to repair to the scene, and had instructed the commander to enforce the laws if violated, and if unfortunate results followed, the responsibility would rest on the transgressors of the law.

Rebels in Arms.

ST. LOUIS, 29.—A dispatch from West Plains states that Monks, who shot James Miller in a hotel on the 18th instant, having fled, has now command of 300 men, sworn to defend him and to obtain justice. On Thursday thirty of them rode into West Plains, and having menaced prominent men and the sheriff, promised to return with the whole force and to have the lives of the conspirators against Monks. The citizens have called on the government to take speedy measures to bring Monks to justice.

The Vote at the Council, Plymouth Rejoices.

NEW YORK, 29.—The vote on the result attained by the Congregational Council was 87 for, 8 against; 23 refused to vote. Plymouth doubts the soundness of the vote, yet considers her liberty vindicated, and is rejoiced. Beecher made no allusion to the decision in his sermon this morning.

WESTERN.

Passed the Senate—Important Meeting of Miners.

SAN FRANCISCO, 29.—Farley's bill, for a State board of transportation commissioners, passed the Senate last night.

A great meeting was held last night, at Virginia City, Nev., to take action in the matter of the Sutro Tunnel, now before Congress. A preamble and resolutions were adopted unanimously, amongst them the following—

"*Whereas*, the amendment to the mining law now pending in Congress, and which, among other things, requires all companies on the Comstock lode to apply for patents to their claims within six months, involves matters of great moment and paramount interest to the miners, property owners, and business men of Storey County, and

Whereas, it is the almost unanimous wish of all the citizens of this county, that the aforesaid amendment should be rejected, therefore

Be it resolved by the miners of Storey county, that the amendment above referred to, is justly regarded as a vital stab at the mineral prosperity of Storey county and of all the residents thereof, that the effect of the amendment can only be injurious and disastrous to every interest of this people; that the passage of the amendment will destroy confidence in the mining interests of Storey county, will retard the work of development and prospecting on the Comstock lode, will discourage those by whose energy deep mining is being carried on, will drive away capital, will depress labor, will depreciate the value of real estate, will tend to annihilate business, and will in all things be to each of us a great and lasting calamity; that we earnestly remonstrate against the passage of the amendment heretofore mentioned, and we do appeal to the Congress of the U. S. and to the sense of justice and convictions of right which must ever guide the judgments of honest men, to protect us from this threatened and imminent danger, and by the rejection of the amendment to secure us from certain disaster.

"Resolved that a copy of the foregoing preamble and resolutions be forthwith forwarded to the senators and representatives in Congress of the State of Nevada." Other resolutions of a similar import were adopted.
