MERRILL FAMILY REUNION.

Notable Gathering of Apostle Marriner W. Merrill's Children and Posterity.

Seventieth Anniversary of the Patriarch's Birthday Attended by 37 Children and 126 Grandchildren.

Special Correspondence.

Richmond, Cache Co., Sept. 27 .- On Thursday, the 25th inst., there was held in the Richmond meeting house a reunion of one of the largest families in the Church. The meeting was of the family of Apostle M. W. Merrill, and the occasion was the seventieth anniversary of that mentleman's birth. The various committees that had the

matter in hand performed their several labors in a most satisfactory manner, and the entire affair, from every point of view, was a great success. It was a memorable day for every one present and the intention is to have an annual reunion hereafter so that the members of the rapidly mereasing other and enjoy oftener the associations of kindred.

At 10 o'clock a. m. the meeting house which had been beautifully decorated for the occasion was fairly well filled with members of the family, the only guests of the occasion being President W. D. Hendricks and his wives—the progenitors of a posterity almost equal in number to that of Apostle Merrill, and with which family the Merrill famlly has intermarried until the two are almost inseparable.

No Other Medicine Ever Accomplished Such Happy Results.

The world moves on, and so does the wonderful reputation of Paine's Celery Compound as a never falling cure for nervousness, sleeplessness, headache debility, dyspepsia, rheumatism, neuraigia, liver and kidney troubles, and impure blood.

As the sun rises in the morning to cheer and enliven the earth, so does Paine's Celery Compound go forth to bestow the blessings of health to diseased and suffering. This is the character of work that Paine's Compound is accomplishing. Parents are saved to children and children to

parents. Have you, sufferer, tested this wondrous life giver? If not, you are not doing justice to yourself or family. Paine's Celery Compound has saved tens of thousands of our wealthy and people; it will not fail in your case. Be wise and follow the example of the saved ones. Mrs. M. E. paired to the Relief Society hall, where an elaborate dinner was served. There it was that the first count was made and it was learned that two hundred and ten members of the family were in attendance. Dinner was followed by another interesting program which was rendered by the children. Several of the exercises, having pleasant allusions to "Grandpa," were written for the occasion, and were given in a particularly touching and pleasing way Speeches, songs, step-dancing and other social festivities were the order

his family.

Special Correspondence. Beaver, Sept. 28.-President Smith and party left Cedar at 8:30 Friday morning (Sept. 26) for Summit, a small settlement 12 miles distant, where a meeting was held at 10 o'clock. The speakers were Presidents Smith and Lund, Bishop Preston, Elders John Henry Smith and Hyrum M. Smith, and the sisters of the party. From there the party proceeded to Parowan, which was reached at 4 As at Summit the Sunday school children were out to greet the

President, and brief remarks were made to them by the brethren. A meet-ing was held at 7 o'clock in the eve-ning, at which all the brethren of the

party spoke. Yesterday morning (Saturday, Sept. 27) the journey towards Beaver was commenced at 8:45, under the direction of C. D. White and J. F. Tolton of the Beaver Stake presidency. Reaching Paragoonah, a few miles from Paro-wan, a stop of half an hour was made. while the President and his associates spoke to the children and people of the place, who had turned out en masse

to greet them.

They reached here at 2 o'clock, having had an exceedingly dusty ride for a number of miles. Here the Sunday school children were out also to welcome the Presidency and Apostles, taiked to them for a few minutes. In the evening a very interesting meeting was held at the Beaver branch school of the Brigham Young academy.

Nearly 200 students gathered togeth-er, with a number of the people from Beaver, and listened to addresses from President Lund, Bishop Preston, Elders A. Winter, H. M. Smith and J. H. Smith, and President Smith. Two meetings were held here today,

one at 10 a. m., the other at 1 p. m., and the Beaver tabernacle was totally inadequate to accommodate the Saints who came to hear the visiting brethren. At the forenoon meeting two choice discourses were delivered, one by Pres ident Smith, principally on the Word of Wisdom, and the other by President Lund, who clearly showed that the Latter-day Saints had fulfilled the prophecy of Isaiah that in the last days the Lord would raise up a people who should build up the waste places, raise up the foundations of many generathe restorer of paths to dwell in.
In the afternoon Bishop Preston and Elders John Henry Smith and Hyrum M. Smith addressed the congregation and spoke with considerable power urging the Saints to educate their chil dren in the quorums of the lesser Priesthood, to pay their tithes and fast

offerings, to keep the Sabbath day holy to regulate their amusements, and to observe the teachings of President Smith in relation to the Word of Wis-At 4 o'clock the party left here for Milford, where they will take the evening's train for Salt Lake City. On

the way, however, they will stop at Minersville, and hold meetings with the Saints there, and that will be the eighteenth meeting of the trip. VISIT OF PREST, SMITH.

THE STRENUOUS LIFE. A Great Strain

No one disputes the fact that we are living in a "rapid" age; it is rush, rush, ush from morning until night, and competition is so fierce that the struggle does not cease until the machine worn out. Women, too, even when surinded by every comfort, become infected by the common spirit, and what with their clubs and many social duties, have no time to give thought to their physical well-being, until they are suddenly brought to a sharp realiz-ation of the fact that nothing in their correct, or rational living. It may surare more prone to piles than men, and in most cases, because it is difficult to impress upon them the importance of regular movements of the bowels; irregularity means straining at stool and straining means piles, with the certainty (under the usual methods of treatment) that the sufferer will "have them always with her;"by "usual meth is meant the application of salve gical operation. If there is a complaint which entails more distress and suffer ing upon those afflicted, than piles or hemorrholds, it is not known to th writer; fortunately, however, these are learning that there is a remedy that effectually cures all forms of piles; it is known as the Pyramid Pile Cure, is in suppository form, is applied di-rectly to the parts, and does its work quickly and painlessly: it is sold by druggists for fifty cents a package, or will be mailed by the makers to any dress, upon receipt of price. Mrs. John says: "I must write you that I was cured of a very aggravating case of itching and bleeding piles by the use of the great remedy Pyramid Pile cure. even after several physicians had claimed there was no cure except by an operation. I am well now, and owe all to this valuable remedy. I cannot say enough for it." Write the Pyramid Drug Co., Marshall, Mich., for their little book on the cause and cure of

SCROFULA

SS. S. combines both purifying and tonic properties, and is guaranteed entirely vegetable, making it the ideal remedy in all scrofulous affections. It purifies the deteriorated blood, makes it rich and strong and a complete and permanent cure is soon effected. S. S. S. improves the digestion and assimilation of food, restores the

attendant horrors, humiliation and suffering. This is a strange legacy to leave to posterity; a heavy burden to Page upon the shoulders of the young.

This treacherous disease dwarfs the body and hinders the growth and development of the faculties, and the child born of blood poison, or scrofula-tainted parentage, is poorly equipped for life's duties.

Strofula is a disease with numerous and varied Symptoms; enlarged glands or tumors about the neck and ampits, catarrh of the head, weak eyes and dreadful skin cruptions upon different parts of the body show the reace of tubercular or scrofulous matter in the blood. This dangerous and stealthy disease entrenches itself securely in the system and attacks the bones and tissues, destroys the red corpuscles of the blood, resulting in white swelling, a paliid, waxy appearance of the skin, loss of strength and a gradual wasting away of the body.
